

The Woods Are Dark

Henry Morton Stanley

Woods are Dark - an Intense and Thrilling Horror Novel Richard Laymon,1991

The Woods are Dark Richard Laymon,2006 A group of deformed, cannibalistic, humanoid creatures live in the woodsas some unlucky travelers are about to find out.

In the House in the Dark of the Woods Laird Hunt,2025-04-08 The eerie, disturbing story of one of our perennial fascinations -- witchcraft in colonial America -- wrapped up in a lyrical novel of psychological suspense. Once upon a time there was and there wasn't a woman who went to the woods. In this horror story set in colonial New England, a law-abiding Puritan woman goes missing. Or perhaps she has fled or abandoned her family. Or perhaps she's been kidnapped, and set loose to wander in the dense woods of the north. Alone and possibly lost, she meets another woman in the forest. Then everything changes. On a journey that will take her through dark woods full of almost-human wolves, through a deep well wet with the screams of men, and on a living ship made of human bones, our heroine may find that the evil she flees has been inside her all along. In the House in the Dark of the Woods is a novel of psychological horror and suspense told in Laird Hunt's characteristically lyrical prose style. It is the story of a bewitching, a betrayal, a master huntress and her quarry. It is a story of anger, of evil, of hatred and of redemption. It is the story of a haunting, a story that makes up the bedrock of American mythology, told in a vivid way you will never forget.

Old Dark (Book 1) Michael La Ronn,2016-08-13 He's a supreme dragon lord at the height of his power, but there's a conspiracy brewing. Old Dark is a viperous dragon lord who rules the world with brute force. For two hundred years, he and his dragons have terrorized humanity, forcing it to pay tribute or die. Dark's palace of blood and bone sits on caverns of treasure. He's stockpiled all the world's magic for his own personal use, making him akin to a god. There is another dragon in Dark's inner circle who wants Dark's power and fortune for himself. And if Dark doesn't stop his own overthrow, he'll suffer a fate far worse than death. But Dark won't fall easily. There's a reason the ancients called him Dark the Wicked... Old Dark is a different kind of dark fantasy, told through the eyes of a blood-thirsty dragon. Readers who like antiheroes, the Age of Fire series, and Smaug from Lord of the Rings will love this heart-pounding story of power, revenge, and true evil. V1.0

DARK MOON Lindsay Longford,2014-11-15 Two against the world Hoping to shake the evil that had been haunting him, Ryder Hayes escaped to the town he'd once called home...only to find that the terror had followed him. His only hope was Josie Birdsong Conrad. This beautiful woman unknowingly held the psychic power he needed to defeat the madness he had accidentally unleashed upon the world. But Josie was fighting demons of her own. Her beloved only child had disappeared—abducted without a clue. She could sense the danger that surrounded Ryder...inexplicably attracting her, and confusing her. Was he the man who could help save her child? Or was Ryder the ultimate danger in disguise?

Dark Star Alan Furst,2008-12-10 Paris, Moscow, Berlin, and Prague, 1937. In the back alleys of nighttime Europe, war is already under way. André Szara, survivor of the Polish pogroms and the Russian civil wars and a foreign correspondent for Pravda, is co-opted by the NKVD, the Soviet secret intelligence service, and becomes a full-time spymaster in Paris. As deputy director of a Paris network, Szara finds his own star rising when he recruits an agent in Berlin who can supply crucial information. Dark Star captures not only the intrigue and danger of clandestine life but the day-to-day reality of what Soviet operatives call special work.
