Can You Forget Your First Love? Himanshu Nandwani,2016-07-11 I am sure the title reminded you of someone. Maybe it brought a tiny smile on your face, remembering someone; maybe a flashback moment, which was definitely more than a moment that knocked your heart; maybe some frustration that crept in your mind, leaving some creases on your forehead; or maybe you just felt like ignoring it after the initial thought. Whatever the case may be, it simply means that it is still alive deep in your heart, maybe imprisoned by the walls of anger, hatred, ego or guilt—irrespective of your acceptance. Is it necessary to forget your first love? It is a question that arises in the minds of many. Some say yes, and some say no, while others just ignore it. Read the story, and I am sure you can relate to it, one way or another, and who knows, you might find an answer.

Behind Blue Eyes Anthony Superina, 2024-03-01 *Behind Blue Eyes* opens a window into a journey not just through time, but through the tapestry of life itself. Where do the threads of our stories begin? Perhaps a few years back in the blush of youth, or maybe in a distant decade, or even another century. This book isn't just a story; it's a revelation, an uncovering of beginnings and the surprising events that follow. Life, in its essence, is an unpredictable journey. We traverse its path without a map, uncertain of its duration, the people we'll meet, or the destinations we'll reach. Often, life cloaks itself in a veil of predictability, devoid of excitement and adventure. But as *Behind Blue Eyes* shows, beneath the surface lies a world brimming with unforeseen twists, exhilarating excitement, and adventures that exceed our wildest dreams – sometimes more than we might wish for. Yet, beneath all this is the poignant reminder that life is as fragile as it is fleeting. The unknown timeline of our existence adds a delicate urgency to every moment. Join us on this extraordinary real-life adventure, where the unimaginable becomes reality, the unbelievable is commonplace, and the astonishing is just part of the norm. *Behind Blue Eyes* invites you to embrace the rollercoaster of life, with all its highs and lows, in a narrative that promises to both surprise and deeply move you.

"A sweet and refreshing story about family, first love, and chasing your dreams. The way Coyiuto writes romance will completely sweep you away." —Dustin Thao, New York Times bestselling author of *You've Reached Sam*. Chloe knows what it takes to be the perfect Liang daughter—stay in Manila, study business management, and join the family company. Before she goes, her auntie insists on planning a traditional debut for Chloe's eighteenth birthday. And while a party with all her friends and family sounds like the perfect send-off, the huge production her auntie wants—complete with ball gowns and a choreographed dance number—makes Chloe want to pass out from stage fright. To make matters worse, her father, intent on finding Chloe the perfect escort for the party, keeps setting her up on one awkward kaishao—or arranged date—after another. Why does her dad suddenly care so much about her love life? And what happens when she actually starts to fall for one of the guys, only to have to leave at the end of the summer? At home in the Philippines, Chloe has her future all planned out for her. In America, nothing is certain. With a career in animation far from guaranteed, Chloe must decide if following her dreams is worth everything—and everyone—she'll be leaving behind.

Topology of Surfaces L.Christine Kinsey, 2012-12-06 . . . that famous pedagogical method whereby one begins with the general and proceeds to the particular only after the student is too confused to understand even that anymore. Michael Spivak This text was written as an antidote to topology courses such as Spivak It is meant to provide the student with an experience in geomet describes. ric topology. Traditionally, the only topology an undergraduate might see is point-set topology at a fairly abstract level. The next course the average stu dent would take would be a graduate course in algebraic topology, and such courses are commonly very homological in nature, providing quick access to current research, but not developing any intuition or geometric sense. I have tried in this text to provide the undergraduate with a pragmatic introduction to the field, including a sampling from point-set, geometric, and algebraic topology, and trying not to include anything that the student cannot immediately experience. The exercises are to be considered as an in tegral part of the text

and, ideally, should be addressed when they are met, rather than at the end of a block of material. Many of them are quite easy and are intended to give the student practice working with the definitions and digesting the current topic before proceeding. The appendix provides a brief survey of the group theory needed.

The Arab King of My Heart and Soul Yuriko Terasaka, 2016-12-20 This is a love story about lust of the heart and soul, not about the lust of the physical body. Lust is when you love only what you see with your eyes. Love is when you lust for what is inside a person. Love is the most misunderstood word in world. It is just a cliché term mostly mistaken for physical intimacy. This is so sadly mistaken because love is not about dating or desiring someone physically and sexually. Love is not just about having someone whom you can label as your boyfriend or girlfriend. It is not about having sex to fulfill your sexual desires or fantasies. My introduction to Mashalany's magic is powerful and intoxicating. I was a butterfly until he caught me in his net paralyzed, unable, and unwilling to escape. I am totally his. He is like the wind I can't see him but I can feel him. Mashalany touches my heart without touching my body. My heart melts with just his voice saying my name. Infatuation or physical lust is a short-term gratification and offers nothing worth saving. Infatuation is temporary and blind; it will also shatter because it is fragile. The heart and soul is all-seeing and accepting of each blemish and flaw. The heart and soul is real strength for endurance during painful, challenging times. Mashalany has awakened my soul, and he started the fire in my heart I crave for more. He proves intimacy is not purely physical, his dominant connectivity is deep into my soul. Mashalany defines the true meaning of love. He proves heart and soul is not an impetuous passion. He shows the element of calm that looks beyond mere externals with great wisdom, devotion, and discrimination that is real and abiding. He is selfless, yet ready for sacrifice. I was overwhelmed by his patience and gradual victory of penetrating my heart and soul. Mashalany touched my life I'm privileged. Mashalany touched my heart I'm blessed. Mashalany touched my mind I'm honored. Mashalany touched my soul I have received victory and triumph. And Mashalany touched my spirit for a miracle.

Waiting For My Heart To Return: A Romantic Flight Simran Subudhi, 2025-06-05 Waiting for My Heart to Return is a deeply emotional and soul-touching journey of Yashi, a girl whose life changes forever when love, sacrifice, and silence collide. The story explores how love can be both the most beautiful feeling and the most painful experience—how it can give wings, yet leave someone grounded for years. Set against the backdrop of ordinary days that hide extraordinary emotions, the book traces Yashi's internal struggles and her silent battle with memories that refused to fade. Her best friend Sakshi unknowingly unravels the mystery hidden behind Yashi's smiles, revealing a love so deep it flowed through every heartbeat, yet was left unspoken to the world. Yashi's story is not just about heartbreak—it's about strength, endurance, and the power of holding on. It's about a girl who believed love was eternal, even if presence wasn't. After four long years, her heart finally returns—but only after she is no more. And what remains is a haunting question: her heart came back, but how many years will the boy wait to have his returned? This book is not just a love story; it's a story of quiet promises, unanswered questions, and the kind of waiting that stretches across lifetimes. For anyone who has ever loved deeply, lost silently, and waited endlessly—this is your story too.
