From the Preface by Mike Ovey

Dirty Words in Deadwood Melody Graulich, Nicolas S. Witschi, 2020-02-17 Dirty Words in Deadwood showcases literary analyses of the Deadwood television series by leading western American literary critics. Whereas previous reaction to the series has largely addressed the question of historical accuracy rather than intertextuality or literary complexity, Melody Graulich and Nicolas S. Witschi's edited volume brings a much-needed perspective to Deadwood's representation of the frontier West. As Graulich observes in her introduction: With its emotional coherence, compelling characterizations, compressed structural brilliance, moral ambiguity, language experiments, interpretation of the past, relevance to the present, and engagement with its literary forebears, Deadwood is an aesthetic triumph as historical fiction and, like much great literature, makes a case for the humanistic value of storytelling. From previously unpublished interviews with series creator David Milch to explorations of sexuality, disability, cinematic technique, and western narrative, this collection focuses on Deadwood as a series ultimately about the imagination, as a verbal and visual construct, and as a literary masterpiece that richly rewards close analysis and interpretation.

Academic Libraries for Commuter Students Mariana Regalado, Maura A. Smale, 2018-05-21 With its emphasis on qualitative research, this book will help readers learn what commuter students really need from academic libraries.

Going Home Through Seven Paths to Nowhere Katalin G. Kállay, 2003 This book is one of those rare combinations of

intellectual brilliance, stylistic clarity, and sheer verve. The book contains a series of major works of American short fiction by Edgar Allan Poe, Nathaniel Hawthorne, Herman Melville, and Henry James as occasions for a mode of reading in which the readers aim is to establish an intimate relationship with the special arrangement of words in a text, governed by a trust in a happy coincidence of moments in which one might recognize the words relevance to ones life. Dr. Kllay calls this a good encounter, a term she adopts from the writings of philosopher Stanley Cavell. In her detailed, theoretical introduction, Dr. Kllay lays bare her scholarly debt, primarily to the writings of Cavell himself and to the work of literary critic Wolfgang Iser, as she further develops and clarifies the idea of the good encounter. Here she identifies the good encounter with a particular trope, which appears within the tales themselves, and which also

What Is Compersion? Marie Thouin,2024-06-10 What is compersion? Is it the “opposite” of jealousy, as it is usually believed? Is it an emotion or a behavior? What causes it to arise and bloom? Can we “learn” compersion or invite more of it into our lives? Based on her seminal research with consensually non-monogamous (CNM) individuals, Dr. Marie Thouin unravels these questions and more in the first-ever book to offer a comprehensive model of compersion and a practical road map to cultivating it. Each chapter features compelling stories from real CNM people, making this a captivating and highly applicable read. In addition, Thouin addresses the broader social context, explaining how understanding compersion is a groundbreaking step toward a world that supports relational diversity and freedom. By disrupting the idea that jealousy is the only valid response to intimacy beyond monogamy, the existence and practice of compersion builds the foundation for a completely new paradigm of loving relationships. This book and its conclusions have profound implications for many fields of study and practice including psychology, sexuality studies, philosophy and ethics, and law. Indispensable for CNM individuals, therapists, counselors, and scholars, this book is also invaluable for anyone curious to learn about positive empathy, intentional relationships, and radical love.

Home Bound Yen Le Espiritu,2003-05-05 In this highly original and inspired book, Espiritu bursts the binaries and shows us how the tensions of race, gender, nation, and colonial legacies situate contemporary transnationalism. Conceptually rich and empirically grounded, Home Bound blurs the borders of sociology and cultural studies like no other book I know. Kudos to Espiritu for this boundary-breaking tour de force!—Pierrette Hondagneu-Sotelo, author of *Domestica: Cleaning and Caring in the Shadows of Affluence* A singular achievement. Not only does it cast light on the deep historical entanglements of immigration and imperialism, citizenship and race, and gender and subjectivity in the United States, but by highlighting the varied voices of Filipino Americans, it also calls attention to their creative potential to make a home under some of the most inhospitable conditions. Theoretically rich, empirically grounded, and lucidly written, this book marks a major advance in our attempts to understand the 'specter of migration' haunting the world today.—Vicente L. Rafael, author of *White Love*

and Other Events in Filipino History Home Bound combines excellent ethnography of the Filipino experience in the U.S. with a brilliant and devastating critique of traditional scholarship on immigration. Espiritu's analysis of how the vectors of identity articulate with one another is particularly cutting-edge.—Sarah J. Mahler, author of *American Dreaming: Immigrant Life on the Margins* Using a critical transnational, feminist, and historical perspective, Espiritu insightfully and sensitively analyzes the meaning of home, community, friendship, love, and family for Filipino Americans. In the process, she unveils what these immigrants can tell us about gender, race, politics, economics, and culture in the United States today.—Diane L. Wolf, author of *Factory Daughters: Gender, Household Dynamics, and Rural Industrialization in Java* Espiritu makes an outstanding contribution to our appreciation of the dynamics of immigrant cultures within the political economy of transnationalism.—Lisa Lowe, author of *Immigrant Acts: On Asian American Cultural Politics*
