Debrett's Complete Peerage of the United Kingdom of Great Britain and Ireland John Debrett, 1838

Dark Aeon Joe Allen, 2023-08-29 Humanity Is Consumed by Relentless Transformation Like a thief in the night, artificial intelligence has inserted itself into our lives. It makes important decisions for us every day. Often, we barely notice. As Joe Allen writes in this groundbreaking book, “Transhumanism is the great merger of humankind with the Machine. At this stage in history, it consists of billions using smartphones. Going forward, we’ll be hardwiring our brains to artificial intelligence systems.” The world-famous robot, Sophia, symbolizes a rising techno-religion. She takes her name from the goddess—or Aeon—whose fall from grace is described in the Gnostic Gospels. With an academic background in both science and theology, Allen confronts the paradox of what he calls “good people constructing a digital abomination.” Dark Aeon is nothing less than a cri de coeur for humanity itself. He takes us on a roller coaster ride through history and the emergence of Scientism, and from government-mandated mRNA vaccines to the weird visions of cyborg billionaires like Elon Musk. From Silicon Valley to China, these globalists’ visions of humanity’s future, exposed and described in Dark Aeon, are dire and terrifying. But Joe Allen argues that humanity’s salvation is within our grasp. Only if we refuse to avert our eyes from the impending twilight before us.

A Biographical Encyclopedia of Early Modern Englishwomen Carole Levin, Anna Riehl Bertolet, Jo Eldridge Carney, 2016-11-03 From the exemplary to the notorious to the obscure, this comprehensive and innovative encyclopedia showcases the worthy women of early modern England. Poets, princesses, or pirates, the women found in these pages are indeed worth knowing and this volume will introduce many female figures to even the most established scholars in the field. The book is well illustrated and liberally sprinkled with quotations either by or about the women in the text.

Monologues Gregory L Hudson,2008-12-17 Monologues by Gregory L. Hudson is a compilation of thirty-two monologues from some of his most profound stage plays, films and television pilots. The literary works that these monologues were chosen from are socially relevant, provocative and reflects the good and bad aspects of society. Each monologue is different from the next and provides a unique challenge to actors of all levels. The characters are as varied as the colors in a rainbow and can be exceptionally witty like the homeless but optimistic character Lee Willie in Vagabond Love; or outrageously funny and likeable character Bojack in No Harm, No Foul; to the down right mean female correction officer Hurt character who doesn't feel that women garner respect in Bronx House; or the respected and deceptive racist bank manager Mr. Wallis whose main objective is to maintain the status quo of segregation in the deep south in A Piece Of My Dream. Other fun characters includes, the slick, smooth talking pastor in A Piece of My Dream (the Movie); the grimy lawyer Mr. Crooks in The Plaintiff; the lovable homeless character Abigail in Vagabond Love; the wacky, over the top judge who fancys himself as the sheriff, mayor, judge and everything else in No Harm, No Foul, to the zany, flaming gay choreographer in the T.V. pilot Buck Wild and more. The monologues are different, rich in unique dialogue and range from one to five minutes in length.

Genealogy of the Waldo Family ,1902

Showtime Gregory L. Hudson,2011-03 SHOWTIME is the follow-up book to Monologues: Dramatic Monologues For Actors. It contains 16 hilarious comedic scenes for two actors that range from one to ten minutes in length. All of the scenes are original and are taken from selected plays, films, and television pilots from Gregory's body of work. Like Monologues, SHOWTIME was written to fill a much needed void for comedic scenes for black and minority actors; although this book was written for actors of all races. There are the many unique characteristics in this book that separates it from similar books. The characters can be performed by anyone and there are plenty of scenes for males and females, males and older males and younger males, and so on. There are scenes that are appropriate for middle school actors all the way to professional actors. It is the perfect book to produce a show consisting of short comedic scenes for two actors. Also, it is the perfect book for directing funny scenes or shows at high school, colleges, or professional level. SHOWTIME was written to be a comedic actor and director's dream. The characters in each scene allow the actors to explore a different character

through: researching, exploring, and understanding the motivation and objective necessary to bring the character to life. For the director, it allows him/her to utilize, enhance, broaden, and develop many of their skills necessary for directing full-scale productions. As a literary resource for educators, SHOWTIME includes: a chapter on vernacular, commonly used vernacular terms, a chapter on copyright infringement, a chapter on stage terminology, a chapter on film/television terminology and more. It is an excellent resource to teach: acting, scene study, and character development. SHOWTIME is original, the characters are diverse, very funny and lots of fun for acting, directing, or teaching.
