The Brothers' War Jeff Grubb,2018-03-27 The Myth. The Magic. Dominarian legends speak of a mighty conflict, obscured by the mists of history. Of a conflict between the brothers Urza and Mishra for supremacy on the continent of Terisiare. Of

titantic engines that scarred and twisted the very planet. Of a final battle that sank continents and shook the skies. The saga of the Brothers' War.

The Brothers War (Classic Reprint) John C. Reed,2015-07-12 Excerpt from The Brothers War I would explain the real causes and greater consequences of the bloody brothers' war. I pray that all of us be delivered, as far as may be, from bias and prejudice. The return of old affection between the sections showed gracious beginning in the centennial year. In the war with Spain southerners rallied to the stars and stripes as enthusiastically as northerners. Reconciliation has accelerated its pace every hour since. But it is not yet complete. The south has these things to learn: 1. A providence, protecting the American union, hallucinated Garrison, Wendell Phillips, Mrs. Stowe, Sumner, and other radical abolitionists, as to the negro and the effect of southern slavery upon him, its purpose being to destroy slavery because it was the sine qua non of southern nationalization, the only serious menace ever made to that union. This nationalization was stirring strongly before the federal constitution was adopted. The abolitionists, as is the case with all forerunners of great occurrences, were trained and educated by the powers directing evolution, and they were constrained to do not their own will but that of these mighty powers. My Dear Mother, Well, I've gone and done it. I've joined the Army! Don't be angry at me, Mother dear. I know you were glad when I wasn't chosen in the ballot. But some of my friends were, and since they will be fighting for King and Country, I want to do the same. It's New Zealand, 1914, and the biggest war the world has known has just broken out in Europe. William eagerly enlists for the army but his younger brother, Edmund, is a conscientious objector and refuses to fight. While William trains to be a soldier, Edmund is arrested. Both brothers will end up on the bloody battlefields of France, but their journeys there are very different. And what they experience at the front line will challenge the beliefs that led them there. A compelling novel about the First World War for 9-12 year olds.
