

Strangers On A Train Novel

Alan Goble

Strangers on a Train Patricia Highsmith, 2001-08-17 Two psychopaths meet on train and plan to trade murders.

Strangers on a Train Craig Warner, 2003 Guy Haines and Charles Bruno meet on a train. Because they're strangers they can say anything they like to one another. Bruno proposes the perfect murder: he will kill Guy's unfaithful wife if Guy will kill his much-hated father. Guy never imagines Bruno is serious. But Bruno is deadly serious.

Strangers on a Train Patricia Highsmith, 2021-01-19 *Strangers on a Train* has lost none of its power to disturb...We will likely be reading Patricia Highsmith for the next one hundred years. —Paula Hawkins Just in time for the centennial celebration of groundbreaking noir fiction writer Patricia Highsmith comes a reissue of her propulsive, engrossing debut, *Strangers on a Train*, with a new introduction by best-selling author Paula Hawkins. Guy Haines and Charles Anthony Bruno are passengers on the same train. Haines is a successful architect in the midst of a divorce, Bruno a mysterious smooth-talker with a sadistic proposal: he'll murder Haines's wife if Haines will murder Bruno's father. As Bruno carries out his twisted plan, Guy finds himself trapped in Highsmith's perilous world, where, under the right circumstances, ordinary people are capable of extraordinary crimes. The inspiration for Alfred Hitchcock's classic 1951 film, *Strangers on a Train* launched Highsmith's prolific career, proving her a master at depicting the unsettling forces that tremble beneath the surface of everyday life.

Strangers on a Train: A Novel Patricia Highsmith, 2021-01-19 *Strangers on a Train* has lost none of its power to disturb...We will likely be reading Patricia Highsmith for the next one hundred years. —Paula Hawkins Just in time for the centennial celebration of groundbreaking noir fiction writer Patricia Highsmith comes a reissue of her propulsive, engrossing debut, *Strangers on a Train*, with a new introduction by best-selling author Paula Hawkins. Guy Haines and Charles Anthony Bruno are passengers on the same train. Haines is a successful architect in the midst of a divorce, Bruno a mysterious smooth-talker with a sadistic proposal: he'll murder Haines's wife if Haines will murder Bruno's father. As Bruno carries out his twisted plan, Guy finds himself trapped in Highsmith's perilous world, where, under the right circumstances, ordinary people are capable of extraordinary crimes. The inspiration for Alfred Hitchcock's classic 1951 film, *Strangers on a Train* launched Highsmith's prolific career, proving her a master at depicting the unsettling forces that tremble beneath the surface of everyday life.

Strangers on a Train Jonathan Goldberg, 2012-11-20 Alfred Hitchcock's 1951 thriller based on the novel of the same name by Patricia Highsmith (author of *The Talented Mr. Ripley*) is about two men who meet on a train: one is a man of high social standing who wishes to divorce his unfaithful wife; the other is an enigmatic bachelor with an overbearing father. Together they enter into a murder plot that binds them to one another, with fatal consequences. This Queer Film Classic delves into the homoerotic energy of the film, especially between the two male characters (played by Farley Granger and Robert Walker). It builds on the question of the sexuality the film puts on view, not to ask whether either character is gay so much as to explore the queer relations between sexuality and murder and the strong antisocial impulses those relations represent. The book also includes a look at the making of the film and the critical controversies over Hitchcock's representations of male homosexuality. QUEER FILM CLASSICS is a critically acclaimed film book series that launched in 2009. It features twenty-one of the most important and influential films about and/or by LGBTQ people, made in eight different countries between 1950 and 2005, and written by leading LGBTQ film scholars and critics. Jonathan Goldberg is a professor at Emory University, where he directs the Studies in Sexualities program. He is the author of many books and editor of Eve Kosofsky Sedgwick's posthumous 2012 book *The Weather in Proust*.

Strangers on a Train Patricia Highsmith, 1991

Strangers on a Train Patricia Highsmith, 2016 In this mesmerizing novel] . . . not to be recommended for the weak-minded and impressionable (Washington Post), we encounter Guy Haines, a successful architect in the midst of a divorce, and Charles Anthony Bruno, a conniving psychopath who manipulates a chance encounter with Guy into a sadistic plot to swap murders. Some people are better off dead, says Bruno, like your wife and my father, for instance. As Bruno carries out his twisted plan, Guy becomes trapped in Patricia Highsmith's perilous world, where under the right circumstances anyone is capable of murder. Still her most iconic novel, *Strangers on a Train* elicits the menace that lurks in familiar surroundings (Time) and the unsettling forces that tremble beneath the surface of everyday life.

Stranger on a Train Jenny Diski, 2013-09-17 The book about America de Tocqueville might have written had he spent some time in the nation's smoking sections Using two cross-country trips on Amtrak as her narrative vehicles, British writer Jenny Diski connects the humming rails taking her into the heart of America with the track-like scars leading back to her own past. As she did in the highly acclaimed *Skating to Antarctica*, Diski has created a seamless and seemingly effortless amalgam of reflection and revelation. *Stranger on a Train* is a combination of travelogue and memoir, a penetrating portrait of America and Americans that is at the same time an unsparing look in the mirror. Traveling and remembering both involve confronting strangers—those we have just met and those we once were—and acknowledging the play of proximity and separation. Diski has written a moving, courageous, and deeply rewarding book about who we are, and the landscapes through which we have passed to get there.

Strangers on a Train by Patricia Highsmith (Book Analysis) Bright Summaries, 2019-03-28 Unlock the more straightforward side of *Strangers on a Train* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *Strangers on a Train* by Patricia Highsmith, which tells the story of two men whose lives become intertwined as a result of a chilling pact. Charles Anthony Bruno strikes up a conversation with the young architect Guy Haines and tells him that he can kill his wife, who he wants to divorce so that he can marry someone else, if Guy will kill Bruno's father. Despite Guy's reluctance, Bruno forges ahead with the scheme, drawing the two men ever deeper into a morass of guilt and paranoia. *Strangers on a Train* was Patricia Highsmith's first novel, and its film adaptation by Alfred Hitchcock catapulted her to fame. Her reputation only grew with her subsequent novels, including the series of thrillers starring the charming murderer Tom Ripley. Find out everything you need to know about *Strangers on a Train* in a fraction of the time! This in-depth and informative reading guide brings you: - A complete plot summary - Character studies - Key themes and symbols - Questions for further reflection Why choose BrightSummaries.com? Strangers on a Train Ruth Wind, 1990-01-01

Strangers on a Train Raymond Chandler, Czenzi Ormonde, Patricia Highsmith, 1950

Hitchcock's America Jonathan Freedman, Richard Millington, 1999-02-25 Alfred Hitchcock's American films are not only among the most admired works in world cinema, they also offer some of our most acute responses to the changing shape of American society in the 1940s, 50s, and 60s. The authors of this anthology show how famous films such as *Strangers on a Train*, *Vertigo*, *North by Northwest*, and *Rear Window*, along with more obscure ones such as *Rope*, *The Wrong Man*, and *Family Plot*, register the ideologies and insurgencies, the normative assumptions and the cultural alternatives, that shaped these tumultuous decades. They argue that, just as these films occupy a visual landscape defined by the grand monuments of American civic life--Mt. Rushmore, the Statue of Liberty, the United Nations--they are also marked by their preoccupation with the social mores and private practices of mid-century America. Not only are big-city and suburban life the explicit subjects of films like *Rear Window* and *Shadow of a Doubt*, so are the forms of experience that emerge within these social spaces, whether the urban voyeurism examined by the former or the intertwining of banality and violence depicted in the latter. Indeed, just about every form of American life that was achieving social power at this time--the national security state; the science and art of psychoanalysis; the privileging of the free-wheeling, improvisatory self; the postwar codification and fissuring of gender roles; road-culture and its ancillary creation, the motel--is given detailed, critical, and mordant examination in Hitchcock's films. The Hitchcock who emerges is not merely the inspired technician and psychological

excavator that critics of the past two generations have justly hailed; he is also a cultural critic of remarkable insight and undeniable prescience.

Out of the Shadows Gene D. Phillips, 2012 Out of the Shadows explores the most celebrated examples of film noir such as Laura, The Maltese Falcon, and Sunset Boulevard but also offers new insight into underrated films that deserve reconsideration, including Spellbound, A Double Life>

Strangers on a train Patricia Highsmith, Michael Nation, Derek Strange, 1995 Der ünglücklich verheiratete Guy Haines lässt sich auf das Angebot eines Unbekannten ein, seine Frau umzubringen - wenn dieser im Gegenzug seinen Vater ermordet.

It's a Print! William Reynolds, Elizabeth Ann Trembley, 1994 The mechanistic age of the twentieth century has required a mechanized medium for expression: the production of film dependent from the start on machines such as cameras, projectors, lights, and now more heavily reliant on computers, sensitive films, miniaturization, and sophisticated sound recording devices - has flowered in this century not only as a means of popular entertainment, but as a critically acclaimed art form. These essays highlight true cinematic adaptations as completely different products from films based loosely on the gimmick or plot or character of a certain fiction.

Books to Die For John Connolly, Declan Burke, 2016-10-25 An anthology featuring the world's greatest mystery authors writing about the world's greatest mystery novels.

True Crime Mark Seltzer, 2013-10-18 True crime is crime fact that looks like crime fiction. It is one of the most popular genres of our pathological public sphere, and an integral part of our contemporary wound culture—a culture, or at least cult, of commiseration. If we cannot gather in the face of anything other than crime, violence, terror, trauma, and the wound, we can at least commiserate. That is, as novelist Chuck Palahniuk writes, we can at least all [be] miserable together. The murder leisure industry, its media, and its public: these modern styles of violence and intimacy, sociality and belief, are the subjects of True Crime: Observations on Violence and Modernity. True Crime draws on and makes available to American readers—and tests out—work on systems theory and media theory (for instance, the transformative work of Niklas Luhmann on social systems and of Friedrich Kittler on the media apriori—work yet to make its impact on the American scene). True Crime is at once a study of a minor genre that is a scale model of modern society and a critical introduction to these forms of social and media history and theory. With examples, factual and fictional, of the scene of the crime ranging from Poe to CSI, from the true crime writing of the popular Japanese author Haruki Murakami to versions of the violence-media complex in the work of the American novelist Patricia Highsmith and the Argentinian author Juan José Saer, True Crime is a penetrating look at modern violence and the modern media and the ties that bind them in contemporary life.

Patricia Highsmith on Screen Wieland Schwanebeck, Douglas McFarland, 2018-10-08 This book is the first full-length

study to focus on the various film adaptations of Patricia Highsmith's novels, which have been a popular source for adaptation since Alfred Hitchcock's *Strangers on a Train* (1952). The collection of essays examines films such as *The Talented Mr. Ripley*, *The Two Faces of January*, and *Carol*, includes interviews with Highsmith adaptors and provides a comprehensive filmography of all existing Highsmith adaptations. Particular attention is paid to queer subtexts, mythological underpinnings, philosophical questioning, contrasting media environments and formal conventions in diverse generic contexts. Produced over the space of seventy years, these adaptations reflect broad cultural and material shifts in film production and critical approaches to film studies. The book is thus not only of interest to Highsmith admirers but to anyone interested in adaptation and transatlantic film history.

It's Only a Movie Charlotte Chandler, 2008-12-09 *IT'S ONLY A MOVIE* is as close to an autobiography by Alfred Hitchcock that you could ever have. Drawn from years of interviews with her subject, his friends and the actors who worked with him on such classics as *THE BIRDS*, *PSYCHO* and *REAR VIEW WINDOW*, Charlotte Chandler has created a rich, complex, affectionate and honest picture of the man and his milieu. This is Hitchcock in his own voice and through the eyes of those who knew him better than anyone could.
