Edward Steere

A Concise English - Swahili Dictionary Kamusi Ya Kiingereza - Kiswahili R.A. Snoxall,1978

Kamusi Ya Kiingereza-Kiswahili David Phineas Bhukanda Massamba,1996 This massive authoritative Swahili dictionary, is the most definitive and comprehensive in existence. It has taken a team of lexicographers and academics fourteen years to prepare, with the support of the Institute of Kiswahili Research in Dar es Salaam. The last comparable edition was in 1939, and was primarily intended to help the user to comprehend English texts. The dictionary records new words and meanings of words which the language has acquired since 1939; and provides lexicographical information needed by current dictionary users. There are more than 50,000 entries, with an attempt to give every English word an equivalent in Swahili, or otherwise a phrase; and the vocabulary covers both general and specialized language. Guidance is provided on use and connotation, word formation and syntax, and derivatives and compounds of a headword are explicitly shown in each entry. The full information and arrangement given for each entry is: headword, homographs, wordclass, alternative spelling of a headword, cross-reference, gloss, definition, subject label, usage label, regional label, senses separated by numbers, illustrative examples, compounds, derivatives, and adjectival complementation.
