In The Program and The Treatment, Sloane and James believe their love is strong enough to withstand anything. But what happens to love without memories? But can one girl take on so many identities without losing her own? In The Adjustment and The Complication, Tatum must fight to get her boyfriend Weston to remember her after his stint in The Program. Her path to the truth will bring them all together—Sloane, Quinlan, Tatum—in one shocking conclusion to the series.

*The Recovery* Suzanne Young, 2015-02-24 Realm hopes that with each past he helps to recover, he'll be able to reclaim a small bit of his own in this spinoff story to Suzanne Young's bestselling duology, The Program and The Treatment. Six months after the fall of The Program, ex-handler Michael Realm is struggling with his guilt. After all, he was instrumental in erasing the memories of several patients—including one he claimed to love. With a lifetime of regret stretched before him, Realm vows to set things right. Along with his friend (yes, friend) James Murphy, Realm will track down those he's hurt in an attempt to give them back their lives—starting with Dallas Stone. He's not looking for forgiveness or redemption; he's not a hero. But helping others may be the only way to save himself.

**The Program & The Treatment** Suzanne Young, 2016-05-17 Suzanne Young's New York Times bestselling duology The Program and The Treatment—which Booklist called “a fast-paced story that combines an intriguing premise, a sexy romance, and a shifting landscape of truth” in a starred review—are now available together in a collectible boxed set! From New York Times bestselling author Suzanne Young comes a duology set in a chilling world where teen suicide has become an epidemic—and the Program is the only solution. In The Program, Sloane and her boyfriend, James, fight to stay out of a

government facility that “cures” teen depression by erasing their memories. Their story continues in *The Treatment* as the couple tries to escape from the Program while untangling all the secrets and lies that surround them.

**The Remedy** Suzanne Young, 2023-11-14 Seventeen-year-old Quinn provides closure to grieving families by taking on the short-term role of a deceased loved one, until huge secrets come to the surface about Quinn's own past.

**The Program Collection (Boxed Set)** Suzanne Young, 2023-11-14 Suzanne Young's complete New York Times bestselling Program series—which Booklist called “a fast-paced story that combines an intriguing premise, a sexy romance, and a shifting landscape of truth” in a starred review—is now available in a hardcover boxed set with a reimagined look! With teen suicide now an international epidemic, all adolescents are under constant scrutiny, with any change in mood landing them in *The Program*, the uncompromising “treatment” that returns patients as shadows of their former selves—blank slates with no memory of their depression...or anything else. What can be done when cures are just as brutal as the disease? Even the Adjustment, meant to undo *The Program*'s damage with an influx of donated memories, leaves teens at odds with themselves. Still, there are some determined to fight back. Sloane and James hope their love can survive stolen memories in *The Program* and *The Treatment*. Quinn's adventures as a closer—someone who spends her life playing the role of the recently deceased to give their families closure—show how *The Program* came to be in *The Remedy* and *The Epidemic*. This thrilling hardcover boxed set includes: *The Program* *The Treatment* *The Remedy* *The Epidemic* *The Adjustment* *The Complication*

*The Program* Suzanne Young, 2013-04-30 The first book in Suzanne Young's New York Times bestselling series is a “gripping tale for lovers of dystopian romance” (Kirkus Reviews) about two teens in a world where true feelings are forbidden, teen suicide is an epidemic, and the only solution is *The Program*—now with a freshly reimagined look. Sloane knows better than to cry in front of anyone. With suicide now an international epidemic, one outburst could land her in *The Program*, the only proven course of treatment. Sloane's parents have already lost one child; Sloane knows they'll do anything to keep her alive. She also knows that everyone who's been through *The Program* returns as a blank slate. Because their depression is gone—but so are their memories. Under constant surveillance at home and at school, Sloane puts on a brave face and keeps her feelings buried as deep as she can. The only person Sloane can be herself with is James. He's promised to keep them both safe and out of treatment, and Sloane knows their love is strong enough to withstand anything. But despite the promises they made to each other, it's getting harder to hide the truth. They are both growing weaker. Depression is setting in. And *The Program* is coming for them.

*The Epidemic* Suzanne Young, 2023-11-14 After uncovering a web of deceit that shatters her sense of self, Quinlan McKee embarks on a relentless quest for the truth and stumbles upon a horrifying conspiracy as she learns of an unstoppable

impending epidemic.

*In Nightfall* Suzanne Young, 2023-03-28 In the quaint town of Nightfall, Oregon, it isn't the dark you should be afraid of—it's the girls. The Lost Boys meets Buffy the Vampire Slayer in this propulsive novel from the New York Times bestselling author of *The Treatment*. Theo and her brother, Marco, threw the biggest party of the year. And got caught. Their punishment? Leave Arizona to spend the summer with their grandmother in the rainy beachside town of Nightfall, Oregon—population 846 souls. The small town is cute, when it's not raining, but their grandmother is superstitious and strangely antisocial. Upon their arrival she lays out the one house rule: always be home before dark. But Theo and Marco are determined to make the most of their summer, and on their first day they meet the enigmatic Minnow and her friends. Beautiful and charismatic, the girls have a magnetic pull that Theo and her brother can't resist. But Minnow and her friends are far from what they appear. And that one rule? Theo quickly realizes she should have listened to her grandmother. Because after dark, something emerges in Nightfall. And it doesn't plan to let her leave.

*The Adjustment* Suzanne Young, 2017-04-18 Two teens struggle to recapture their love after one of them goes through The Program in this gut-wrenching fifth book in Suzanne Young's New York Times bestselling series—now with a reimagined look. Tatum Masterson never went through The Program. She never had her memory stripped, never had to fight to remain herself. But Weston, her longtime boyfriend and love of her life, did. Even as he was taken by handlers, Tatum hoped he'd remember her somehow—that their love would be strong enough. It wasn't. Like all returners, Weston comes back a blank canvas. The years he and Tatum spent together are forgotten, as well as the week he mysteriously disappeared before The Program came for him. Still, Tatum fights to get Weston to remember her. They start to build a new love, then they hear about the Adjustment—a new therapy that implants memories from a donor. Despite the risks, Tatum donates her memories from their time together so Weston can remember what he lost. But memories are all a matter of perspective. Weston only has one side of their love story, and his emotions don't match his borrowed experiences. The heartbreaking, mind-bending discrepancy slowly unravels him, causing more damage than The Program itself. As their new life together feels more untenable, Tatum will have to decide if she loves Weston enough to let him go.

*The Epidemic* Suzanne Young, 2016-04-19 Can one girl help others find closure by slipping into the identities of their loved ones? Find out in this riveting sequel to *The Remedy* and companion to the New York Times bestselling *The Treatment* and *The Program*. In a world before The Program... Quinlan McKee has spent her life acting as other people. She was a closer—a person hired to play the role of the recently deceased in order to give their families closure. Through this process, Quinn learned to read people and situations, even losing a bit of herself to do so. But she couldn't have guessed how her last case would bring down her entire world. The only person Quinn trusts is Deacon, her best friend and the love of her life. Except Deacon's been keeping secrets of his own, so Quinn must set out alone to find Arthur Pritchard, the doctor who's

been trying to control her life. The journey brings Quinn to Arthur's daughter, Virginia, who tells Quinn the truth about Pritchard's motives. The former closer will start to see that she is the first step in fighting an epidemic. But Quinlan doesn't want to be a cure. And with all the lies surrounding her, she realizes she has no one left to rely on but herself—even if she doesn't know who that is anymore.

**The Adjustment** Suzanne Young, 2017 How do you go back to a life you can't remember? Find out in this follow up to the New York Times bestselling *The Program* and *The Treatment*. Tatum Masterson never went through *The Program*. She never had her memory stripped, never had to fight to remain herself. But when Weston, her longtime boyfriend and love of her life, was taken by handlers, she hoped he'd remember her somehow—that their love would be strong enough. It wasn't. Like all returners, Weston came back a blank canvas. The years he and Tatum spent together were forgotten, as well as the week when he mysteriously disappeared before *The Program* came for him. Regardless of his memory loss, Tatum fights to get Weston to remember her. And just as they start to build a new love, they hear about the Adjustment—a new therapy that implants memories from a donor. Despite the risks, Tatum and Weston agree to go through the process. Tatum donates her memories from their time together. But the problem with memories is that they are all a matter of perspective. So although Weston can now remember dating Tatum, his emotions don't match the experiences. And this discrepancy is slowly starting to unravel him, worse than anything *The Program* could have done. And as the truth of their life together becomes clear, Tatum will have to decide if she loves Weston enough to let him go, or to continue to live the lie they'd build together. Prepare for your Adjustment.
