Going Home Thich Nhat Hanh, 2000-10-01 [Thich Nhat Hanh] shows us the connection between personal, inner peace and peace on earth. --His Holiness The Dalai Lama Nominated by Martin Luther King, Jr. for a Nobel Peace Prize, Thich Nhat

Hanh is one of today's leading sources of wisdom, peace, compassion and comfort. Exiled from Vietnam over thirty years ago, Thich Nhat Hanh has become known as a healer of the heart, a monk who shows us how the everyday world can both enrich and endanger our spiritual lives. In this book, Jesus and Buddha share a conversation about prayer and ritual and renewal, and about where such concepts as resurrection and the practice of mindfulness converge. In this unique way, Thich Nhat Hanh shows the brotherhood between Jesus and Buddha-- and in the process shows how we can take their wisdom into the world with us, to practice in such a way that Buddha is born every moment of our daily life, that Jesus Christ is born every moment of our daily life.

Understanding Interreligious Relations David Cheetham, Douglas Pratt, David Thomas, David Richard Thomas, 2013-11 A multi-authored volume that explores the theme of the 'religious other' from the perspective of five major religions—Hinduism, Judaism, Buddhism, Christianity and Islam—and discusses a range of issues in which interreligious relations are central.

Buddhist Inclusivism Kristin Beise Kiblinger, 2017-07-05 Although Christians have well-developed responses to other religions, the counterpart scholarship from Buddhists has thus far lagged behind. Breaking new ground, Buddhist Inclusivism analyzes the currently favored position towards religious others, inclusivism, in Buddhist traditions. Kristin Beise Kiblinger presents examples of inclusivism from a wide range of Buddhist contexts and periods, from Pali texts to the Dalai Lama's recent works. After constructing and defending a preferred, alternative form of Buddhist inclusivism, she evaluates the thought of particular contemporary Buddhists such as Thich Nhat Hanh and Masao Abe in light of her ideal position. This book offers a more systematic treatment of Buddhist inclusivism than has yet been provided either by scholars or by Buddhist leaders.

Fragrant Rivers of Wisdom A. Christian van Gorder, 2021-12-09 Buddhism and Christianity are ancient, rich, and multivalent wisdom spirituality traditions that often have insightful similarities as well as distinct perspectives from entirely different starting points. *Fragrant Rivers of Wisdom* explores some of these paths and encourages readers to gain, as far as is possible, a participant's appreciation of another faith. This book aims to help readers celebrate and enjoy the rich wisdom legacies of a teacher revealing a pure lotus blossoming from mud and the legacies of a peasant Jewish carpenter from Galilee revealing love on a cross. Both teachers share the power of love, the joys of healing encouragement, and the creative resources of spirit-filled living. Their ancient words and their modern communities still following these paths are dynamically relevant for our modern context of confusion and challenge.

Interreligious Heroes Alon Goshen-Gottstein, 2021-10-04 Over forty premier world religious and scholars, of all major faith traditions, were asked the following: -Who is a figure who inspires your interfaith work? -How does this figure inspire you, and what lessons, applications, and concrete expressions has this inspiration taken in your life? The result is a stunning

overview of the interfaith movement, its history, role models and heroes. Historical presentation complements the personal and experiential voice of the authors, making this not only a work for interfaith education but also a resource for spiritual inspiration.

Deep Walking Reino Gevers,2021-05-04 How to train yourself to be conscious and aware so that any walk anywhere can become a journey of self-development and spiritual renewal. In following the footsteps of medieval pilgrims on ancient paths, countless modern-day seekers have rediscovered purpose and meaning. Reino Gevers reveals why deep walking is one of the best and most underrated forms of exercise, boosting the quality of life on many levels. In taking time out for mindful walking, senses are opened to the whispers of the universe, realigning body and mind in a world of distraction. Religion and spirituality take on a whole new meaning. Within Deep Walking, Reino tells the stories of pilgrims walking off old emotional baggage. The shadow is part of the walking-alone-experience that gradually cracks open the doorway to the soul. The emotional shift becomes part of the deep walking experience.

Accommodation and Acceptance Ambrose Mong,2015-12-31 As Hans Kung said, No peace among the nations without peace among the religions. No peace among the religions without dialogue between the religions. No dialogue between the religions without investigation of the foundations of the religions. Accommodation and Acceptance is a crucial work in both promoting interreligious dialogue and exploring the turbulent history of Christian faith and identity in Asia down the years. From the reaction to missions, often inextricably linked with the practice of colonialism, to the rise of religious pluralism, Ambrose Mong examines the relationships between the leading faiths of Asia up to the present day. Whether practicing pluralism or exclusivism, the history of Christianity in Asia is long and fascinating. AmbroseMong delves into the biography of intercultural pioneers like Matteo Ricci and Timothy Richard to understand better the theology - as well as the pragmatism - behind cultural accommodation, and the necessary mutability of an eternal church.

Open Your Eyes Toward Living More Deeply in the Present Gail J. Stearns,2010-10-01 In order to discover inner peace and peace in our world, we will need to let go of traditional understandings of pain and suffering as God's will. We will need to stop claiming that Christianity contains elite, exclusive truths. We learn here from the Jesus of the Gospel of Mark how to open our eyes and awaken to the Presence of God here and now. Gail Stearns brings insight from biblical scholars, spiritual leaders, and her own experience as a pastor and university teacher, to move us to a place where we can dwell more deeply in the present and live in a more compassionate world.

Spiritual Living Helen Hills,2003-09 Spiritual Living: What Matters - and What Doesn't is for the person who wants a

more rewarding spiritual life. Written in a lucid, conversational style, the book focuses on issues that really matter, clearing away linguistic and doctrinal stumbling blocks that often prevent spirituality from developing into religion. Pertinent questions after each chapter make this book ideal for discussion groups and spiritual retreats, as well as for the individual. It includes an annotated bibliography. Without promoting a particular theological agenda, Helen Hills explores a wide range of questions with candor, clarity, and freshness. I heartily recommend this book as a mature starting point for deepening the journey of faith and a resource for discussion groups. Rev. Andrew Foster, Rector, Church of the Ascension, New York, N.Y. *Spiritual Living* will be helpful not only to spiritual directors, clergy, and faith communities, but also, and perhaps especially for secular souls yearning for affirmation and advice beyond the boundaries of a particular religious tradition. Rev. K. Jeanne Person, Grace Church, Brooklyn, N.Y. Helen Hills leaves room for skeptics to become believers and for believers to be skeptical. Her definition of spirituality is expansive rather than narrow. The book is written in a way that invites the reader into a dialogue with the author. The Myth of Religious Superiority Paul F. Knitter, 2005 In this challenging book, the leading exponents of the idea that all religions are a refraction of a truth no single tradition can exclusively reveal discuss what to make of that conviction in today's world of interreligious strife. New in this book is the inclusion of authors from a variety of traditions, including John Hick, Rita Gross, Arvind Sharma, Roger Haight, Dan Cohn-Sherbok, Mahmut Aydin. The authors try to make the case that the next step in interreligious interchange ought to be the development of a multifaith, pluralistic theology of religion.
