

# Beyond That The Sea

Léo Pomar

**Beyond That, the Sea** Laura Spence-Ash,2024-05-07 "Spence-Ash has written the novel in eight points of view, but each character is utterly three-dimensional and distinct. This debut novel captivated me from start to finish. —Julia Quinn, author of the Bridgerton Series A sweeping, tenderhearted love story, Beyond That, the Sea by Laura Spence-Ash tells the story of two families living through World War II on opposite sides of the Atlantic Ocean, and the shy, irresistible young woman who will call them both her own. As German bombs fall over London in 1940, working-class parents Millie and Reginald Thompson make an impossible choice: they decide to send their eleven-year-old daughter, Beatrix, to America. There, she'll live with another family for the duration of the war, where they hope she'll stay safe. Scared and angry, feeling lonely and displaced, Bea arrives in Boston to meet the Gregorys. Mr. and Mrs. G, and their sons William and Gerald, fold Bea seamlessly into their world. She becomes part of this lively family, learning their ways and their stories, adjusting to their affluent lifestyle. Bea grows close to both boys, one older and one younger, and fills in the gap between them. Before long, before she even realizes it, life with the Gregorys feels more natural to her than the quiet, spare life with her own parents back in England. As Bea comes into herself and relaxes into her new life—summers on the coast in Maine, new friends clamoring to hear about life across the sea—the girl she had been begins to fade away, until, abruptly, she is called home to London when the war ends. Desperate as she is not to leave this life behind, Bea dutifully retraces her trip across the Atlantic back to her new, old world. As she returns to post-war London, the memory of her American family stays with her, never fully letting her go, and always pulling on her heart as she tries to move on and pursue love and a life of her own. As we follow Bea over time, navigating between her two worlds, Beyond That, the Sea emerges as a beautifully written, absorbing novel, full of grace and heartache, forgiveness and understanding, loss and love.

Beyond That, the Sea Laura Spence-Ash,2023 Spence-Ash has written the novel in eight points of view, but each character is utterly three-dimensional and distinct. This debut novel captivated me from start to finish. --Julia Quinn, author of the Bridgerton Series A sweeping, tenderhearted love story, Beyond That, the Sea by Laura Spence-Ash tells the story of two families living through World War II on opposite sides of the Atlantic Ocean, and the shy, irresistible young woman who will call them both her own. As German bombs fall over London in 1940, working-class parents Millie and Reginald Thompson make an impossible choice: they decide to send their eleven-year-old daughter, Beatrix, to America. There, she'll live with

another family for the duration of the war, where they hope she'll stay safe. Scared and angry, feeling lonely and displaced, Bea arrives in Boston to meet the Gregorys. Mr. and Mrs. G, and their sons William and Gerald, fold Bea seamlessly into their world. She becomes part of this lively family, learning their ways and their stories, adjusting to their affluent lifestyle. Bea grows close to both boys, one older and one younger, and fills in the gap between them. Before long, before she even realizes it, life with the Gregorys feels more natural to her than the quiet, spare life with her own parents back in England. As Bea comes into herself and relaxes into her new life--summers on the coast in Maine, new friends clamoring to hear about life across the sea--the girl she had been begins to fade away, until, abruptly, she is called home to London when the war ends. Desperate as she is not to leave this life behind, Bea dutifully retraces her trip across the Atlantic back to her new, old world. As she returns to post-war London, the memory of her American family stays with her, never fully letting her go, and always pulling on her heart as she tries to move on and pursue love and a life of her own. As we follow Bea over time, navigating between her two worlds, *Beyond That, the Sea* emerges as a beautifully written, absorbing novel, full of grace and heartache, forgiveness and understanding, loss and love.

*Records of British Colonies and Enterprise Beyond Sea* Saxe Bannister, 1852

**Beyond the Sea** Paul Lynch, 2024-03-26 A haunting story of two men stranded at sea pushing against their limits to stay alive, by the Booker Prize-winning author of *Prophet Song*. Paul Lynch's haunting and sublime novel *Beyond the Sea* tells the story of two South American fishermen, Bolivar and Hector, who go to sea before a catastrophic storm, despite warnings. The storm arrives, and though the two men survive, they are blown hundreds of miles out into the Pacific Ocean, with little hope of rescue. Coming to terms with their new reality, the men are forced to accept their separation from the modern world, their sudden and inescapable intimacy, and the limits of hope, survival, and faith. Part gripping survival story, part fearless existential parable, *Beyond the Sea* is a meditation on what it means to be a man, a friend, a father, and a sinner in our fallen world. With searing, evocative prose, Paul Lynch crafts a mythic drama that refuses sentimentality and easy answers. Instead *Beyond the Sea* is a hard-won and intimate rendering of the extremes of human life, both physical and mental. It is an ambitious and profoundly moving story. Praise for *Beyond the Sea* [This] stark, mesmerizing book reads like an existential argument between [life's] irreconcilable truths, a Beckett play bobbing in the open water. . . . This fine book contains multitudes of experience. —Sam Sacks, *The Wall Street Journal* An epic with, as epics should have, more than a touch of poetry about it, and possibly the grimmest, but also most beautifully written, novel set at sea that I have read since William Golding's *Pincher Martin*. —Andrew Stuttaford, *New Criterion* A lucid, lyrical tale. . . . Lynch's spare and precise novel has a detached, almost mythical quality. — *The Irish Times*

**Gladstone 1809-1898** H. C. G. Matthew,1997-10-23 William Ewart Gladstone was both the most charismatic and the most extraordinary of Victorians. His huge public career - in and out of office from 1834 to 1894 and four times prime minister - was consistently controversial and dramatic. His private life was a most curious blend of happiness and temptation. His Christian faith held the extremes of his character in sufficient harmony to avoid disintegration and to produce one of the most powerful political personalities in British history. H. C. G. Matthew's writings on Gladstone are generally acknowledged to have transformed understanding of the 'Grand Old Man' of British Politics, and indeed his whole age. Appearing first as Introductions to his definitive edition of The Gladstone Diaries, they have been revised and made available in this volume, collected together in paperback for the first time. Gladstone 1809-1874: 'It deserves to become a classic of the genre' Illustrated London News 'For any aficionado of the high politics - and low life - of the nineteenth century, this book is a must' Observer 'the most sensitive and informed insight to date' English Historical Review Gladstone 1875-1898 (winner of the Wolfson History Prize 1995): 'Rarely can a single scholar have re-mapped a whole historical territory so grandly as H. C. G. Matthew has done in the case of Gladstone in particular and of Victorian politics and culture in general' English Historical Review
