**The Story of Your Life** Mandy Aftel, 1997-06-20 Based on a radical new therapeutic approach, this enlightening guide urges readers to view their lives as a novel encompassing three major plots--love, mastery, and loss. Through imaginative exercises and examples from literature and life, *The Story of Your Life* explains how trite or destructive story lines can be eliminated.

*The Story of Your Life* James Lambie, 2010 The intriguing story and turbulent history of a paper Charles Dickens praised for its 'range of information and profundity of knowledge', and which Queen Elizabeth, the Queen Mother, simply endorsed with the remark: 'Of course I read *The Sporting Life*'. It was the Queen Mother's love of horseracing that made her such an avid reader of the *Life* and coverage of that sport forms the core of this book, but there is so much more to fascinate the reader including eyewitness accounts of the first fight for the heavyweight championship of the world and Captain Webb's heroic Channel swim of 1875. Highlights in the history of cricket, football and rugby are also featured, while chapters on coursing and greyhound racing rank alongside surreal reports on ratting contests and songbird singing competitions. And for 30 years Tommy Wisdom made his motoring reports unique by competing against the best at Brooklands, Le Mans and in many Monte Carlo rallies, while Henry Longhurst's golfing column was simply the best. The paper's strident campaigns for racing reforms are also chronicled along with its coverage of major news stories, from Fred Archer's shocking suicide to its own untimely demise. Its travails in the law courts are documented from its first year, when it was forced to change its title, to its last, when it had to pay libel damages to the training team of Lynda and Jack Ramsden and their jockey, Kieren Fallon. A higher price was paid by its French correspondent who was killed in a duel over an article he had written, while the terrible toll the First World War took on the nation's sporting heroes is catalogued by the *Life*'s embedded army correspondent, against a background of political bungling that is being repeated today.

**The Story of Your Life** Steve Madison, 2020-10-12 And so the time has come for you to tell the story of your life. How will you do it? A straightforward, linear narrative? Perhaps you will adopt an experimental approach. Do you aim to produce something of great artistic merit? Will you tell the story simply, or do you want to convey something complex and beguiling? Will you be scrupulously truthful, or do you intend to embroider the facts and events? Perhaps you want to present a fantasy version of your life rather than the real thing. Perhaps you want others to admire you and respect you, so you will censor all

the unsavory and disreputable things you did. You definitely won't be presenting a warts and all account. Or maybe you want people to know exactly who you are, so you will tell it exactly as it is. You will show the world your true self and they can take it or leave it. What kind of audience do you want? Do you seek people of refinement and the highest taste, or are you eager for the masses to crowd in to hear your tale? Are you an elitist or a populist? Do you want to have as large an audience as possible or as select an audience as you can find? Is quality better than quantity? Will you produce a crowd-pleasing thriller, or a high-minded meditation? Perhaps a horror story captures the essence of your life, or a sci-fi, or a western, or a rom-com. It is more tragedy than comedy, or did the laughs and fun times flow thick and fast? There are so many factors to consider. A life is not an easy thing, and its telling is even harder. Come inside and learn how to tell the story of your life.
