A Place of Yes Bethenny Frankel, 2011-03-22 The four-time New York Times bestselling author, talk show host, and “Mommy Mogul” Bethenny Frankel takes us on an empowering journey in *A Place of Yes*. Bethenny Frankel’s no-nonsense, tell-it-like-it-is personality won over countless fans, and made her a nationally bestselling author and the star of her own hit Bravo show *Bethenny Getting Married?* Now Bethenny opens up and shares the obstacles she overcame and the great success she has enjoyed while discovering how to approach life from “A Place of Yes.” Bethenny’s path was not always clear as she overcame a difficult childhood, failed relationships, entrepreneurial efforts that never quite got off the ground, and lifelong money struggles. To deal with these challenges, Bethenny developed ten rules for pursuing her goals with authenticity and drive, including: · Find your truth: Dig deep inside and figure out what is authentic for you, not anybody else. · Act on it: You don’t have to have a master plan. But unless you do something, you’ve done nothing. · Everything’s your business: Treat every job, person, and experience as if it could lead to your next big opportunity. · Own it: If you do it, say it, think it—then own it. Stand up for yourself and fully acknowledge who you really are. Each rule is illustrated with compelling, sometimes funny, sometimes outrageous examples that are pure Bethenny. It’s easy to say no, to say “I can’t,” to expect the worst, and to doubt yourself. But your life can be better than “not bad” or “good enough.” It can be amazing. And by putting Bethenny’s rules together, you can use them to be more successful, more fulfilled, healthier, and happier than ever before.

Thrivers Michele Borba, Ed. D., 2022-03-08 The bestselling author of *UnSelfie* offers 7 teachable traits that will safeguard our kids for the future. We think we have to push our kids to do more, achieve more, BE more. But we’re modeling the wrong traits—like rule-following and caution—and research shows it’s NOT working. This kind of “Striver” mindset isn’t just making kids unhappier, says Dr. Michele Borba...it’s actually the opposite of what it takes to thrive in the uncertain world ahead. Thrivers are different: they flourish in our fast-paced, digital-driven, often uncertain world. Why? Through her in-depth research, Dr. Borba discovered that the difference comes down not to grades or test scores, but to seven character traits that set Thrivers apart—confidence, empathy, self-control, integrity, curiosity, perseverance, and optimism. The even better news: these traits can be taught to children at any age...in fact, parents and educators must do so. In *Thrivers*, Dr. Borba offers practical, actionable ways to develop these traits in children from preschool through high school, showing how to teach kids

how to cope today so they can thrive tomorrow.

This Road I Traveled Carla L. Bailey, 2016-08-24 Come take a walk with me on this road I travel that was a daunting yet blessed journey. Being the mother of a special-needs daughter, along with four children, every day is busy with challenges, but what happens when I get sick and Iâm told that I have only a year to live? What will happen to my children? Who will raise my special-needs daughter? When the doctors lose hope, then I will trust my faith in God more than I ever have before. I pray that my journey can inspire your belief that God is still in charge, and he has the final say when you believe.

Chaya's Angels Chaya Ben Baruch, Elaine Feuer, 2018-12-25 When Chaya Ben Baruch gave birth to her sixth child, a son with Down syndrome, she led her family on a spiritual journey, moving from Alaska to Israel, and adopting more children with special needs, on the way. Whether she's watching her son with Downs marry her adopted daughter with Downs, or fighting for the rights of all special needs children, life is never dull. Chaya even managed to find time to donate a kidney, leaving everyone to wonder, "What's next?" There are few people who have Chaya's combination of character traits: brilliance; bravery; altruism; honesty; and her ability to love, whether it's her own family or other people's children. It is our aspiration for the reader to appreciate the uniqueness and joy that Chaya and her husband, Yisroel, have experienced as parents of children with Downs, and to open the hearts of people, across the globe. Ghandi wrote: "A nation's greatness is measured by how it treats its weakest." Join Chaya and her family on their enchanting odyssey. The world needs this heart-rending story, more than ever! Ariella Bracha Waldinger's Review: "Every pregnant woman fears the possibility of birthing a child with special needs, but Chaya Ben Baruch, in her spiritually uplifting book, Chaya's Angels teaches the reader the true beauty of raising these special souls. Chaya's book allows the stereotypical belief of Downs babies to crumble: she removes all the negative labels attached to them; depicting their true beauty and inner light. Chaya takes the reader on an epic journey into the personal lives of she and her husband, as they dive into the uncharted waters of raising multiple Down syndrome babies. Gifted with an overflowing love and a passion to meet the needs of these babies, Chaya and her husband love these children unconditionally. They band together, through love and devotion, to give these children exactly what they need to thrive. As a result of reading Chaya's book, I learned key information and extensive details about the demands of parenting special needs children. I also learned the rich rewards bestowed upon the brave of heart, who dare to embrace this difficult task. Anyone who has an interest in reading an amazing story of inspiration, or is curious about what it takes to raise babies and children with Down syndrome, will benefit from reading Chaya's Angels. This book is a powerful contribution to children and adults with special needs, giving the reader a deeper understanding of the joys and rewards of life with these remarkable individuals." Shira Yehudit's Review: "Chaya's Angels is an honest, no-holds-barred account of the life of an incredible woman, who has devoted her life to rescuing and caring for special needs children - not in some cold, clinical, institution, but in her home, and in her heart. Chaya makes no bones about sharing the trials and tribulations, the hardships

and heartache of caring for and bringing up these special children – and sometimes losing them. But most of all, “Chaya’s Angels” shows us, in a vivid, personal language that speaks from the heart, the joy of having a special needs child in our lives, as part of our family. Chaya lets us feel the pure love that these children radiate to those around them, and helps us to understand that these children really are just that - special. And if this book does nothing more than persuade just one family to think twice about giving away their newborn special needs baby - for that, it was worth writing. But “Chaya’s Angels” is a very powerful, moving book, and I believe it will do much, much more than that...”
