The Fault in Our Stars: A Novel by John Green | Conversation Starters dailyBooks,2016-09-02 The Fault in Our Stars: by John Green | Conversation Starters A Brief Look Inside: The Fault in Our Stars, written by John Green, is the story of love, heartbreak, illness, loss, and death. It tells the tale of two teenagers, Hazel Grace Lancaster and Augustus Waters, who have both been diagnosed with cancer. The two bond over a book called An Imperial Affliction and its open ending. Shortly thereafter, Hazel and Augustus are boarding a plane to visit the book's author in hopes to get an answer to the question, "What happens after the story ends?" – a question that shows up often throughout the plot in their personal lives as well. The Fault in Our Stars was listed as Amazon.com's Best Books of the Month in January 2012. It was also a bestseller for The New York Times, Wall Street Journal, USA Today, and TIME Magazine. The novel was adapted to film, which premiered in the United States on June 6, 2014. EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: • Foster a deeper understanding of the book • Promote an atmosphere of discussion for groups • Assist in the study of the book, either individually or corporately • Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource to supplement the original book, enhancing your experience of The Fault in Our Stars. If you have not yet purchased a copy of the original book, please do before purchasing this unofficial Conversation Starters.

**The Fault in Our Stars: A 30-minute Summary of the John Green Novel** Instaread Summaries, 2014-10-21 PLEASE NOTE: This is a summary of the book and NOT the original book. The Fault in Our Stars: A 30-minute Summary of the John Green Novel Inside this Instaread Summary: Overview of the entire book Introduction to the Important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader's Perspective Preview of this summary: Chapter 1 Hazel Grace Lancaster has thyroid cancer that has metastasized into her lungs. The tumors are no longer growing because of an experimental drug, but she will never fully recover. Hazel is watching television when her mother makes her get up and go to her cancer support group. Hazel dislikes the group, but her mother makes her attend because she thinks she needs to socialize more. She arrives just before the group begins. Isaac, her friend, talks about the surgery he will have in a few weeks. He had cancer in one eye and that eye was removed. However, the cancer is now in his other eye and he will have to have that eye removed, as well. As added support, Isaac brought his friend, Augustus Waters, to the support group. Augustus, a very good looking young man, is also a cancer survivor. He had osteosarcoma that required the removal of his leg. After support group, Hazel and Augustus wait outside for her mother. Isaac is with his girlfriend, Monica, making out on the far side of the church. Augustus asks Hazel to come to his house to watch *V for Vendetta* with him. He thinks she looks like Natalie Portman as she was in that movie. However, Hazel refuses when Augustus pops a cigarette into his mouth until he tells her that it is just a metaphor. She finds it so amusing, the irony of putting something that causes cancer into this mouth but not giving it the power to cause cancer, that she agrees to go to his home. Chapter 2 Augustus is a terrible driver because he cannot feel the gas pedal under his fake leg. Hazel makes him admit the only reason he has a driver's license is because the examiner felt sorry for him. She calls it a Cancer Perk. They share their cancer stories. At Augustus' house, Hazel meets his parents. Then they go downstairs to his bedroom. Augustus tells Hazel that he used to play basketball, but before he was diagnosed he realized it was pointless, the act of constantly throwing a ball into a basket. Then he asks her what she likes to do. She tells him about her favorite book, *An Imperial Affliction*. He agrees to read it if she will read his favorite book, *The Price of Dawn*. Augustus and Hazel go into the living room to watch the movie. Hazel thinks the movie is a guy-thing. Augustus drives her home and asks her to call him later. She promises to call when she finishes the book....

**Introduction to Film** Nick Lacey, 2016-04-28 This core textbook offers a concise yet complete introduction to film, responding to shifts in the medium while addressing all of the main approaches that inform film studies. The rise of on demand internet-based video has transformed the way films are distributed and exhibited, with many previously unobtainable and obscure films becoming available for global audiences to view instantly. Interweaving historical and current theoretical approaches, Nick Lacey presents a tightly-focused and coherent overview of a discipline in transition, which can be read 'cover to cover' or in distinct chapters. With its original narrative line and student-oriented philosophy, the text greatly enriches student's appreciation of cinema, while equipping them with the essential skills and vocabulary to succeed in film studies. This is an ideal foundational text for all lecturers, undergraduate or A-level students of film and cinema studies, as well as enthusiasts of film and cinema looking for a comprehensive guide. New to this Edition: - Content reflecting the increasing importance of production contexts, in chapters focusing exclusively on the film business, distribution and exhibition - A more detailed chapter on representation and greater emphasis on audience - Updated content addressing the significance of transnational cinema, drawing on a more global, non-Hollywood range of film examples and case studies from Europe, Asia and Latin America - Text is broken up by a wider variety of film stills, representing world cinema from the classics to the latest in contemporary cinema

**Publishing in the Digital Age** Michael N. Ross, 2021-10-17 The world of publishing is evolving at an ever-increasing speed, with developments in digital workstreams and products, customer expectation, enriched content curation, and user-generated content becoming commonplace. In *Publishing in the Digital Age: How Business Can Thrive in a Rapidly Changing Environment*, Ross discusses the most significant and recent developments in educational and trade publishing, educational technology, and marketing that has enabled a new generation of content creators to reach more consumers. It is the only book that addresses disruption in the industry head on. Building on the insights from his last book, *Dealing with Disruption*:

Lessons from the Publishing Industry, Ross takes a fresh look at the publishing environment and provides the reader with a clear view of how publishing has evolved and how it has benefitted consumers regardless of their preferred medium for accessing knowledge. Through an examination of what has worked and what has not, and with Ross's unique perspective of more than 35 years of publishing success, *Publishing in the Digital Age* presents an indispensable overview of the publishing industry, how it has evolved during the first quarter of the 21st century, and how publishers, content providers, and consumers can benefit from the many options that are available today. With insights from industry leaders, Ross discusses new opportunities on the Web, streaming services, and audio formats. He reviews new publishing platforms and provides a practical guide for content developers to address the knowledge needs of their constituents by giving readers real-life, actionable examples of how best to publish their content consistent with users' purchasing preferences. The book will be of interest to specialists in education: K-12 and higher education, the non-fiction trade, corporate education trainers, and specialist sectors such as scholarly, technical, and medical publishing. It includes clear applications for any business that is undergoing transformation or is forced to make a radical pivot because of sudden environmental changes or market conditions.

**The Business of Film** Paula Landry, 2018-06-14 The updated second edition of this text introduces readers to the business of film at every stage of the filmmaking lifecycle, from planning and production to distribution. Authors Paula Landry and Stephen R. Greenwald offer a practical, hands-on guide to the business aspects of this evolving industry, exploring development, financing, regional/global/online distribution, business models, exhibition, multi-platform delivery, marketing, film festivals, production incentives, VR/AR, accounting, and more. The book is illustrated throughout with sample financing scenarios and charts/graphics, and includes detailed case studies from projects of different budgets and markets. This new and expanded edition has further been updated to reflect the contemporary media landscape, including analysis on major new players and platforms like Netflix, Amazon, Google and Vimeo, shifting trends due to convergence and disruption from new technology, as well as the rise of independent distribution and emergent mobile and online formats. An eResource also includes downloadable forms and templates, PowerPoint slides, quizzes and test banks, and other additional resources.

**Media Today** Joseph Turow, 2016-10-04 *Media Today* uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world. Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future. The book's media systems approach helps students to look carefully at how media content is created, distributed, and exhibited in the new world that the digital revolution has created. From newspapers to video games and social networking to mobile platforms, *Media Today* prepares students to live in the digital world of media.

**Solitude** Michael Harris, 2017-04-04 The capacity to be alone, properly alone, is one of life's subtlest skills. Real solitude

is a powerful resource we can call upon--a crucial ingredient for a rich interior life. It inspires reflection, allows creativity to flourish, and improves our relationships with ourselves and, unexpectedly, with others. Idle hands can, in fact, produce the extraordinary. In living bigger and faster, we have forgotten the joys of silence, and undervalued how profoundly it can revolutionize our lives.
