The 2023 Griffin Poetry Prize Anthology Gregory Scofield, 2023-07-04 The universe makes a sound—is a sound. In the core of this sound there's a silence, a silence that creates a sound, which is not its opposite, but its inseparable soul. And this

silence can also be heard. —Etal Adnan The Griffin Poetry Prize is among the world's most significant prizes in literature. Awarded each year to the most outstanding volumes of poetry published worldwide, the prize recognizes works written in, and translated into, English. This anthology, edited by Gregory Scofield, offers a selection of poems from the 2023 shortlist, together with the judges' citations.

Hunger Susan Musgrave, 2025-08-19 From Griffin Poetry Prize finalist Susan Musgrave, author of more than thirty-five books, comes *Hunger*, works selected from Musgrave's last four books with an introduction by Micheline Maylor (*The Bad Wife*, *Little Wildheart*) and a humorous and thoughtful after-essay by Musgrave herself about the breadth of her literary career. This volume features poems written since the death of Musgrave's husband, the award-winning memoirist Stephen Reid, and showcases Musgrave's signature blend of ribaldry, wit, and the big questions about life, love, rebellion, and aging. A visceral and hearty collection of poems, and an examination of the feminine principle in the first two decades of the 21st century, this selected volume is a tribute to Musgrave's long career and literary wisdom.

Soul Notes Finja Brandenburg, 2018-04-12 Sleepless through the night, full of thoughts. Outside the silence, gloomy emptiness, inside the restless spirit; thoughts, partly fleeting, partly anchored, eternal companions, as if it were now, right now, in the middle of the night, to solve all problems, to make plans, and to evaluate situations. *Soul Notes* is spoken word poetry. A collection of notes and poetry about love, pain, doubts, laughing, development and chaos. Sometimes, a note expresses more than 100 words - a note that's deeply moved, scrutinized, and reflects. *Soul Notes* is an echo, asking you to dance.

Incarnations of Women Srishty Singh, 2021-07-21 This anthology depicts the emotions and roles of females. It defines that our life is created, organized, and run by a female whether she is a mother who gives us birth, a sister who gives us lifetime trust and respect, a wife who frames our life, a daughter who completes us, or the goddess who bless us with all love and prosperity. Women are the perfection that makes us perfect.

I'll Be Your Light Mannie Veneno, 2022-04-26 Neglect, abuse, and starvation all are part of Mannie Veneno's family legacy of pain. Starting in Pakistan, where his grandmother was married to an abusive husband, the cycle would continue for three generations. His mother was forced to marry a Pakistani gangster at a young age. Even after moving to the United States for a better life, she, Mannie, and his siblings were victims of his nightmarish rage. With an abusive dad and a mom who couldn't walk away, Mannie didn't have role models to emulate. Everyone around him was either gang members, criminals, or addicts—and he didn't see a clear path forward. Making matters worse, he was often bullied in school and teased because of his poor English. As an adult making his way in the world, Mannie now has a choice: continue the cycle or be a light in the darkness, a hope for others to keep going.

MY DANCE WITH THE DEVIL Marly Bergerud, 2023-08-31 A Journey of My Soul. Coping with childhood loneliness, fear, and abuse, Marly was immersed in solitude and her love of dance. Decades later, memories began to haunt her and surface the darkness she had hidden deep in her subconscious. *My Dance With the Devil* is a memoir that depicts an accurate tale of courage, strength, and undying hope. In the face of adversity, from gripping, often disturbing, depictions of the dark truths to immense success, fame, and failure. As so many others have done, telling her story is an ancient way of healing. Marly hopes her journey will bring strength and courage to others on a similar path with a renewed spirit and knowing they can survive, flourish, and have a wonderful, incredibly successful life. Marly's early years were in North Dakota, where she was a trained dancer and pianist. She has a B.A. and M.S. degree and is an educator spanning a professional career of 30+ years as a teacher, a Dean of Business, and a Vice President within the California Community Colleges. Marly thoroughly enjoyed raising a fantastic son as he endured her becoming a published co-author of two dozen computer textbooks. She is a recognized educational leader, author, and teacher of new technologies and has presented seminars to educators at colleges and universities around the globe. At home in Palm Desert, California, the broad spectrum of excellent music, arts, and entertainment feed her soul. In this stage of her life, Marly believes the spirit of philanthropy is an ever essential and socially responsible duty of giving what, how, and when we can. She serves on the Board of the World Affairs Council of the Desert. For the Palm Springs Writers Guild, she served as President, supporting its 150+ writers pursuing their craft and continues to enjoy their friendship and learn from their professional speakers. In this life, I have learned that writing helps heal, puts the past behind us, and allows our souls to soar. Marly Bergerud

Rewrite Your Story Rewire Your Brain Linda Miles, 2016-06-16 In the fast-paced world which we live in, it's easy for

the little things to get trampled by the big things. The little things, as we tend to call them, however, are actually the big things. Peace, positivity, joy, and gratitude these things are so often underrated and neglected, things that can seem ephemeral or belonging to other people, yet these exact things are the essence of life.

The Unveiled Treasure Uboho Bassey, 2018-08-15 This book comes to you as a token of a second offering a gesture that encompasses discovery and recovery. It is a catharsis of the soul for the undying hope of the future. It is a compilation of poetry, all of which paints the portrait of life experiences. The Unveiled Treasure symbolizes a journey of faith, strength, and courage. The writing is at once nostalgic and therapeutic, sad and wistful, and hopeful and inspirational, in a sense. It calls the reader to a place of unveiling to reveal hidden potentials and sets you on the truth that you are a treasure. It presents the mind of a woman with deep layers one who can fully empathize with the struggles that others face, sensitive enough to touch the hearts of those whom the harsh strokes of life have whipped, and open-minded enough not to be judgmental. A treasure lives without the regrets of yesterday and the worries of tomorrow, and basks in the delight of today!

Hiding in Plain Sight I. M. Enough, 2024-10-31 For author I. M. Enough, self-hatred began at a young age, and he turned to food to escape. He dodged the bottle until his early twenties, but once he began drinking, there was no stopping him. He sacrificed morals, family, and livelihood for the next drink. He combined that with a tortuous relationship that lasted for a decade too long, and became the laughingstock of his own life. The asinine things he did made for captivating stories that lie within the walls of this book. *Hiding in Plain Sight* shares his story while addressing several misunderstood issues about addiction. Enough touches on alcoholic thinking, a process describing how your brain changes with alcohol. He describes in detail how he beat the ignition interlock device to still drive drunk, and how close he was to becoming a serial killer. All his tales lead to a profound, enthralling, and unexpected ending. By sharing his personal history, Enough hopes to help change your worldview and perhaps make you a little more empathetic to what others are going through. He is proof that anything is possible and that a little hope can go a long way. This personal narrative presents a man's journey as he overcame alcoholism, obesity, trauma, and codependence.

Exculpatory Lilies Susan Musgrave, 2022-09-06 2023 Governor General's Literary Award for Poetry Finalist 2023 Griffin Poetry Prize Finalist A Globe and Mail Top 100 Book 2022 Walcott Prize Shortlist From the award-winning poet known for her bracing honesty and sharp yet compassionate gaze, here is a new collection of poems that explore life, marriage, addiction, death, and heart-wrenching grief. If grief is the willingness to be claimed by a story bigger than ourselves, Susan Musgrave writes, "in that / tender wavering, I let grief in." Writing about grief or tragedy is tricky. Hard to meet it at a heart-level without being effusive; hard to meet it at a brain-level without being cold. Hard not to make it about ourselves. Hard to meet it at a visceral level because it can take us out at the knees, wrote author Carrie Mac, responding to the death of Musgrave's partner, Stephen Reid, in 2018. Following this traumatic loss, in September 2021 their daughter, Sophie, died of

an accidental overdose after a twenty-year struggle with addiction. But to say this is a collection solely about grief would be to miss the whole nature of Musgrave's voice and sensibility. Wit is one counterpoint; the natural world is another. The poems share a landscape whose creatures, minutely observed, wild and tame—the winged ones most of all—dance attendance on the helplessness of our brief and mystifying human lives. Throughout *Exculpatory Lilies*, Musgrave's alertness to even the most desolate places makes her personal sorrows astonishingly potent; and her scrutiny of language, and emotions, makes shot silk out of sackcloth and ashes.
