

I Heart Me The Science Of Self Love

Victor M. Corman

I Heart Me David R. Hamilton, PHD, 2015-02-13 How much love do you have for yourself? Not the narcissistic 'Aren't I wonderful' kind of love, but the essential regard for self that empowers you and helps you navigate through life. The type of love that enables you to feel safe and secure in who you are and inspires you to make choices that are good for your authentic self. When scientist David Hamilton realized that his own lack of self-love was sabotaging him in hundreds of subtle ways and more than a handful of major ways, he devised an experiment using himself as the guinea pig. For more than a year David studied the latest research into brain chemistry, neuroscience, and psychotherapeutic and personal development techniques. He realized that self-love was as much about biology as psychology - that self-worth is in our genes, but trained out of us. The biological drive to seek connection with others often leads us to try to be 'someone else' to win love and approval. But the brain can be reprogrammed, and David devised 27 powerful exercises that he tested on himself and presents in the book to help you: • Increase your own level of self-worth • Connect powerfully with your authentic self • Attain a greater sense of happiness and general wellbeing • Create stronger and more real connections with others

The Five Side Effects of Kindness David R. Hamilton, PHD, 2021-09-14 Despite what you might have been told, we're not inherently selfish. The truth is we're inherently kind. Scientific evidence has proven that kindness changes the brain, impacts

the heart and immune system, is an antidote to depression and even slows the ageing process. We're actually genetically wired to be kind. In *The Five Side Effects of Kindness*, David Hamilton shows that the effects of kindness are felt daily throughout our nervous system. When we're kind we feel happier and our bodies are healthiest. In his down-to-earth and accessible style, David shares how:

- Kindness makes us happier
- Kindness is good for the heart
- Kindness slows ageing
- Kindness improves relationships
- Kindness is contagious

The Healing Power of Pleasure Julia Paulette Hollenbery, 2021-09-07 • Shares seven easily accessible spiritual “medicines”—slowing down, embodying, deepening, relating, pleasure, power, and potency—so you can discover more sensual pleasure and delight in your body, relationships, and way of being as well as inner confidence, instinctual power, and aliveness • Presents reflections, practical somatic and breathing exercises, prompting questions, meditations, and energetic transmissions for each medicine • Explores body awareness, managing emotions stored in the body, the five realms of relationship, the different kinds of love, sexuality, passionate intimacy, and pleasure as a source of nourishment and healing

Hidden just below the surface of ordinary day-to-day reality lies an abundance of pleasure and delight. By learning to look beyond your daily challenges, you can ease your stressed mind and body and rediscover the magic, mystery, sensuality, and joy that is possible in everyday life. Taking you step by step through a sensual journey of healing and transformation, Julia Hollenbery explores seven easily accessible spiritual “medicines” or pathways to discover more sensual pleasure and delight in your body, relationships, and way of being. Journeying through slowing, embodying, deepening, relating, pleasure, power, and potency, each medicine invites you to engage through reflections, practical somatic and breathing exercises, prompting questions, and meditations. Energetic transmissions help you reconnect body, mind, and soul in an integrated way and reclaim your innate source of pleasure. A visionary call to action to inhabit your universe of deliciousness, *The Healing Power of Pleasure* combines scientific fact with ancient spirituality, insight, humor, and poetry. This book presents an invitation to reawaken your body, realize the depth and web of relationships within which we live, and embrace the pleasure, power, and potency that arise when we look inward as well as confidently relate outward with the world around us.

Too Hard to Swallow Emily Forbes, 2025-04-02 “This hybrid nonfiction of memoir and self-help recounts my debilitating experience with severe swallowing and digestive problems, which result in finding ways to come to terms with chronic illness. Together, we’ll journey through key lessons that I’ve learned from managing the trauma of chronic illness, grief, loss and burnout. Split into two parts, first join me in my quest for diagnosis and treatment, during which I constantly battle to be heard by disparate medical teams; then I’ll show you how I eventually became resolute in finding peace within the turmoil and provide you with practical tools for you to do the same. The second half of the book builds towards creating your own Prescription for Wellness, which hinges on finding wellness within the illness, rather than curing the illness to feel well again. I’ll offer you a new Whole-wellness approach that considers your physical, mental, emotional and spiritual wellbeing in

a holistic way. Read this book if you're interested in personal development and wellbeing, if you are living with chronic illness, or if you know or live with anyone who has a chronic illness. At the end of each chapter, you'll find practical elements which you can collect to create a personalised toolbox that works for you".

The Medium in Manolos Lauren Robertson,2021-09-21 Lauren Robertson is a medium with a difference. Since training as a psychic medium at the age of 14, Lauren has helped tens of thousands of people to connect with their loved ones in Spirit, and is known for her highly accurate readings and her ability to provide super-specific details from those who have crossed over. But it's Lauren's fresh, unique approach to mediumship that makes her stand out from the crowd. The Medium in Manolos tells the story of how this young woman overcame her own fears, self-doubt and self-consciousness to go from grieving granddaughter to confident and empowered medium and coach. Discover: •How to handle your grief when a loved one dies •The three elements required to become a great Spirit communicator •Effective tools to clear your mind and elevate your consciousness so you can create a deep connection with Spirit •How to tell when a message you receive is genuine •What to do when you doubt yourself and your abilities Written with compassion, humour and warmth, this heart-warming book is both for people who have lost someone and are in the process of grieving and healing, and for those who wish to develop their own connection with Spirit and bring through messages for themselves and others.

Heal Kelly Noonan Gores, 2019-10-22 “A groundbreaking look at what happens when we become aware of our own innate healing powers and use them to change our health—for the better” (Maria Menounos) that is perfect for fans of Deepak Chopra and Anita Moorjani. Often when we receive a diagnosis from a medical professional, we can become so overwhelmed with fear or stress that we give up authority over our own health and well-being. But the truth is, we do have control over our physical health, and it is possible to awaken the healing potential in us all, to heal our bodies ourselves. Based on the groundbreaking documentary of the same name, *Heal* follows two people on their healing journeys, while combining science-backed research and real-world testimonials from experts like Marianne Williamson, Bruce Lipton, Deepak Chopra, Bernie Siegel, Anita Moorjani, Kelly Brogan, and many others, to offer hope and alternative treatments for the many people suffering from a variety of chronic illnesses. By identifying the emotional roots of illness, we can tap into the body’s revitalizing powers and discover that although healing can be complex and deeply personal, it can also happen spontaneously. *Heal* “will open your mind and help you recreate your perception” (Alejandro Junger, MD, New York Times bestselling author) by showing you that our thoughts, beliefs, and emotions have a huge impact on our overall health.

The Life You Have Ordered Is Currently out of Stock Jodi DeSantis-Helming, 2018-01-31 This book is for all of us whose lives have not turned out exactly the way we expected them to. It is filled with strategies that will help readers to embrace what is, as they become more peaceful and accepting of the present circumstances of their lives. Readers will come away with simple practices such as being grateful for what they have and envisioning the life of their dreams. They will then be able to make room for the lives that they are truly meant to live.

The Handbook for Highly Sensitive People Mel Collins, 2019-01-15 The most accessible guide to navigating life as a Highly Sensitive Person (HSP)! A fellow HSP shares strategies for managing sensitivities and developing greater self-love—plus a self-assessment checklist for identifying HSP traits in yourself and others. Are you often told to stop taking things to heart or to toughen up? Do you have a lot of empathy for others? Do you tend to overanalyze things and ‘get stuck’ in your own head? Or become easily overwhelmed and often need to withdraw? If the answer is yes, you are likely to be a Highly Sensitive Person (HSP)—and this book will be your guide to embracing your innate sensitivity and accepting your most authentic self. It will empower you to:

- Acknowledge the key qualities and challenges of being an HSP and learn how to recognize the trait as a strength, not a weakness
- Explore a wide range of practical strategies to manage your sensitivity more effectively—from developing more self-love to coping with over-arousal
- Connect with your spiritual side by exploring past life patterns and accessing inner guidance from spirit guides and angels
- Learn to safely share your amazing qualities

of empathy, compassion, creativity, healing, and much more with the world More often than not, Highly Sensitive People are yearning for acceptance of their trait. When they realize their sensitivity is 'normal,' and it's acknowledged in a positive way, a deep sense of relief arises, and they can start to flourish. This groundbreaking study—one of the most accessible books on high sensitivity—does exactly that, offering HSPs the tools they need to fully accept themselves and lead the authentic, fulfilling lives they deserve.

How Your Mind Can Heal Your Body David R. Hamilton, PHD, 2018-09-11 'This book will teach you that healing by thought alone is not only possible, but it is a reality.' - Dr Joe Dispenza, New York Times bestselling author of *Becoming Supernatural* There is no longer any doubt that the way we think affects our bodies: countless scientific studies have shown this to be true. For former pharmaceutical scientist Dr David Hamilton, the testing of new drugs highlighted how profoundly the mind and body are connected. Time and time again, the control group of patients in drug trials improved at similar rates to those who actually received the medicines. Astounded, Dr Hamilton decided to change the direction of his work to explore the relationship between the mind and the body. This bestselling acclaimed book was first published 10 years ago. In it, Dr Hamilton explores the effect of visualization, belief and positive thinking on the body, and shows how using our imagination and mental processes can stimulate our own defences and healing systems to combat disease, pain and illness. In this new edition, Dr Hamilton has added four new chapters to discuss the latest cutting-edge information and extraordinary new techniques. These include using imagery to stimulate the immune system - a method that can benefit cancer patients undergoing conventional treatment - effectively using the mind to speed up rehabilitation from stroke, and powerful visualization strategies to help facilitate recovery from injury and illness.

Enough About Me Richard Lui, 2021-03-23 What if your path to a more successful, healthy, and satisfying life is actually

not about you? Enough About Me equips you with practical tools to find meaning and compassion in even the smallest of everyday choices. When his father was diagnosed with Alzheimer's disease, Richard Lui made a tough decision. The award-winning news anchor decided to set aside his growing career to care for his family. At first, this new caregiving lifestyle did not come easily for Lui, and what followed was a seven-year exercise in what it really means to be selfless. Enough About Me also takes a behind-the-scenes look at some of the world's most difficult moments from a journalist's point of view. From survivors of terrorist attacks to victims of racial strife, Lui shares the lessons he learned from those who rose above the fray to be helpful, self-sacrificing, and generous in the face of monumental tragedy and loss. Lui shares practical tips, tools, and mnemonics learned along the way to help shift the way we think and live, including: Selfless decision methods and practices for work, home, relationships, and community Studies and research that show the personal benefits of being selfless The lasting impact of sharing your story Practical, bite-sized ways to be more engaging and inclusive in your day-to-day life How to train our decision-making muscles to choose others over ourselves Choice by choice, step by step, the path to a more satisfying and fulfilling journey is right here in the people around us. Praise for Enough About Me: Richard Lui underscores the importance of sharing stories to bring people together through selfless acts for the greater good. Beth Kallmyer, Vice President of Care and Support, Alzheimer's Association Richard is living a life of service. This is a jewel of a book, a celebration of the best of the human spirit and of the good that emerges from sacrifice. Richard Lui is a beacon of light in these dark times. It's Not You, It's Me Camilla Sacre-Dallerup, 2019-12-10 THE INTERNATIONAL BESTSELLER Following on the success of Reinvent Me, life coach Camilla Sacre-Dallerup offers a new program on cultivating self-love and practicing self-care All the challenges we face in our lives present us with an opportunity to learn, evolve, and grow as people. Holding on to patterns from the past creates blocks, which can make us feel stuck and unworthy of love and respect. In It's Not You, It's Me, Camilla Sacre-Dallerup uses a series of targeted questions followed by exercises, tips, and techniques to help the reader explore and release their old patterns and blocks so that they can move forward in their lives. Camilla explores: • Perception and projection • Being enough • Validating yourself • Letting go of judgement • Standing in your power This book is a reminder to us all that we are "enough" and that we do not need outside validation to feel whole and healed within. By taking responsibility for our situation, we can heal the most important relationship—the one we have with ourselves. In doing this, we unlock our true potential and step into our light.

Wings of Forgiveness Kyle Gray, 2015-04-27 While forgiveness may not be easy to achieve, ultimately, it will set you free. Let Kyle Gray and the angels guide you to letting go of the problems of your past and forgiving yourself and others so that you can fully enjoy the present. Wings of Forgiveness is a book for anyone who is ready to release their past and find freedom from fear. Kyle has found through his personal psychic practice and work with the angels that when people are experiencing

difficulties, there is one topic that helps to click everything into place - forgiveness. Forgiveness is not an easy subject, but it is a necessary focus in spirituality and personal growth. In this book, you will be taken on a journey - not outside of yourself, but within. Drawing on personal experience, his work with clients and from the spiritual texts A Course in Miracles and The Gnostic Gospels, Kyle explains how the Angels and Ascended Masters can enable you to release difficult emotions and heal from challenging experiences. His powerful tools will show you how to: - call on the Ascended Masters and Angels of Forgiveness for help - work through the chakras to release negative blocked energy - use meditation, prayer and visualization to open up your heart to truth and compassion

The Joy of Actually Giving a F*ck David R. Hamilton, Ph.D., 2024-07-09 'This book should be the thought for the day every single day.' Dr. Julie Smith, Sunday Times bestselling author Far from being fluffy sentiments, acts of kindness - whether given, received or witnessed - are potent elixirs that have a profound and lasting impact on our mental and physical health. From boosting happiness to soothing the soul, kindness isn't just a feel-good notion - it's a powerhouse. It relaxes your nerves, lowers blood pressure, reduces inflammation and even slows down ageing at the genetic level. This book serves as a beacon of light, urging you to spread kindness like wildfire. Because in a world where apathy reigns, giving a f*ck is revolutionary. And when we do, we not only enrich ourselves but bring joy into our communities and the wider world.
