Guilty Pleasures Laurell K. Hamilton, 2002-09-24 Meet Anita Blake, Vampire Hunter, in the first novel in the #1 New York Times bestselling series that “blends the genres of romance, horror and adventure with stunning panache”(Diana Gabaldon). Laurell K. Hamilton’s bestselling series has captured readers’ wildest imaginations and addicted them to a seductive world where supernatural hungers collide with the desires of the human heart, starring a heroine like no other... Anita Blake is small, dark, and dangerous. Her turf is the city of St. Louis. Her job: re-animating the dead and killing the undead who take things too far. But when the city’s most powerful vampire asks her to solve a series of vicious slayings, Anita must confront her greatest fear—her undeniable attraction to master vampire Jean-Claude, one of the creatures she is sworn to destroy... “What The Da Vinci Code did for the religious thriller, the Anita Blake series has done for the vampire novel.”—USA Today

Jason Laurell K. Hamilton, 2014-12-02 Enjoying pain with your pleasure is something you either get, or you don't. If you get it, then you don't really need it explained, because you know how good it feels, and if you don't get it then no amount of talking is going to convince you it makes sense. But sometimes you have to explain the unexplainable, especially if the love of your life needs to understand, or she'll leave you. Jason Schuyler is one of Anita Blake's best friends and favorite werewolves, with benefits. J.J. is his lady love, an old flame from childhood who dances at one of the top ballet companies in New York. She's accomplished, beautiful, and she's crazy about him, too. Neither of them wants to be monogamous, so what could go wrong? J.J. is enthusiastically bisexual, with an emphasis on the female side of things. She plans to keep sleeping with women, because Jason can't meet that need, just like she can't meet Jason's need for rough sex and bondage. J.J. doesn't understand why Jason isn't content to go elsewhere for a need she can't fulfil, so Jason asks Anita to help him explain. Anita is having her own relationship growing pains with her only female lover ever, Jade. Jason suggests that J.J. might be able to help Anita with her girl problem, while she helps him with his kinky explanations. With some encouragement from a few other lovers in Anita's life she reluctantly agrees, and J. J. makes plans to fly into town for an experience that none of them will ever forget.

A Shiver of Light Laurell K. Hamilton, 2015-04-28 Merry Gentry, ex-private detective and full-time princess, is now the mother of triplets, a rarity in the high ranks of faerie. And not everyone is happy about it, including Taranis, King of Light and Illusion. He's using the human courts to sue for visitation rights, claiming that one of the babies is his. To save herself and her children, Merry will use the most dangerous powers in all of faerie: a god of death, a warrior known as the Darkness, the Killing Frost, and a king of nightmares. They are her lovers, and her dearest loves, and they will face down the might of the high courts of faerie—while trying to keep the war from spreading to innocent humans in Los Angeles, who are in danger of becoming collateral damage.

Smolder Laurell K. Hamilton, 2023-09-26 Vampire hunter Anita Blake is no stranger to killing monsters. It's part of her job as a Preternatural U.S. Marshal, after all. But even her experience isn't enough to stop something that is bent on destroying everything—and everyone—she loves. Anita Blake is engaged to Jean-Claude, the new vampire king of America. Humans think she's gone over to the side of the monsters. The vampires fear that their new king has fallen under the spell of the most powerful necromancer in a thousand years. In the midst of wedding preparations—including getting Edward, aka U.S. Marshal Ted Forrester, fitted as best man—Anita gets a call that the local police need her expertise at a brutal murder scene linked to a nationwide slaughter of vampires and humans, dubbed the Sunshine Murders. But there is more than just a murderer to catch: an ancient evil has arrived in St. Louis to challenge Jean-Claude for his crown, his life, Anita, and all they hold dear. Even with Jean-Claude's new powers as king and Anita's necromancy, it isn't enough; they must embrace their triumvirate or allow primeval darkness to spread across the country, possessing first the vampires and then the humans. Evil will triumph unless Jean-Claude and Anita can prove that love conquers all.

Slay Laurell K. Hamilton, 2024-10-22 Laurell K. Hamilton has captivated readers with her gritty, seductive tales of vampire hunter Anita Blake for thirty bloody fantastic years. Now, in the thirtieth novel in the #1 New York Times bestselling series, wedding bells are ringing. But before Anita can make it to the altar, she must face an obstacle more daunting than any supernatural threat.... Necromancer Anita Blake is small, dark, and dangerous. Her turf is the city of St. Louis. Her job: U.S. Marshal—Preternatural Branch. She's faced horrifying monsters and brutal killers and come out the other side still standing. Considering how things in her life tend to go, Anita never expected her walk down the aisle with Jean-Claude to go smoothly. They've already been confronted with naysayers and a power-hungry ancient evil, but now Anita has to do the one thing that actually scares her: introduce her very religious, very human relatives to her fiancé—the newly crowned vampire king of America. As Anita tries to keep the peace between the family she left behind and the family she's chosen, dark forces jump at the chance to take advantage of the chaos. With her happy-ever-after at risk and everyone's immortal souls hanging in the balance, Anita grapples with a hard truth: Blood makes you related, but loyalty makes you family.

Sucker Punch Laurell K. Hamilton, 2020 A brutal murder, a suspect in jail, and an execution planned, but what if the

wrong person is about to be executed? When a fellow U.S. Marshal asks Anita Blake to fly to a tiny community in Michigan's Upper Peninsula on an emergency consult, she knows time is running short. When she gets there, there is plenty of proof that a young wereleopard killed his uncle in the most gruesome and bloodiest way possible. As the mounting evidence points to him, a warrant of execution is already under way. But something seems off about the murder, and Anita has been asked to examine the crime scene and the evidence for her expert opinion. Despite the escalating pressure from local cops and the family's cries for justice for their dead patriarch, Anita quickly realizes that the evidence doesn't quite add up. But with a tight-knit community up in arms and fear against supernaturals growing, time is almost up, as Anita races to uncover the truth and determine whether the Marshals have caught the killer or are about to execute an innocent man, all in the name of justice.--
