The Ethnography of Reading at Thirty Matthew Rosen, 2023-11-23 This edited volume examines what the classic text *The Ethnography of Reading* (Boyarín ed., 1993), and the diverse ethnographies of reading it helped inspire, can offer contemporary scholars interested in understanding the place of reading in social life. *The Ethnography of Reading at Thirty* brings together new research and critical reflections from an international and interdisciplinary group of scholars who have kept their ears tuned to the voices in and around the texts they encountered and constructed in the process of bringing the ethnography of reading into the twenty-first century. Rather than operating from universalist assumptions about how people

interact with and make meaning from written texts, each of the present contributors draw in one way or another on the theoretical, methodological, and creative legacies of *The Ethnography of Reading*. Under the broad umbrella of ethnographic reader studies, they collectively explore new relations between texts, social imagination, and social action.

Refraxions Abijit Radhakrishna, 2025-06-21 *Refraxions* brings together fiction, poetry, and nonfiction that resist easy labels. As the successor to the Contemporary Poetry & Prose series, this anthology continues to offer space for voices that need to be heard. There's no single theme holding it together, only a quiet urgency that runs through each piece. What connects them is not uniformity, but the freedom to speak in their own terms.

The Do-Over Lynn Painter, 2024-03-28 FROM THE BESTSELLING AUTHOR OF *BETTER THAN THE MOVIES!* Emilie has the worst Valentine's Day ever—only to relive it over and over again. Perfect riotous romantic YA fiction where *50 First Dates* meets *Groundhog Day*. After living through a dumpster fire of a Valentine's Day, Emilie escapes to her grandmother's house for some comfort and a consolation pint of Ben & Jerry's. She passes out on the couch, but when she wakes up, she's back home in her own bed—and it's Valentine's Day all over again. And the next day? Another nightmare V-Day. Emilie is stuck in some sort of time loop nightmare that she can't wake up from as she re-watches her boyfriend, Josh, cheat on her day after day. Not only that but Emilie can't get away from the enigmatic Nick, who she keeps running into—sometimes literally—in unfortunate ways. How many days can one girl passively watch her life go up in flames? And when something good starts to come out of these terrible days, what happens when the universe stops doling out do-overs? When seventeen-year-old Bailey starts a new job at a hotel waterpark, she is less than thrilled to see an old acquaintance is one of her coworkers. The League of Gentlewomen Witches India Holton, 2022-03-15 "As much fun as the English language will permit."—New York Times Book Review on *The Wisteria Society of Lady Scoundrels* Just when you thought it was safe to go back into the teahouse. . . . Miss Charlotte Pettifer belongs to a secret league of women skilled in the subtle arts. That is to say—although it must never be said—witchcraft. The League of Gentlewomen Witches strives to improve the world in small ways. Using magic, they tidy, correct, and manipulate according to their notions of what is proper, entirely unlike those reprobates in the Wisteria Society. When the long lost amulet of Black Beryl is discovered, it is up to Charlotte, as the future leader of the League, to make sure the powerful talisman does not fall into the wrong hands. Therefore, it is most unfortunate when she crosses paths with Alex O'Riley, a pirate who is no Mr. Darcy. With all the world scrambling after the amulet, Alex and Charlotte join forces to steal it together. If only they could keep their pickpocketing hands to themselves! If Alex's not careful, he might just steal something else—such as Charlotte's heart.
