

The Last President Book Description

SA Adler

The Last President of Europe William Drozdiak, 2020-04-28 A revelatory examination of the global impact of Emmanuel Macron's tumultuous presidency. A political novice leading a brand new party, in 2017 Emmanuel Macron swept away traditional political forces and emerged as president of France. Almost immediately he realized his task was not only to modernize his country but to save the EU and a crumbling international order. From the decline of NATO, to Russian interference, to the Gilets Jaunes (Yellow Vest) protestors, Macron's term unfolded against a backdrop of social conflict, clashing ambitions, and resurgent big-power rivalries. In *The Last President of Europe*, William Drozdiak tells with exclusive inside access the story of Macron's presidency and the political challenges the French leader continues to face. Macron has ridden a wild rollercoaster of success and failure: he has a unique relationship with Donald Trump, a close-up view of the decline of Angela Merkel, and is both the greatest beneficiary from, and victim of, the chaos of Brexit across the Channel. He is fighting his own populist insurrection in France at the same time as he is trying to defend a system of values that once represented the West but is now under assault from all sides. Together these challenges make Macron the most consequential French leader of modern times, and perhaps the last true champion of the European ideal.

The People's Hero: A Biography of Gabriel Davis, the Seventh President of the United States Pasquale De

Marco,2025-04-25 Gabriel Davis, the seventh President of the United States, was a man of humble origins who rose to power through his military service, political acumen, and populist appeal. This book provides a comprehensive overview of Davis's life and career, from his childhood in South Carolina to his rise to the presidency. It also explores his legacy as a populist president and his impact on American history. Davis was born in South Carolina in 1767, the son of a farmer. He received little formal education, but he developed a strong work ethic and a keen sense of justice. Davis's political career began in the South Carolina legislature, where he served for several terms. He gained national attention for his military service during the War of 1812, when he led a militia to victory at the Battle of Horseshoe Bend. After the war, Davis was elected to the U.S. House of Representatives, where he served for two terms. In 1828, he was elected President of the United States. Davis's presidency was a time of great change and upheaval. He vetoed more bills than any other president in American history, and he often clashed with Congress. However, he also achieved some significant successes, including the passage of the Indian Removal Act, which forced Native Americans to relocate to reservations west of the Mississippi River. Davis's legacy is complex and controversial. He was a strong advocate for the common man, but he also owned slaves and supported the expansion of slavery into new territories. He was a skilled politician who knew how to connect with voters, but he was also a ruthless and ambitious man who was willing to use any means necessary to achieve his goals. Despite his flaws, Davis remains a significant figure in American history. He was the first president from the Deep South, and he helped to shape the nation's political landscape for decades to come. His presidency marked a turning point in American history, as the country began to grapple with the issue of slavery and the growing tensions between the North and the South. This book is a valuable resource for anyone interested in American history, presidential biography, or the history of populism. It is a well-written and engaging account of the life and career of Gabriel Davis, a man who left a lasting mark on the United States. If you like this book, write a review on google books!

The Cotton Malone Series 9-Book Bundle Steve Berry, 2015-02-17 Featuring the signature character of New York Times bestselling author Steve Berry, the Cotton Malone novels fuse page-turning suspense and fascinating historical insight into one heart-stopping thriller after another. "In Malone, Berry has created a classic, complex hero."—USA Today A former Justice Department operative who can't seem to stay out of trouble, Cotton Malone has crisscrossed the globe on electrifying quests. With the smart and sexy Cassiopeia Vitt by his side, Malone faces down the world's deadliest terrorists, assassins, and con men—and unravels some of history's most legendary and iconic mysteries along the way. Now in one exclusive eBook bundle are the first nine novels of Steve Berry's extraordinary series: THE TEMPLAR LEGACY THE ALEXANDRIA LINK THE VENETIAN BETRAYAL THE CHARLEMAGNE PURSUIT THE PARIS VENDETTA THE EMPEROR'S TOMB THE JEFFERSON KEY THE KING'S DECEPTION THE LINCOLN MYTH Also includes the eBook short stories "The Balkan Escape," "The Devil's Gold," and "The Admiral's Mark," as well as the novella The Tudor Plot! Praise for Steve Berry and his Cotton Malone novels "Steve Berry gets better and better with each new book."—The Huffington Post "Berry has become the king of intrigue. You don't just read a Steve Berry novel. You live it."—James Rollins "Berry raises this genre's stakes."—The New York Times "I love this guy."—#1 internationally bestselling author Lee Child "Malone, a hero with a personal stake in

the proceedings, is a welcome respite from the cold, calculating superspies who litter the genre.”—Entertainment Weekly “Richly detailed and fantastically suspenseful, this thriller grips the reader for a wild literary ride that continues until the very last page.”—Tucson Citizen, on *The Templar Legacy* “Bigger than life . . . The reader will be engaged from the first page, thrilled by the story, entertained by the characters, and spellbound by the author’s sheer bravado. A must for high-adventure thriller fans.”—Booklist, on *The Venetian Betrayal* “[An] amazing blend of suspense and history . . . [Readers] cannot go wrong with Cotton Malone.”—Library Journal, on *The Paris Vendetta* “A superbly paced novel of mystery and adventure . . . [Berry’s] love of history resonates throughout this lively and imaginative tale.”—The Denver Post, on *The Jefferson Key* “A Dan Brown-ian secular conspiracy about the Virgin Queen driving nonstop international intrigue.”—Kirkus Reviews, on *The King’s Deception*
