*Nicene and Post-Nicene Fathers* Philip Schaff, Arthur Cleveland Coxe, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume VIII of the 14-volume collected writings of the Nicenes and Post-Nicenes (first published between 1886 and 1889), readers will find Saint Augustines extensive treatment of the Psalms. Augustine took this book from the Old Testament and wove into it the revelation of Jesus as the savior of humanity. Through the skill of Augustine, it seems as though the Psalms had been written by an oracle who knew that eventually the messiah would come and wrote to pave the way. This volume is a valuable reference book for any Christian wishing to have the psalms illuminated and explained.

meaning out of the text without incorporating the author's personal agenda or bias. Also included in this volume are a selection of Augustines sermons.
