## Julia Quinn

**The Duke And I** Julia Quinn, 2009-10-13 Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town's marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn't as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon's heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

**The Duke and I** Julia Quinn, 2020-12 From New York Times bestselling author Julia Quinn comes the first novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince--while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society--just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm--at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... This novel includes the 2nd epilogue, a peek at the story after the story.

**The Duke's Promised Bride** Anne Marie Novark, 2015-02-06 Fifteen years ago, a marriage of convenience was arranged between Quentin D'Arby and Vanessa Graham by their respective grandfathers. The union would unite the vast wealth and landholdings of the Graham Heiress and the Duke of Straithe. From a very early age, Vanessa has been trained and educated to be the duchess. Now, as the wedding day fast approaches, she discovers she wants more than a marriage of convenience. Can she break through the barriers guarding the duke's impenetrable heart? Will she ever be able to win his love? EXCERPT: The duke approached the pianoforte and gave a little bow to Vanessa. Please, be seated, he said, indicating the stool she'd just vacated. He searched through the stack of sheet music and handed her one. Are you familiar with this piece? Vanessa sat down and nodded. Speech was impossible; the duke was standing extremely close, and she could feel the warmth of his big body. Her own body tingled in response. How was she ever going to accompany him on the piano without disgracing herself? Excellent. His arm brushed her shoulder when he reached over and arranged the sheet of music in front of her. Tiny slivers of awareness shot through her bloodstream, making it difficult to breathe. Are you ready? The deep voice washed over her like a caress. Straithe gripped her shoulder, and she felt the hot imprint of his fingers through her thin muslin dress. He stayed but a moment, his touch lingering before moving away to stand at the side of the pianoforte. Vanessa pressed her hands to her burning cheeks and tried to catch her breath. Goodness! What in the world was the matter with her? They were only going to perform together to entertain their grandparents. Vanessa scanned the music she was about to play, then glanced at the duke for the sign to begin. He inclined his head, and she plunged into the introduction. As she ran her fingers over the keys, she speedily overcame her fidgets. Losing herself in the music, Vanessa listened as Straithe sang the old love ballad. How easy it would be to pretend the words were meant for her. She peeked at the duke and her eyes collided with his. He held her spellbound, and when he smiled, Vanessa blushed. For that one fleeting moment, she thought that maybe he was singing to her after all. A warm feeling floated through her as she broke eye contact. When her fingers

stumbled over several chords, she heard her grandfather harrumph in disapproval. Strai the slowly turned her way, inclined his head ever so slightly and smiled again, all the while continuing to sing. Was the duke offering her encouragement? Could his heart be thawing toward her just a little? KEYWORDS: alpha male, marriage of convenience, virgin, Regency romance, London Season
