**Technology-Supported Learning In and Out of the Japanese Language Classroom** Erica Zimmerman,Abigail McMeekin,2019-05-10 This book addresses several pressing concerns of teachers and researchers who are looking for ways to integrate technology use in and out of their classrooms and assess its usefulness in the learning process. It provides an up-to-date examination of technology-supported pedagogy and language acquisition in a variety of Japanese as a foreign or second language contexts. It equips readers with practical pedagogical information, including methods of implementation and learning assessment, and ideas for how technology can be applied to achieve a wide range of learning objectives. The topics examined include cultural learning, identity construction, speaking, reading, writing, pronunciation, collaborative online learning, digital and 3D virtual reality games, online text analysis, and participation in online communities. In addition, different e-learning configurations such as flipped, online, and distance learning classrooms are explored. Studies examine various current technologies (e.g. blogs, synchronous/asynchronous telecollaboration, corpus analysis software, modern pronunciation tools) and will have both direct and indirect consequences for teaching and learning a second/foreign language with technology across all languages.

*Japanische Sprachwissenschaft* Martina Ebi,Viktoria Eschbach-Szabo,2015-06-17 Die Einführung liefert einen Überblick über die Facetten der japanischen Sprache - Verbreitung, Geschichte, Schrift, Phonetik und Phonologie, Wortschatz, Namen, Syntax, Varietäten, Register, Sprachpolitik - wie er in reinen Japanischlehrbüchern nicht vermittelt wird. Das Buch legt die philologischen Grundlagen für eine linguistische oder japanologische wissenschaftliche Beschäftigung mit Japan auch für diejenigen, die das sprachwissenschaftliche Wissen in anderen Gebieten der Japanologie brauchen.

Disciplinary and Trans-Disciplinary Knowledge and Skills for an Uncertain Future: Are Educational Media up to It? Guilherme Gabriel Ballande Romanelli,Jesús Rodríguez Rodríguez,2024-01-01 This volume collects some of the papers presented at the 16th IARTEM Conference held in Florence in April 2022. It was a 'difficult conference', held at a time when the pandemic was still present, and therefore an important opportunity to resume a dialogue that seemed to have been interrupted. The richness of the content, which is the result of the reflections of authors from all over the world, allows us to provide a precise scenario of the research state of art in the field of textbooks and digital resources for teaching.

**Analisis Kesalahan Berbahasa Jepang 二〇二二年 Rike Febriyanti,Lailatul Husna,2020-10-08** Buku ini menjelaskan

tentang bagaimana cara belajar bahasa dengan mengambil pelajaran dari kesalahan pembelajar sebelumnya. Berlatih untuk menganalisa kesalahan tersebut dan memberikan koreksi yang dianggap tepat sesuai teori dan penggunaanya. Dari hasil analisa dan koreksi tersebut kita dapat mempergunakannya untuk mengetahui bagaimana bahasa itu dipelajari, diperoleh, dan digunakan dalam berkomunikasi dengan nuansa yang tepat. Di bagian awal terdapat penjelasan mengenai sejarah perkembangan penelitian dari sebelum error analysis (analisa kesalahan) sampai interlanguage (bahasa antara) dengan rinci sebagai bekal untuk memahami bab selanjutnya. Untuk pendalaman materi, buku ini menyajikan beberapa rangkuman jurnal yang dapat dijadikan gambaran bagaimana penelitian error analysis yang telah dilakukan dalam bidang linguistik terapan khususnya pada pengajaran Bahasa Jepang di Indonesia. Setelah itu diberikan contoh cara menganalisa dalam ragam bahasa tulis atau sakubun dan juga ragam bahasa lisan atau percakapan dalam drama atau role play. Disertai petunjuk untuk menganalisa kesalahan beserta sumber data apa saja yang dapat dijadikan bahan untuk penelitian. Sebelum melakukan latihan, disampaikan pula beberapa contoh analisa mengenai error analysis dari berbagai macam jenis seperti kesalahan dalam cara menulis huruf kana dan kanji, kosakata dan penggunaannya, penerapan tata bahasa, penggunaan ungkapan, aksen, intonasi yang diungkapkan dan lain-lain. Selain itu, ditambahkan pula contoh analisa tematik yaitu analisa berdasarkan tema yang ingin diteliti sehingga diharapkan dapat dijadikan referensi untuk melaksanakan penelitian sebagai pemula. Buku ini ditujukan untuk mahasiswa Indonesia yang ingin belajar menganalisa kesalahan dalam bidang Bahasa Jepang sebelum terjun ke dalam masyarakat sebagai pengajar Bahasa Jepang di tingkat sekolah menengah sebagai pengajar pemula.

**Intersections in Language Planning and Policy** Jean Fornasiero, Sarah M. A. Reed, Rob Amery, Eric Bouvet, Kayoko Enomoto, Hui Ling Xu, 2020-09-28 This volume encompasses the range of issues encountered by language scholars who teach and research in departments of languages and cultures within the higher education system, predominantly in Australia, but touching other universities worldwide. Related studies on language planning, methodology or pedagogy have focused on one or more of these same issues, but rarely on their totality. Intersections as a metaphor running discreetly through the essays in this volume, connects them all to a lived reality. The field of languages and cultures, as it is practised and reflected upon in Australian universities, is essentially an interdisciplinary and interconnecting space - one in which linguistic and disciplinary diversities meet and join forces, rather than collide or disperse along different pathways. The international and local studies featured here focus on language planning, new pedagogies and language reclamation and link to meeting points and commonalities. They show that language scholars are increasingly finding themselves on common ground as they tackle issues of policy and practice affecting their field, whether within their institutions, within the tertiary system, or within the framework of government policy.

MODUL BAHASA JEPANG UNTUK SMK I TEMON KULON PROGO ,2019-12-30

**Japanese as Foreign Language in the Age of Globalization** Heinrich, Patrick, Sugita, Yuko, 2008-09-09 In our

globalizing world of today, the significance, status and demand of languages are experiencing changes which are unmatched in human history. These changes also relate to the languages of Japan as well as to the way that they are being taught and studied. In this book 14 authors from four continents present their research results on Japanese as foreign language (JFL) in the age of globalization. The participation of these authors reflects the fact that research into JFL has itself become global. Since JFL in the age of globalization is a field too extensive to be comprehensively covered by a single book, we restricted ourselves to three topics which we believe are central in discussing this issue. New kinds of language learners and new teaching paradigmsNative – non-native speaker interaction or contact situations in a more general senseNew insights into cognitive processes in language learning

**Förderung der mündlichen Sprachproduktion im Fremdsprachenunterricht** Claudia Schlaak,Aline Willems,2022-11-28 Die Förderung der mündlichen Sprachproduktion gehört zu den wichtigsten Bereichen des Fremdsprachenunterrichts. Ein Werk, das den aktuellen Forschungsstand verständlich zusammenfasst und umfangreiche Vorschläge für die unterrichtliche Praxis präsentiert, fehlte bisher. Der vorliegende Band schließt diese Lücke. Er soll Studierende und Referendar:innen in der Vorbereitung auf den Schuldienst unterstützen sowie versierten Fremdsprachenlehrkräften neue Anregungen geben. Dazu werden im ersten Teil theoretische Grundlagen der Sprechkompetenzförderung mit den spezifischen didaktischen Herausforderungen dargestellt und verschiedene Förderungsmöglichkeiten des monologischen sowie des dialogischen Sprechens präsentiert. Auch Mittel und Methoden der Evaluation und Leistungsmessung der Sprechkompetenz werden behandelt. Der zweite Teil zeigt konkrete Praxisbeispiele für unterschiedliche Fremdsprachen auf. Die einzelnen Unterrichtskonzeptionen berücksichtigen die Diversität und Heterogenität in verschiedenen Lerngemeinschaften von der Grundschule bis zur gymnasialen Oberstufe.

**Global English Slang** Julie Coleman,2014-01-10 Global English Slang brings together nineteen key international experts and provides a timely and essential overview of English slang around the world today. The book illustrates the application of a range of different methodologies to the study of slang and demonstrates the interconnection between the different sub-fields of linguistics. A key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent in the words themselves- what is slang in one context is not slang in another. The volume also challenges received wisdom on the nature of slang: that it is short-lived and that slang is restricted to verbal language. With an introduction by editor Julie Coleman, the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in Scotland. Authors also explore slang in Jamaica, Australia, New Zealand, India and Hong Kong and the influence of English slang on Norwegian, Italian and Japanese. A final section looks at slang and new media including online slang usage, and the possibilities offered by the internet to document verbal and gestural slang. Global English Slang is an essential reference for advanced undergraduates, postgraduates and researchers working in the areas of lexicology,

slang and World Englishes.

*Introducing Japanese Popular Culture* Alisa Freedman, 2023-04-18 Specifically designed for use in a range of undergraduate and graduate courses, while reaching specialists and general readers, this second edition of Introducing Japanese Popular Culture is a comprehensive textbook offering an up-to-date overview of a wide variety of media forms. It uses particular case studies as a way into examining the broader themes in Japanese culture and provides a thorough analysis of the historical and contemporary trends that have shaped artistic production, as well as politics, society, and economics. As a result, more than being a time capsule of influential trends, this book teaches enduring lessons about how popular culture reflects the societies that produce and consume it. With contributions from an international team of scholars, representing a range of disciplines from history and anthropology to art history and media studies, the book covers: Characters Television Videogames Fan media and technology Music Popular cinema Anime Manga Spectacles and competitions Sites of popular culture Fashion Contemporary art. Written in an accessible style with ample description and analysis, this textbook is essential reading for students of Japanese culture and society, Asian media and popular culture, globalization, and Asian Studies in general. It is a go-to handbook for interested readers and a compendium for scholars.

Minna No Nihongo Elementary I Second Edition Translation and Grammar Notes - English 3a Corporation,2012-08-02

With this book, learners can confirm the meaning and content of Minna no Nihongo Shokyu I Dai 2-Han Honsatsu (Minna no Nihongo Shokyu I Second Edition - Main Text) in English. This book is very useful when learners are studying by themselves, particularly for class preparation or for reviewing what has been studied in class, or when the instructor does not have time to introduce new vocabulary. Learning efficiency will improve if the learner looks up the vocabulary before class. At the beginning of the book, there is an explanation in English of the characteristics of the Japanese language, Japanese characters, and Japanese pronunciation, as well as a translation of commonly used words and expressions in class.
