*Twentieth-century Epic Novels* Theodore Louis Steinberg, 2005 Every age that has produced literary epics has also produced variations on the elements that constitute the epic. 'Twentieth-Century Epic Novels' examines the most popular 20th-century manifestations of epic sensibilities by looking closely at five major examples of the 20th-century epic novel.

*Trollope's Later Novels* Robert Tracy, 2023-04-28 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1978.

Collected Short Stories of Tolstoy Leo Tolstoy, 2024-05-09 A new translation into modern American English directly from the original Russian manuscript of 24 of Tolstoy's short stories. This edition contains an Afterword by the translator, a timeline of Tolstoy's life and works, and a glossary of philosophic terminology used throughout Tolstoy's literature and philosophy. These 24 stories are his most profound philosophical narratives across his life, many of whom were unpublished in English until now. From the reflections of a billiard-marker in Marker's Notes to the tragic fate of Russian soldiers in How Russian Soldiers Die, these sharp narratives into the pity of human life. Tolstoy's exploration of mortality and death in Three Deaths and The Leap provide thought-provoking reflections on the consequences of choices and actions. Additionally, stories like The Blizzard and The Surat Coffeehouse offer vivid portrayals of the transformative power of nature and unexpected human connections. Throughout his short stories, Tolstoy's profound observations and skillful storytelling captivate readers, inviting them to contemplate life from on of the century's greatest thinkers. Many of these short stories are distillations of his greatest works. 1854 - Uncle Zhdanov and Cavalier Chernov (Дяденька Жданов и кавалер Чернов) 1855 - How Russian Soldiers Die (Как умирают русские солдаты) 1855 - Marker's Notes (Записки маркёра) Historically translated under Recollections of a Billiard-marker, but this is not faithful to the original 1856 - The Blizzard (Метель) 1856 - The Discharged

(Разжалованный) 1859 - Three Deaths (Три смерти) 1860 - Excerpts from Stories of Village Life (Отрывки рассказов из деревенской жизни) 1861 - Holstomer (Холстомер) 1872 - The Prisoner of the Caucasus (Кавказский пленник) 1886 - The Leap (Прыжок) 1892 - The Story of an Aeronaut (Рассказ Аэронавта) 1893 - The Surat Coffeehouse (Суратская кофейная) 1894 - It Comes Dearly (Дорого стоит) 1895 - Françoise (Франсуаза) 1896 - Who Is Right? (Кто прав?) 1897 - Karma (Карма) 1900 - The Dream of the Young King (Сон молодого царя) 1903 - After the Ball (После бала) 1905 - Alyosha Gorshok (Алеша Горшок) 1906 - Poor Folk (Бедные люди) 1853 - Why? (За что?) 1853 - Korney Vasilyev (Корней Васильев) 1854 - Berries (Ягоды) 1854 - What I Saw in My Dream (Что я видел во сне) 1856 - Father Vasily (Отец Василий) 1857 - The Power of Childhood (Сила детства) 1858 - Three Days in the Country (Три дня в деревне)

**American Reference Books Annual** June M. Chenoweth, 2019-06-24 Read professional, fair reviews by practicing academic, public, and school librarians and subject-area specialists that will enable you to make the best choices from among the latest reference resources. This newest edition of American Reference Books Annual (ARBA) provides librarians with insightful, critical reviews of print and electronic reference resources released or updated in 2017-2018, as well as some from 2019 that were received in time for review in the publication. By using this invaluable guide to consider both the positive and negative aspects of each resource, librarians can make informed decisions about which new reference resources are most appropriate for their collections and their patrons' needs. Collection development librarians who are working with limited budgets—as is the case in practically every library today—will be able to maximize the benefit from their monetary resources by selecting what they need most for their collection, while bypassing materials that bring limited value to their specific environment.

**The Academy and Literature**, 1912

**The Newarker** John Cotton Dana, 1912

**War and Peace** Leo Tolstoy, Aylmer Maude, Louise Maude, 2014-07-21 War and Peace is a novel by the Russian author Leo Tolstoy, first published in 1869. The work is epic in scale and is regarded as one of the most important works of world literature. It is considered as Tolstoy's finest literary achievement, along with his other major prose work, Anna Karenina (1873-1877). War and Peace delineates in graphic detail events surrounding the French invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families. Portions of an earlier version of the novel, then known as The Year 1805, were serialized in the magazine The Russian Messenger between 1865 and 1867. The novel was first published in its entirety in 1869. Newsweek in 2009 ranked it first in its list of the Top 100 Books. In 2003, the novel was listed at number 20 on the BBC's survey The Big Read. Tolstoy himself, somewhat enigmatically, said of War and Peace that it was not a novel, even less is it a poem, and still less a historical chronicle. Large sections of the work, especially in the later chapters, are philosophical discussion rather than narrative. He went on to

elaborate that the best Russian literature does not conform to standard norms and hence hesitated to call *War and Peace* a novel. (Instead, Tolstoy regarded *Anna Karenina* as his first true novel.) *War and Peace* has a large cast of characters, the majority of whom are introduced in the first book. Some are actual historical figures, such as Napoleon and Alexander I. While the scope of the novel is vast, it is centered around five aristocratic families. The plot and the interactions of the characters take place in the era surrounding the 1812 French invasion of Russia during the Napoleonic wars. The novel begins in July 1805 in Saint Petersburg, at a soirée given by Anna Pavlovna Scherer—the maid of honour and confidante to the queen mother Maria Feodorovna. Many of the main characters and aristocratic families in the novel are introduced as they enter Anna Pavlovna's salon. Pierre (Pyotr Kirilovich) Bezukhov is the illegitimate son of a wealthy count, an elderly man who is dying after a series of strokes. Pierre is about to become embroiled in a struggle for his inheritance. Educated abroad at his father's expense following his mother's death, Pierre is essentially kindhearted, but socially awkward, and owing in part to his open, benevolent nature, finds it difficult to integrate into Petersburg society. It is known to everyone at the soirée that Pierre is his father's favorite of all the old count's illegitimate children. Also attending the soirée is Pierre's friend, the intelligent and sardonic Prince Andrei Nikolayevich Bolkonsky, husband of Lise, the charming society favourite. Finding Petersburg society unctuous and disillusioned with married life after discovering his wife is empty and superficial, Prince Andrei makes the fateful choice to be an aide-de-camp to Prince Mikhail Ilarionovich Kutuzov in the coming war against Napoleon. The plot moves to Moscow, Russia's ancient city and former capital, contrasting its provincial, more Russian ways to the highly mannered society of Petersburg. The Rostov family are introduced. Count Ilya Andreyevich Rostov has four adolescent children. Thirteen-year-old Natasha (Natalia Ilyinichna) believes herself in love with Boris Drubetskoy, a disciplined young man who is about to join the army as an officer. Twenty-year-old Nikolai Ilyich pledges his love to Sonya (Sofia Alexandrovna), his fifteen-year-old cousin, an orphan who has been brought up by the Rostovs.

**The Secret Listener** Yuan-tsung Chen, 2022 A first-hand account of what life was like in the period before the revolution and in Mao's reign, China was a vast human drama, as real people confronted, not political abstractions, but concrete, real challenges, often involving life and death, and she was a witness to the choices, the ways people behaved, in that situation. *The Secret Listener* gives a unique perspective on the era. Yuan-tsung Chen, who is now 90, and lived through most of it offers a vantage point that provides us with a new, wider perspective on the Maoist regime, one of the most radical political experiments in modern history and a force that genuinely changed the world.

**Cassell's Weekly**, 1923

The New Statesman, 1926

*The Cambridge Companion to the Novel* Eric Bulson, 2018-06-30 This Companion focuses on the novel as a global genre

with a 2,000-year history. The first section includes an examination of the various genres out of which it emerged (epic, history, romance, the picaresque) and the different ways in which fiction and realism (magical, hyper, and social) were developed in response to specific political, social, and economic forces. The second section focuses on how the novel works, considering how it has played a crucial role in the formation of more abstract social, political, and familial identities. The third section considers what the novel has become and will continue to become in the twenty-first century. It examines the recent interest in graphic novels as well as data, digitization, and a global literary marketplace's role in shaping the future of the novel. This book will be a key resource for students and scholars studying the novel as a genre.

The Athenaeum ,1911

**Public Opinion** ,1903

**Books and Beyond** Kenneth Womack,2008-10-30 There's a strong interest in reading for pleasure or self-improvement in America, as shown by the popularity of Harry Potter, and book clubs, including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature, including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories, such as cyberpunk, fantasy literature, flash fiction, GLBTQ literature, graphic novels, manga and anime, and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Reading in America for pleasure and knowledge continues to be popular, even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres, such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.
