

Ga Zink Sons

Vicki Karaminas, Doctor Toni Johnson-Woods, Justine Taylor

My Son Emmanuel DAL LARRY, 2013-11 As a boy, being reared in a highly religious atmosphere, the idea of a man living on earth two thousand years ago going about doing good, giving sight to the blind, healing the sick, and, eventually, dying for our sins was indeed perplexing in light of the fact that there was no living being to whom I could relate to Jesus Christ. This confusing phenomenon became more chaotic in my mind as I grew older and realized that individuals who claimed to be Jesus's prophets were seemingly His opposite-driving luxury cars, preaching against welfare handouts, condemning rather than forgiving those who found themselves taking the wrong path. If Jesus lived today, I meagerly reasoned, would He drive luxury cars? Would He own several Rolls Royces? Would He condemn those who did not contribute money to the 'cause of the kingdom?' Would He go on television and radio condemning abortion? What would a present-day Jesus really be like? Over a period of many years, I jotted down thoughts, taped ideas, took notes of sermons, and studied the Gospels hoping to someday coordinate all of these into a novel depicting a present-day Jesus Christ. The present book is the result of that.

Sydney Street Style Vicki Karaminas, Doctor Toni Johnson-Woods, Justine Taylor, 2015-05-01 Style is predominantly an individual matter - the way people put themselves together creates a sense of individual identity - but collectively it creates a sense of common culture in a community, a city or a country. Geographically isolated from the fashion hubs of Paris and New York, Australia may not yet be synonymous with style. But as it moves away from the beach look that it is usually associated with and adopts haute couture, Australia is emerging as a shining star in the Southern Hemisphere. Though not the political capital of the country, Sydney is nevertheless Australia's cultural capital, and the style hub and epicentre of the country's fashion evolution. Sydney Street Style depicts the style of this less-explored fashion capital. Beautifully assembled and packed with full-colour photos of the stylish and eclectic residents of Sydney, this book will be a welcome addition to the library of any fashionista or armchair traveller.

Saint Antony in His Desert Anthony Uhlmann, 2018 An ambitious novel of ideas set against a phantasmagoric Sydney. ~J. M. Coetzee A defrocked priest, Antony Elm, has made his way into a desert outside Alice Springs, where he intends to stay for forty days and forty nights. He is undergoing a crisis of faith and has brought with him the typescript for a book he has failed to finish about a meeting between Albert Einstein and the French philosopher Henri Bergson. This story concerns a crisis of understanding, as Bergson confronts Einstein about the meaning of time. On the back of his typescript Antony writes another story, somehow close to his heart, which concerns two young men traveling to Sydney from Canberra for the first time in the early 1980s. This story about a crisis of love takes place in a single night as the boys encounter temptation, damnation, and salvation in the world of alternative music. Antony becomes increasingly delirious, observing temptations of the flesh and spirit, scribbling in the margins of his two unspooling narratives, awaiting a rescue that may or may not come.
