The Naturals Trilogy Madeline Freeman, 2014-01-04 This contains all three books in The Naturals Trilogy. Awaking Morgan Abbey's life is about to change. Just weeks before the beginning of her senior year, a mysterious stranger approaches Morgan with information that turns her world on end: First, the psychic ability she believes she has just been pretending to have since middle school might actually be real. Second, her mother, who disappeared abruptly and completely almost a decade ago, might still be alive. Morgan finds herself drawn into a centuries-old struggle involving a shadowy group with incredible powers. The Veneret have quietly coexisted alongside the common people of the world for centuries. Now they believe it is time for them to reclaim their former positions of power—and that Morgan is the key to their victory. Every victory comes at a price—but is it one that Morgan will be willing to pay? Seeking Being psychic isn't all it's cracked up to be. After learning she has a key role in a centuries-old prophecy, Morgan Abbey hopes to use her abilities to accomplish the one thing she has wanted to do for a decade: find her mother. However, the Watchers who protect her refuse to let her search. They have good reason to urge caution. A sinister and shadowy organization known as the Veneret want Morgan, convinced her role in the Prophecy will allow them to regain their position as rulers of humanity. With the Veneret after her, Morgan

has no choice but to listen to the Watchers—and spend her time honing her abilities for the inevitable showdown. Training with Morgan are her friends Lucas, Corbin, and Lia—three of the four Naturals that the Prophecy says will make her strong. Before they can fulfill their destiny, a fourth Natural must be found. When Morgan discovers that her mother might be in danger, she is prepared to dismiss all the warnings of the Watchers in order to bring her safely home. With the help of her friends, Morgan will risk everything in an attempt to save her mom. But forces darker than she can imagine are out there, waiting to make their move. Before her search is over, Morgan will find that not everything is as it seems—and those she thought she could trust may just be her greatest enemies. Becoming Life in the safe house is routine. In the three months since her last run-in with Orrick Williams, Morgan Abbey has been training with her four Naturals and their Watcher friends. But routines are meant to be broken, and the reappearance of a familiar face turns life in the cabin on its head. Will she be able to kill Orrick? Keywords: fantasy, paranormal, magic, coming of age, love, Teen & YA, superhero, psychic

others' jokes, and for the most part, alone. But in BOOK #1, during a routine errand gone wrong, Isabel stumbles onto a  
pack's territory and comes face to face with a fierce—and devastatingly attractive—shifter the likes of which she's never seen

his pack? In BOOK #2, Isabel embarks on the kind of life she's only dreamed of. After overcoming the betrayal and lies of her  
past, Isabel finally feels like she belongs. She's engaged to be married to the love of her life, James, closer than ever to her

soon, her family might be getting even bigger. Until the unthinkable happens. In an instant, Isabel loses everything. Now,  
she's driven by two forces: her need for revenge and her love for her daughter. Is her love strong enough to keep her alive?  
Can Isabel ever overcome her tragedy? And can Caleb, the gentle, kind monk who saved her, help her find love anew? In  
BOOK #3, when Isabel is kidnapped by the arrogant and handsome demon king, she proves to be a rebellious prisoner. But,  
even as she is determined to see him only as a villain, she can't help but feel her heart soften against the powerful demon  
king. Despite her suffering, Isabel adapts to life in the demon caste. Despite herself, she shares moments of affection with the  
demon king. With insights from the castle staff, she discovers the hidden history of the Righ. Isabel can't help but wonder  
what else the elves, her supposed protectors and friends, might be hiding from her. In a moment, her world turns upside  
down. Will Balin, once her love, become her enemy? Will Isabel uncover the truth and save her friends before it's too late? Or

will she be destined for a life of rejection? In BOOK #4, with the demon king fatally injured, it is up to Isabel to save him—a feat she can only accomplish by accepting their true mate bond that eclipses millennia. However, as she learns to love her true mate, she notices danger on the horizon, and those that want to destroy their bond will stop at nothing to do so. The fate of the demon king—and the universe—rests in Isabel's hands. Now, she must embark on a quest to uncover her true destiny. Can Isabel embrace a legacy so old it exceeds language and logic? **The Honey Gatherer by Jeff Tikari** Jeff Tikari, 2015-10-13 THE HONEY GATHERER - The story is set in a sparsely populated tract of the heavily forested foothills of the Himalayas: an area that lies roughly between India and Nepal and in places is virtually untouched. The 'Forest People' of this area have minimal contact with the outside world and dwell entirely in the forest living off its produce. These are the 'Wild Honey Gatherers' - a race almost extinct - they have strange ways and are rumored to possess the ability to communicate with birds and beasts. When encountered they fade into the forest shadows. Village people give them a wide berth fearing the strange occult or shaman powers they possess. 'The forest Spirits protect them' is a widely held belief. This story is about one such family...its secrets, its mystical powers, and its accord with nature. Written in a style that suits today's fast-paced lifestyle where an elegance of words and precise sentences open up forest vistas that draw you into the lives and customs of the Honey Gatherers.
