**Amnesia And Missing Time** Dante X,2023-10-30 Vivien's husband received the video link in an anonymous email and at first had no idea what he was talking about. They had been happily married for over ten years now, two lovely children, live

in a very affluent area and Charles works as a solicitor so are financially secure. So imagine my horror when he showed me the video and I saw myself parading up and down the street like a high class hooker and getting into a strangers car. The rest of the video showed me having sex with the driver in his car. The quality was not very good as it was dark inside the car and whoever filmed it was doing it discreetly from outside. However, I had no recollection of it happening whatsoever and was hoping it was a serious case of mistaken identity, except for the fact that I was wearing my very unique purple evening dress with a split up the side and a close up of my face showed me wearing the gold and diamond earrings Charles had bought me for our anniversary last year. However, that was until I met the old man selling herbs and spices in the night market in Khon Kaen, Thailand. *He Shared Me With His Friend* Dante X,2019-01-23 I need to tell someone my story. My husband James is 26 and I'm Lorna 25, and we don't have children. We had some tests done, and it turns out that James cannot have children, however we both want a baby and have talked about various options. I'm quite attractive and like to dress in short skirts and sexy clothes, but not in a slutty way as I'm only a UK size ten, and still have a nice slim figure. James has a good position in an advertising company, works in London with a company car and on a good salary but we seemed to be living separate lives, and drifting apart. So here's what happened, It got to the point, where he said he wanted me to go with another man! So he could watch and maybe join in later. I was really shocked and told him that I couldn't do that. So, a few months went by with him going on and on about it, and with all our naughty talking, our sex life had actually become much better, and I was getting more and more turned on by the idea. Anyway, James had this friend, an old guy called Rob, he was about 60 and always round our house. I'd already drunk a bottle of wine to calm my nerves and was wearing my new red and black knickers and bra set. Sheer black hold up stockings and a shortish mid thigh dress with front opening buttons. A short introductory story by Dante X - 2800 Words - Adults 18+ Only

**Sexual Hospitality in the Hebrew Bible** Thalia Gur-Klein, 2014-10-20 A woman's life in the ancient world was constrained by her social and economic status. As a daughter she was firmly under the aegis of her father and brothers, who would later allocate the woman to another man as his wife. The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour. Yet, alongside this, woman had certain socio-economic rights notably concerning inheritance and property - which they could use to protect themselves. 'Sexual Hospitality in the Hebrew Bible' examines sacred sexuality and ritual fecundity from patronymic marriage - where the husband claims exclusive rights over his wife's sexuality and attributes her offspring to his line and kin - to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin. Ranging across abstention, promiscuity, and holy offering, the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance.

**Why Men Marry Bar Girls** Dante X, 2022-08-18 This is a book I've been meaning to write for some time now as I have so many stories to tell. The question of WHY someone would marry a bar girl is quite interesting because I was also married to a Thai Bar Girl for 7 years and many of our naughty stories and encounters are detailed in my other books, like the Thai wife series, Adventures in Thailand and Bangkok and the Vampires of the Night. I have also added three chapters from the above books (Chapters 1, 7 and 8) as a free bonus as they are also very relevant to this book. However after living in and out of Thailand for over 30 years and running a pool resort here for the last seven years, I have literally hundreds of stories to tell.

But this book is going to focus primarily on the bar girls and their partners I know personally and been friends with or interacted with living in the UK and Thailand. There are many reasons NOT to marry a bar girl, but then again, there are many reasons not to marry girls from the west as there still thousands of divorces. So marrying a bar girl can be a very interesting life experience, provided you don't send her a stupid amount of money every month or sell up and build a house in Thailand. The best advice I can give you is, go live with her in Thailand and rent your property out in the UK or wherever and live on the income. That way she cannot milk you dry and leave you destitute like the thousands of love struck foreigners that have fallen into that trap, broke their heart and lost everything. Lots of Erotic Situations and Strictly 18 + Adults only - 17,900 words

She attended University at Cambridge and went on to become a travel correspondent for National Geographic. However, after meeting and falling for Victor Harrison's charms at a charity event, she became his mistress.
