Menopausal Musings & Other Stories Elias Sassoon,2012-03-11 Menopausal Musings is a collection of small novellas. Each novella follows the inner world of one character's contorted thoughts as they cope with the crisis of middle age. We observe these afflicted people as they exist at different times of day. All are urban characters who live alone in New York City. All are trapped within the walls of their apartments and trapped in their minds and unable to escape. We listen and observe as their minds twirl with hopes, dreams, bitterness, and anger. We cringe as we watch their souls cringe because of isolation from family, friends, and the rest of humanity. They're humans set adrift in a unforgiving world with its billions of unmarked faces. Yet, their pain is our pain; their longing is our longing. And, that is the whole point.

The Flatt Family Stories Ernest Allen Flatt Sr., 2021-10-18 The Flatts have always been great believers that God comes first, closely followed by family. Though they may agree or disagree about a variety of subjects, they will always be the Flatt family—proud and strong. In collection of stories that were told to him while growing up, Ernest Allen Flatt, Sr. shares insight into both sides of the Flatts that include his mother's family, the Griffins. Throughout the action-packed tales that begin in 1898 and continue through the present day, Flatt offers an entertaining glimpse into the two families' experiences as they moved from Tennessee to Kentucky, and then to Ohio and back to Tennessee again; married and gave birth to offspring; attempted to survive the challenges surrounding the Great Depression and two world wars; and dealt with killers. Flatt also shares background into his own life as he transformed into a professional musician, married twice, raised children, bought two motorcycles in the same day, retired, and battled health issues. Included are two family trees that can be utilized as a reference. *The Flatt Family Stories* is the memoir of two Southern families as they navigated through one hundred and twenty-three years of life.

The Two Antonias: Two Sassy and Sexy Short Stories From the Wonderfully Wicked Women Series T.

Goodman, 2020-09-15 *The Two Antonias* is a book of two deliciously sexy, sassy short stories. The two main characters, both named Antonia, are similar yet different. In the first story, Antonia "Stix" Grimaldi is a biracial black woman who was born into a very rich family. Stix, as she is called, is truly a modern, independent woman who has everything that money can buy. She has a very active social life but has no desire to marry. Stix doesn't want to share her wealth with a husband. She keeps her wealth a secret from her lovers. The one thing that Stix does desire is to have a child, and she is making a list of potential baby daddies. Stix soon has an encounter with a Marine named Jamie. Jamie is a tall, handsome, and extremely well-endowed Cuban-American. Initially, Stix feels that Jamie would not only be satisfying in bed but also would be a perfect father for her future child. Stix finds out that she is completely wrong about Jamie being a good father. Jamie is only interested in finding a rich white woman to take care of him for the rest of his life. He's not interested in the petite but beautiful black woman. Jamie sleeps with Stix anyway and is pleasantly surprised at how sexually compatible they are. Jamie begins to care for Stix, but he thinks she does not have the finances that he craves. Stix keeps her finances a secret and enjoys Jamie sexually until she meets his twin brother, Johnny. Johnny is a motorcycle-riding bad boy with a murder in his past. Stix falls hard for Johnny. See what happens when the two brothers collide. See what happens when Jamie finds out Stix is a multibillionaire and has more money than we ever dreamed of. The situation gets hot! Which twin will win? The second story is about Antonia "Tee" Charles, a black woman of extraordinary beauty. Tee's grandfather is a white man who takes advantage of her grandmother who works for him. That union produces the beautiful Anna, Tee's mother. Anna is forbidden to socialize with any of the boys from town, but Anna is enticed by one of the boys and gets pregnant. The extraordinarily beautiful Antonia is

born. Tee was not born with money but uses her beauty and brains to capture the heart of a rich doctor who takes her to another country. Tee feels that she has finally found happiness and that she has the perfect marriage. Tee finds out that her husband is keeping a big secret from her. Tee loves him and accepts the truth but is soon devastated by his death. She returns to the United States, where she encounters Jason Canova. Jason is a prominent Italian attorney who is married but has never been in love. He married his much-older wife because she was rich. Jason doesn't have a lot of experience with women. Before his wife, he was a virgin. His only experience beforehand was in his bathroom, looking at girly magazines and pleasuring himself. Jason is attracted to Tee and becomes obsessed with her. He desires her badly. Tee likes Jason but doesn't want to get involved with a married man. Jason pursues her relentlessly. Tee has always had an insatiable sexual appetite, but she has been celibate since the death of her husband. Tee is intrigued by Jason's total mastery in the courtroom and his complete naivety about women. What will happen? Will Jason wear Tee down? Will he have her? Will he leave his wife? Come along to witness the intrigue and adventure of the two Antonias. Be you male or female, these stories are to be enjoyed by the wonderfully wicked!

Pornography, Ideology, and the Internet Zhang Mei, 2018-10-22 This book starts from the discussion of a pornography, but does not end with pornography. Rather, it suggests that a pornographic star can be treated as a cultural product which obtains rich cultural meanings. It contributes to the debate between the global homogenization paradigm and the creolization paradigm which predominates in multiple disciplines, through a thorough examination of the entire process of the cross-cultural migration of Aoi Sola, a Japanese adult video (AV) actress who has achieved amazing popularity in mainland China since 2010. Through fifteen-month participant observation inside the two Chinese agencies of Sola, this study reveals that the transformative intermediaries play a significant role in the transformation of the cultural product in the Chinese context, even though their operations are usually invisible to outsiders. The findings challenge the conventional scholarly assumption that foreign products produced by global producers are consumed "directly" by local consumers or that the significance of these intermediaries can be ignored. This study further extends the participant observation inside the realistic field to the virtual space of media in different countries, which can be called the second field. It demonstrates that multiple local groups, including intermediaries, Chinese commercial news portals, Party media, and Chinese Internet users, respond to the dominant ideologies in Chinese society by reinterpreting Sola in different, even contradictory, ways. Thus, this research refutes the presumption that a local society is a coherent monolith in the acceptance of foreign cultural products.

The book also deepens the reader's understanding of Chinese Internet usage.

Anthology of the Best French Short Stories French Classical Authors, Developed from oral storytelling tradition from the Middle Ages, short story was developed and diversified so that it is now difficult to characterize it. It cannot be included into a specific genre and substantially differ by country and historical period. Short story uses specific techniques to emphasize a singular effect or mood. There are many funny definitions for short stories: strong essences in small bottles, to say much in a few words, a way of synthesized thinking, a quick way, appropriate to this century, to convey ideas, intelligence on small spaces, etc. It is a very suitable genre for the youth of today, with concise and powerful message. An escape from the real world in a totally different universe for some, an opportunity to relax or a means of procrastination for others. Short stories readers have more powerful, concentrated and intense ideas and emotions. A deep and relaxing art, very appropriate for our time. I brought together in this anthology some of the most beautiful short stories of the classical French literature. The first edition will be continued over many years to come, with other stories at least as beautiful, written by the most famous French authors.
