Thirteen Reasons why Jay Asher,2008 When high school student Clay Jenkins receives a box in the mail containing thirteen cassette tapes recorded by his classmate Hannah, who committed suicide, he spends a bewildering and heartbreaking night crisscrossing their town, listening to Hannah's voice recounting the events leading up to her death.

13 Reasons Why NOT to Kill Yourself Lisa Hanson,2022-05-10 This Is Your Anti-Suicide Note... I'm writing this note to YOU because I want you to know your life has great value. There are many books about preventing suicide, but few are written for those who want to commit suicide. This book is that book. This is a direct note to YOU...your anti-suicide note. Maybe you've been abandoned, abused, mocked, or humiliated. Perhaps you have sunk so low into despair that you think there's no way to overcome what you are feeling. Feeling helpless, broken, abused, or unwanted is terrible, BUT you are not alone. Many have felt this way and overcame it. You can overcome too. I've been through pain as well, and that's how I KNOW there is hope for you. I'm not sharing tips or strategies. This is a note from my heart to yours because I care about your life very much. Things will get better. God wanted me to write this book for you. To show you that you have a purpose. He has a plan for you. Even if you don't know HIM. May your heart be open, your mind healed, and your life long. I hope you will write to me and tell me: I chose LIFE. You are greatly loved, Lisa Hanson

THIRTEEN REASONS WHY YOU SHOULD KEEP LIVING Edward D. Andrews, Heather Freeman, 2017-07-04

Youth and Suicide in American Cinema Alessandra Seggi, 2022-10-27 This book explores the depiction of suicide in American youth films from 1900 to 2019. Anchored in Sociology, this multidisciplinary study investigates the causes and consequences of suicide and uncovers the socio-cultural context for the development of youth, film, and suicide. While such cinematic portrayals seem to privilege external explanations of suicide versus internal or psychological ones, overall they are neither rich nor sensitive. Most are simplistic, limited or at the very least unbalanced. At times, they are flatly controversial. In light of this overall problematic depiction of suicide, this book offers a proactive approach to empower young audiences—a media literacy strategy to embrace while watching these films.
