The Choice Nicholas Sparks, 2015-12-22 Opposites attract in this moving #1 New York Times bestseller of love lost and found between a medical student and the man who captures her heart. Travis Parker has everything a man could want: a good job, loyal friends, even a waterfront home in small-town North Carolina. In full pursuit of the good life—boating, swimming, and regular barbecues with his good-natured buddies—he holds the vague conviction that a serious relationship with a woman would only cramp his style. That is, until Gabby Holland moves in next door. Despite his attempts to be neighborly, the appealing redhead seems to have a chip on her shoulder about him . . . and the presence of her longtime boyfriend doesn't help. Despite himself, Travis can't stop trying to ingratiate himself with his new neighbor, and his persistent efforts lead them both to the doorstep of a journey that neither could have foreseen. Spanning the eventful years of young love, marriage, and family, *The Choice* ultimately confronts us with the most heart-wrenching question of all: how far would you go to keep the hope of love alive?

The Choice - Bis zum letzten Tag Nicholas Sparks, 2014-08-19 Wie weit darf Liebe gehen? An die große Liebe glaubt Travis Parker nicht. Er hat sich seine Welt bestens eingerichtet: ein guter Job, nette Freunde, ab und an eine kleine Affäre. Doch dann lernt der überzeugte Junggeselle Gabby Holland kennen, die sein Herz im Sturm erobert. Gegen viele Widerstände gelingt es ihm, sie für sich zu gewinnen. Er ahnt nicht, dass seine härteste Prüfung noch bevorsteht.

The Hard Choice Amanda Siegrist, 2022-03-15 From USA Today bestselling author Amanda Siegrist comes a series full of humor, angst, a sassy heroine, and a sexy, sinful hero that will sweep you off your feet. The Goal: Start taking responsibility for his actions—one in particular: taking care of the baby that landed in his arms. Time Frame: Forever. Life's always been hard for him. Cruel father. Losing his mom. Falling prey to drugs. Getting clean and fighting to stay on the straight and narrow. Now, raising a little girl with no help from her mother. It's nothing new, and he's determined to give his baby girl what he never had—a loving father in a good home. In order to do so, he has to stay away from his old life—too much drugs and a whole lotta sex. Which means no women...until she walks into his life. She's always had it easy. Loving parents. Protective and supportive brothers. Decent job. A best friend...until her bestie isn't there anymore. She feels the walls closing in and her world looking not so perfect. She failed her best friend and she vows to make everything right. To do that, she has to tangle with a man she should stay far away from. He's nothing but bad news. Except she's finding it hard to

resist him and his sweet charm. Of course, she loves his little girl. But loving him...it'd be the wrong choice. Warning: This is not a full romcom. While it has moments of humor, it also has a twist of angst. Okay, now you can dive in, you're prepared! The entire Perfect For You series: (Each book can be read as a standalone.) The Wrong Brother (Book 1): Dane & Gabriella The Right Time (Book 2): Jaxson & Mia The Easy Part (Book 3): Brick & Jezebel The Hard Choice (Book 4): Corey & Genevieve

Lady Justice Vicki Hinze, 2008-12-18 The Consortium, an international group of businessmen, launches a silent war against the United States using biological contaminants to destroy crops and create the need for medical technology it intends to black market. The goal? Financial Gain. The method of attaining it? Manipulate the economy and, through it, the government. The war will be won before the U.S. realizes it has been attacked--and the Consortium will rule the U.S. But the Consortium didn't plan on the Special Detail Unit Senior Special Agent, Gabby Kincaid, discovering there is a war and it's being fought and won by the enemy: a discovery that exposes Gabby's cover and marks her for elimination by her partner, Special Agent Max Grayson. Max attempts to execute his orders, but he and Gabby become the U.S.'s strongest defense. They must work together to expose the enemy--before more innocents die from deliberate contamination; before the economy collapses; and before the country is crippled. Few things surprise Gabby or Max on this mission, but one stuns them. Neither expected to fall in love.

Loose-leaf Version for Quantitative Literacy Bruce Crauder, Benny Evans, Jerry Johnson, Alan Noell, 2014-12-26 I finally understand why I need to learn some math! says a student after finishing a course that used Quantitative Literacy. That enthusiastic response gets to the heart of how this remarkable textbook works. Quantitative Literacy shows students that they use math in their everyday lives more than they realize, and that learning math in real-world contexts not only makes it easier to get better grades, but prepares them for decisions they'll face about money, voting and politics, health issues, and much more. The authors draw on a wide range of examples to give students basic mathematical tools— from sports to personal finance to sociopolitical action to medical tests to the arts—with coverage that neatly balances discussions of ideas with computational practice.

Not Like the Others: The Prophecy Travis Simmons, 2024-05-06 Murder. Something that happens an average of 63 times a day in the United States. Hidden within those deaths are unsolved cases fitting a particular profile. Bodies with severe scarring and drained of blood. Killings of this nature have become cold cases as there has been no evidence left behind. Detective Maxwell Thorn specializes in these cases and has now brought said cases to close in four major cities in the last few years. Having just finished in Atlanta, a string of murders and missing now plagues Boston. Detective Thorn is called to Boston after his most recent victory but not before a new wrinkle develops on his way out of Atlanta. Unknown to the killers,

Detective Thorn is a hunter. Not just of criminals but one of the most dangerous predators of humankind. The killer he searches for are unlike most. His predators were created and have been discussed for over 600 years. There is more to his cases and hunting than meets the eye. Max is the last of his kind and will find a prophecy unknown to him hangs over his head. Max will soon face his greatest challenge and discover who has orchestrated the string of murders that have led him to his newest destination is responsible for his previous stops. Hunters have come and gone through the centuries. But Max will uncover his destiny. Will Max be up to this monumental confrontation, or will he fall like all before him? About the Author Born in California but raised in a small town in Alabama, Travis Simmons has had a lifelong need and desire to create. Beginning with new superheroes and wrestlers of his creation to poetry, short stories, and even wrestling booking. Travis has an affinity for vampires and the supernatural. He has enjoyed those tales and stories since childhood. He takes that love and puts it into this story, one that has had several iterations over the last 25 years. Travis has brought them all together for Not Like the Others. When not creating, the author enjoys spending time with his wife and three children, as well as their dogs, family, and friends. Along with his love for creating, Travis follows professional wrestling, MMA, football, and baseball, and never misses a big movie.

The Choice Nancy N. Rue,2002 In Santa Fe, New Mexico, just before the end of World War II, twelve-year-old Will, his family and friends face many changes and have many consequential decisions to make with Jesus' help.

The Perfect Choice Sophie Adams,2020-10-29 Damien Callaghan was an ambitious man. Rich, handsome, and very successful, he had the world in his hands and was willing to do anything to stay on top of power. Sweet young Gabrielle Clark moved to Raleigh looking for a new life, away from the sad memories of her past. When Damien and Gabby crossed paths, desire and passion surrounded them, even though they both knew their worlds were very different. Contrary to all expectations, they built an intense long-term relationship, but full of secrets. To be together, Damien needed to make a choice and Gabby needed to learn to trust. Are they ready to let go of their fears and follow their hearts? The perfect choice is the third tale in the Seven Sins series.
