

Paul Walker Speed Quote

R Pring

Men and Speed G. Wayne Miller, Wayne Miller, 2009-09-09 What is it that makes a man strap himself into an automobile and drive it hundreds of laps around a track at speeds surpassing 200 miles per hour? Critically acclaimed journalist G. Wayne Miller decided to find out by spending a year on the NASCAR circuit with Roush Racing's legendary owner Jack Roush and his four title-contending Winston Cup drivers: Mark Martin, Jeff Burton, Matt Kenseth, and Kurt Busch. Miller plumbs the allure of speed and the exploding popularity of stock-car racing through the dramatic 2001 season, which opened with the most famous Daytona 500 in history, when NASCAR legend Dale Earnhardt died as his car slammed into the wall on the final turn. Miller takes us inside the minds and behind the wheels of the hottest drivers of the past two seasons, as they cope with the thrills and the dangers along the way to the Cup. Miller also takes us inside Roush Racing, a \$125 million business, showing a side of NASCAR that few fans ever get to see. For longtime fans and curious newcomers alike, Men and Speed takes you for a wild ride through the fastest sport in the land.

On Speed Nicolas Rasmussen, 2008-03-01 An extensively researched account of the ups and downs in the history of uppers Uppers. Crank. Bennies. Dexies. Greenies. Black Beauties. Purple Hearts. Crystal. Ice. And, of course, Speed. Whatever their street names at the moment, amphetamines have been an insistent force in American life since they were marketed as the original antidepressants in the 1930s. On Speed tells the remarkable story of their rise, their fall, and their surprising resurgence. Along the way, it discusses the influence of pharmaceutical marketing on medicine, the evolving scientific understanding of how the human brain works, the role of drugs in maintaining the social order, and the centrality of pills in American life. Above all, however, this is a highly readable biography of a very popular drug. And it is a riveting story. Incorporating extensive new research, On Speed describes the ups and downs (fittingly, there are mostly ups) in the history of amphetamines, and their remarkable pervasiveness. For example, at the same time that amphetamines were becoming part of the diet of many GIs in World War II, an amphetamine-abusing counterculture began to flourish among civilians. In the 1950s, psychiatrists and family doctors alike prescribed amphetamines for a wide variety of ailments, from mental disorders to obesity to emotional distress. By the late 1960s, speed had become a fixture in everyday life: up to ten percent of Americans were thought to be using amphetamines at least occasionally. Although their use was regulated in the 1970s, it didn't take long for amphetamines to make a major comeback, with the discovery of Attention Deficit Disorder and

the role that one drug in the amphetamine family—Ritalin—could play in treating it. Today's most popular diet-assistance drugs differ little from the diet pills of years gone by, still speed at their core. And some of our most popular recreational drugs—including the mellow drug, Ecstasy—are also amphetamines. Whether we want to admit it or not, writes Rasmussen, we're still a nation on speed.

Quote Poet Unquote Dennis O'Driscoll,2008 A teeming mosaic of provocative one-liners and chewy ruminations on the art and practice of poetry.

Walker's Hibernian Magazine, Or, Compendium of Entertaining Knowledge ,1808

The Neyer/James Guide to Pitchers Bill James,Rob Neyer,2008-06-16 Preeminent baseball analyst Bill James and ESPN.com baseball columnist Rob Neyer compile information on pitches and their origins, nearly two thousand pitchers, and more in this comprehensive guide. Pitchers, the pitches they throw, and how they throw them—they're the stuff of constant scrutiny, but there's never been anything like a comprehensive source for such information...until now. Bill James and Rob Neyer spent over a decade compiling the centerpiece of this book, the Pitcher Census, which lists specific information for nearly two thousand pitchers, ranging throughout the history of professional baseball. Their guide also includes a dictionary describing virtually every known pitch, biographies of great pitchers who have been overlooked, and top ten lists for fastballs, spitballs, and everything in between. James and Neyer also weigh in on the debate over pitcher abuse and durability, offer a formula for predicting the Cy Young Award winner, and reveal James's Pitcher Codes. Learn about the origins and development of baseball's most important pitches and more knuckleballers and submariners than you ever thought existed! Baseball's action always starts with the pitchers. Begin to understand them and join in on entertaining debates while having a great deal of fun with the history of the game that captivates so many with this one-of-a-kind guide.

AF Press Clips ,1981

World Series '48 John G. Robertson,Carl T. Madden,2022-12-12 The 1948 World Series gave fans an unusual showdown--neither of the contestants had seen the Fall Classic for a generation. The Cleveland Indians had last won the American League pennant in 1920. The Boston Braves had not been atop the National League since 1914. Both teams featured excellent pitching. Boston's aces were Warren Spahn and Johnny Sain. Cleveland had stalwarts of the mound Bob Feller and Bob Lemon, and surprise knuckleball phenom Gene Bearden. Despite being prohibitive favorites, Cleveland battled through six hard-fought games for the championship. This book recounts every at-bat of the 1948 Series, along with key moments of the regular season, including the antics of colorful Indians' owner Bill Veeck and a near fatality on the diamond.

The Things We Left Unsaid Emma Kennedy,2019-08-01 'So tender and thoughtful. I loved it!!' MARIAN KEYES 'A

gorgeous, rich treat' JANE FALLON 'Warm, intriguing, brimming with tenderness. An utterly joyous book' RUTH JONES

Only the truth will set her free . . . After her wedding is cancelled just hours before she is due to walk down the aisle, Rachel is newly single and must move back in with her mother, Eleanor. But their relationship is far from perfect, and their family home is filled with secrets. It'll take a devastating turn of events for Rachel to finally unravel a powerful truth. One that Eleanor has kept close to her heart for decades. Will unlocking the past help Rachel find the key to her future? _____ 'This book is so incredibly special. . . I already miss the characters so much!!' GABY ROSLIN

'Involving and emotional' JANET ELLIS 'Warm and compelling' WOMAN _____ Early readers love The Things We Left Unsaid: 'A really enjoyable book' 'Truly beautiful. I adored this book. I cried and know that when I read this again and again I'll cry each time' 'A real and full story that was completely relatable' 'An excellent read and I would certainly recommend it!' 'The sense of time and place was very authentic' 'I loved the characters and both them and London felt so alive. The story unfolded at a good pace with lots of treasured moments and the story felt new' 'The little details portraying the different time periods really make this book special. This is definitely one I'll be recommending!!!' 'A beautiful story of relationships and their complications' 'Would recommend without hesitation' 'I absolutely loved it!' 'Set in two time periods, present day and the sixties, this is a compelling tale of two women coming of age and coming to terms with themselves. I absolutely loved this book!' 'I loved this book, from start to finish it had me wanting to keep reading' 'It's funny, sad and intriguing, a must read. I was honestly sad to get to the end' 'A funny, touching story' 'This novel is an absolute gem! I loved absolutely everything about it' 'I loved the way the characters were developed in the story. They worked their way into my heart' 'This author has insight and compassion and is an excellent storyteller, wise and full of empathy'
