Unfortunately, his half-brother, Dator, does not share the same traits and is preparing to carry out an evil plan. Dator is hatching a plot to kill King Alez so that he can step up to the throne. With help from a false holy man, Dator tricks his brother, leaves him for dead, claims the throne, and begins a reign of terror. But what he does not know is that King Alez is still alive, thanks to the Lord who sent dwarves to his rescue. Now as the king travels to reclaim his crown, the Lord brings animals, dwarves, elves, men and women, and legends to life to aid him in his quest. But as he continues a magical journey that epitomizes the power of faith, King Alez is unaware that other enemies are hiding in the shadows, waiting for the right moment to pounce. In this Christian fantasy tale, after a king is tricked by his brother and left for dead he recruits both humans and magical creatures to help him on his march to reclaim

The Alchemancer Box Set (Books 1-3) Scott Marlowe, 2023-07-28 Elemental magic consumes the world and only a sorcerer's apprentice who knows nothing about magic can stop it. The Alchemancer series begins. When a mad savant merges science with sorcery to unleash the five elemental forces of the universe, the fiefdom of Seacea pays the price. None more so than Aaron Shepherd, Shanna Bonnerman, and Serena Walkerton, who must save each other first if they've any hope of reining in the destructive energies unleashed on the world. This boxset includes the first three books in The Alchemancer series: 1. *Engines of Alchemancy* Separated when their home is laid waste by an elemental attack, Aaron, Shanna, and

Serena individually learn of the Fifth Element, a mystery that draws them back together and into a final confrontation not as allies but as adversaries. 2. *The Nullification Engine* The city of Brighton promises new beginnings for Aaron, Serena, and Ensel Rhe. But when Aaron and Serena are arrested, they find their fates once again uncertain. Until they are introduced to the Nullification Engine, an ancient machine completed hundreds of years ago but never activated until now. 3. *The Inversion Solution* Brighton is in chaos, but Aaron soon realizes much more is at stake than just one city. Meanwhile, Serena and Ensel Rhe's daughter, Jakinda Rhe, must face the most sinister enemy of all if they've any hope of discovering the inversion solution.

The Odd Sea - Chronicles of the Dawnblade Book3 Andrew Claydon,2023-06-05 Just because you're chosen, doesn't mean you want to be. Thanks to the dubious gratitude of a Deity, Nicolas Percival Carnegie is now stranded on an island in the middle of the ocean. But before despair can take hold - for his companions at least - rescue appears in the form of the enigmatic Captain Roberto Ramirez. Longing to simply go home and forget about notions like adventuring, Nicolas finds his salvation bittersweet; a princess has been kidnapped and war looms on the horizon. It isn't his country, or his princess, yet his dreams of a quick homecoming have to be put on hold when the seas could run red with blood any day now. Nicolas may find his sea legs just in time for them to quake in fear as he learns exactly how dangerous the ocean can be. And soon enough, being stranded on an island may not seem that bad after all.

The Inversion Solution Scott Marlowe,2023-04-18 The city of Brighton is in chaos. Infernal science inverted half the population. The other half fights for survival. The Alchemancer series continues. Half of Brighton's population paid the price when Aaron failed to stop the Nullification Engine. The situation worsens when eslar invaders, led by Ensel Rhe's brother-in-law, Balrabbek, arrive in Brighton intent on completing Ingrid Kane's work. Forced into an alliance with them, Aaron soon realizes the engine's effect went well beyond the city's borders and that much more is at stake than he ever imagined. When Ensel Rhe learns of Balrabbek's arrival, he wants nothing more than to take revenge on him for the murder of his son. But his brother-in-law's deceit and his ambitions went much further than he thought. Now, he must end those ambitions, no matter the cost. Meanwhile, Serena flees from the chaos consuming Brighton, only to find that escape is a fleeting thing as her inability to control her magic continues to haunt her. When she learns of the Griffin's mission to retrieve the secrets of a lifesaving vitality serum, she sees it as a way to save both her people and herself. Arranged by story type, these are tales that can be used in the classroom and library, as a springboard for cultural comparisons and discussion of how wisdom is shared between generations, and how elders contribute to and are perceived by various societies. It is also a fine resource for storytellers performing in senior centers, assisted living facilities, and nursing homes. Think folk and fairy tales are all about mischievous animals, beautiful princesses, and handsome princes? Think again. One of the most prominent themes in folklore is that of the strength and role of the elders, a theme that deserves revisiting today. This collection gathers traditional folktales from around the world to celebrate the wisdom, courage, and even the follies of elders. Arranged by story type, these are tales that can be used in the classroom and library, as a springboard for cultural comparisons and discussion of how wisdom is shared between generations, and how elders contribute to and are perceived by various societies.

Crowfall Ed McDonald, 2019-07-02 In the third gritty installment of the Raven's Mark series, Blackwing Captain Ryhalt Galharrow finds that all power comes with a price... A sorcerous cataclysm has hit the Range, the final defensive line between the republic and the immortal Deep Kings. Tormenting red rains sweep the land, new monstrosities feed on fear in the darkness, and the power of the Nameless, the gods who protect the republic, lies broken. The Blackwing captains who serve them are being picked off one by one, and even immortals have learned what it means to die. Meanwhile, the Deep Kings have only grown stronger, and they are poised to deliver a blow that will finally end the war. Ryhalt Galharrow stands apart from it all. He has been deeper into the wasteland known as the Misery than ever before.
