

The Antichrist And A Cup Of Tea

Jerimiah Asher

The Antichrist and a Cup of Tea Tim Cohen, 1998 THE ANTICHRIST AND A CUP OF TEA presents the fascinating saga of the British Monarchy's centuries-long endeavor to establish a New World Order, and gives hard evidence to suggest the identity of the coming AnitChrist. This is THE FOREMOST book on the subject of the AntiChrist in the world today, and is also highly endorsed. NOTE: The AntiChrist and a Cup of Tea is additionally a royal biography on Charles, Prince of Wales (i.e., Prince Charles of Wales).

The Watchmen's Cry Obadiah Frank, 2004-10 Modern Bible scholars teach that the Church will be miraculously kept from Tribulation in an event called the Rapture, yet the Bible is strangely quiet about such an event This fascinating book finally makes the study of the last days understandable. Using clear explanations, the notion that the church will be raptured before the time of the Great Tribulation is proven a dangerous deception. The key to understanding Bible prophecy is revealed, and the fascinating reason why this key has been kept hidden for generations only to be recently made known is explained.

Return of the Stargods Richard Vizzutti, 2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism. The book also takes the reader though the Bible showing a vast amount of scriptures that the churches ignore or will not deal with. Scriptures reveal that there is a fifth column that lives among us that are working against God's children in establishing a New World Order as an ultimate goal. They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule. But this will not take place until the Rapture of the church takes place first. The Bible is also very clear that a government of fallen angels now runs this earth. They run all aspects of our matrix reality and remain hidden behind a shadow government. There are strong indications in scripture that here is also royalty of non-humans called the Reptilians and Nephilim that rule over us. They are the ones that have come from hell to transform themselves into rulers of this world. The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay. This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine. This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare. It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators. Return of the Stargods is an introduction to the reality

that lies outside the box. If you are a discerning Christian who regards scripture as the final authority and not church, then this book is a must read!

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

HE is Watching Diane Kurtz Calabrese, 2024-04-19 Christians want to lead a righteous life, yet it can be a challenging desire to fulfill while existing in a society plagued by greed, jealousy, envy, and other sins. As a result, many believers want to know who we are today as a people, a nation, and a world, why we are here, what is life’s ultimate purpose, how we will be judged after death, how God fits into all of this, and much more. In a thought-provoking presentation, Diane Calabrese shares details from interviews with clergy from different denominations, applicable scripture, peer-reviewed research, and her own insights and reflections to offer an in-depth exploration of the values, morals, and crimes of humanity. Included with stories and books of the mystics, the book of Enoch, and ancient aliens (the fallen angels) as well as other profoundly important phenomena are testimonies from those who had near-death or out-of-body experiences, witnessed paranormal activity, or saw visions or apparitions of the Blessed Mother. *He Is Watching* shares insights from clergy, the Bible, research, and a devoted Christian to help believers determine whether they are truly ready to meet Christ one day. “I highly recommend this thought-provoking book to anyone seeking a deeper understanding of Christian living and a renewed commitment to a life of purpose and virtue.” —Miguel Bustillos, pastor, exorcist, and Christian counselor

A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I (BOOK SERIES) Tracy Jones, 2025-06-24 A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION: BOOK I VOLUME I In this edition, Tracy Jones

delves deeper into the profound mysteries of our Eternal Existence from a NON-RELIGIOUS perspective because life and death occur regardless of religious affiliation or lack thereof. Jones seamlessly weaves together Science, Creation, and the Technology that brings Bible Prophecy into our reality. BACK COVER: God, who is an Eternal Spirit, created our universal presence in Heaven, as Eternal Spirit Life Energy, in His likeness. Our same Spirit, which now resides within our body, is the only thing that is eternal, everything else perishes...the body, material things, and the spheres. Therefore, if we were living an infinite Life in Heaven with the Lord, how did we transition to living a finite Life on Earth, captive to certain death? We desire our lives to last forever! Truth is: We each, individually, betrayed God (sinned), rebelled, and therefore, you and I were cast out of Heaven along with Lucifer; whereby, the Force of Gravity holds us away from God's Holy Presence. We now live in the darkness of the abyss, and this darkness is real, close your eyes, what do you see? The darkness that we still are! The evidence of your betrayal and rebellious behavior is your undeniable Natural Death, which is to come: "For the wages of sin is death" (Rom 6:23), in Heaven, and on Earth. As a result, you see death happening all around you, and you know that, in the back of your mind, you could be next. Therefore, we were sinners long before Adam and Eve were created, hence the reason that we are born sinners. And the reason for planting the two trees in the Garden of Eden, as well as the writing of the names of the redeemed in the Book of Life. Follow this chronological journey through our Eternal History as we examine how death fits into the mystery of our eternal life. Discover the cause, intent, and consequences of the only two death sentences and penalties that God has ever issued to His Creation. We will evaluate Science (Man-Made Theories) and Technology, alongside Creation which reveals God's Divine Redemption Plan to save us from the Second Death (Rev 20:14), with Heaven, Hell, Earth, Satan, Jesus, all of us...the Angels, Death and Time, each having a role to play. "Time" was designed to take us from the beginning of God's redemption plan to the end, yet "Time" is personal because, upon your demise, it is said that your time is up, and you are buried, but "Time" marches on according to God's purpose alone. You will come to realize that God is NOT to blame for all the "ills" in the world, for His objective is to redeem us through Jesus Christ so that we will avoid The Second Death based on freedom of CHOICE between...eternal life and eternal death that is before us with each breath: "I have set before you life and death" (Deut 30:19). God's plan allows for the summation of our life's choices and decisions to make our eternal choice for us. This is why death is designed as a surprise element and not a planned event, you cannot plan your choice, you must live your choice! This book series will explore how God repurposed the Earth for our redemption...the design details, End Time Prophecy, DNA Manipulation, and the current biomedically engineered plagues (COVID, etc.) or Death Tests that are before us. And will reveal the elite's purpose for UFOs and Computer Technology that allows them to communicate and receive knowledge from the darkness of the unseen realm, or as they call them...Aliens, as a result of our "Tree" selection in the Garden...And to our surprise, we do "surely die" (Gen 2:17). You are awaiting your turn to die, like me...right? We are living near the close of God's redemption plan...The End Times. Therefore, the goal is to aid you in

determining if what you believe is fact or fiction before your certain date with death, so that you can make an informed decision about your life, death, and eternal future!

Mystery Babylon The Great-er London - Second Addition Barry Gumm,2017-05-01 In this work Barry Gumm has focused on Biblical numerology, Astronomy and traditional astrology science. He focuses on specific chapters in the Book of Revelation. In his work he uses the above methods to define the future date of the end of the age. As an evangelical theologian I acknowledge the Bible places significance on numbers (7 - perfection, 10 -complete, 40 - in all directions (North, South, East and West - High, Deep, Wide and Long) complete). Much has been written about the truth there are no numbers in the Hebrew and Greek character set _ that context determines if a character is a letter or a number. A well known example is the Greek word for Our Lord Jesus (6k. iasou - - 1 - 10, a - 8, 5 - 200, 0 -70, u - 400) $5 - 200 = 888$). The Bible uses numbers for perfection, completeness, unity, divisions as mentioned. Astronomy has been noted the alignment of planets in our solar system and the effect of star definition on human condition, affairs and relationships. Barry's work clearly defines his concept and calculation on end times. We know from the Holy Scripture we are in the end times - especially when it is evident that attitudes to our Christian civilization, heritage and way of life are being disestablished (Romans 1:18-32); 1 Timothy 6:3-10; 2 Timothy 3:1-9; 2 Peter 2:1-22; 3:1-10). Barry has spent a great deal of his work examining the evils of the love of money mentioned in the above references.

London Harlot 666 Barry Gumm,Austin Gumm,2014-07-04 For many years, I have pondered who these symbolic creatures are and this Harlot & Mother of Harlots were in the book of Revelation, and for some time I must confess, I thought the same as many that the Pope was the Beast. However, the Pope for the Beast just did not fit right with me from a financial aspect. To me the Pope certainly fitted the bill on a religious point of view and financially from the history of selling "apostles" bones and the various books that talked about the history of the Pope's and the Roman church as a whole. Catholic so I found out means universal, Therefore the Roman Catholic Church is really the Roman Universal Church. Every time one says Catholic Church, they are saying Universal Church and therefore one should address the Catholic Church as the Roman Catholic Church. As I moved on in life and become an insurance advisor, financial planner then "stockbroker" and in Christian life the whole financial system was the beast including the Roman Catholic Church at least in part. Why I say in part is because I believe that John 3 v16 is true, which reads "God so loved the world that he gave his only begotten Son that whosoever should believe, would not perish but receive everlasting life" Barry & Austin Gumm 11 | P a g e Introduction Now that is quite a deal, just believe - trust and obey and you get to live forever without pain, sickness and sorrow. Cannot buy it, cannot give it, cannot own it, cannot work for it, just believe, trust and obey and it yours no matter what you done in the past. What an incredible deal! Still I wanted to know what these signs meant, and have done for 32 years. Then in the last couple of weeks from around 1st May 2014 to mid-2014 it all came together for me in just two weeks. God showed to me, lead me to

places on the Internet some of which I had physically been to, and seen when I was just 9 or 10 years old. I can still remember seeing the Beast's / Harlots Cup when I was aged just 9 years old, on display in the London Museum and thinking why would you make or drink out of a cup that large? I was just nine so the Cup looked enormous to me. Off course the answer came some 41 to 42 years later, if you are going to cause that much hurt and harm to people you need a large cup and constantly refill it. This is another book I am incredible appreciative that the Lord God of Heaven and Earth and the ones to come should choose me.. In fact one could have known most of what Revelation 17 was talking about in full from 1954! Why has so many missed the Beast's cup described in Revelation 17 including myself for so long..... I mean millions of people have seen it yet it is almost impossible to find one talking and unveiling it as it were to the world. Why have millions of people and probably tens of Thousands of Priests and pastors missed it? I do not have the answer maybe it has something to do with the words on the placard that says "Royal Cup" and they discounted the Images Gold and Pearls and did not compare to Revelation 17. One of the Images on the Cup is a Beast! If I had lived in England past the age of 11 and become Born Again, I would have gone and found it a lot earlier, but never mind it is being declared to the world now. This book is going to cover a lot aspects mentioned in the book of Revelation. It will cover at least in part, some of the other books and scriptures as well. What I am not going to do is what most other Christian writers have done and that is "prove" their thoughts by quoting other scriptures, which may seem to relate but quite often do not. Having said that I think there is one scripture that I may actually do that in this book. As I improved the introduction on the 21st June 2014, I brought a book at Lifehouse Church Coffs Harbour and devoured the book 250 pages in 2.5 hours I took it back and said I would pay for it as I had read it. What I read for the first 155 pages was confusion I felt like throwing it in the bin! It was a New York best seller! Not Lifehouse fault at all the writer was from the USA, Life house just had it in their book shop. The chap that wrote tried to prove his view with scriptures backing up scriptures. How let me ask you a question and let's say you have a analytical personality and you are trying to access God is real. You read a scripture, then another to back that up that sort of fits and then another to back up the last one, then another that backs up that one, but then you end up where you started. How do you know what is True? And that is what this book was like. Then I thought about it, well I be around for 32 years, so this book may be alright for a person who has not been saved for as long as I have. Then I remembered the words someone told me you have to read multiple books that have different views have a complete understanding. Sound's logical. Then comes the question well how many to prove what? In the financial markets I discovered the No:1 Top Secret and I can mathematically calculate a projection, a future price with a greater accuracy than 99.????%. Yes I measure it to the forth decimal point! Something I have not seen anyone do except those who have read my books! Not one broker advertises his success rate. And for good reason they do not know the mathematical truth in the markets as related to what God has Created. Now if I can do that with the Law of Vibration and Harmony on the financial markets (anyone) then why can I not do

that with God and his Universe and more to the point his mathematical Musical Clock called our Solar System? I can and you will see me prove it in this book. I mean God wrote the book of Numbers, God's Word the Holy Bible has been proven mathematically true by Ivan Panin and his Bible Numerics.¹ Then off course there is Bible Code that is said to unveil mathematical secrets (words and names) hidden numerically in the words of the Bible² 1 <http://www.biblebelievers.org.au/panin2.htm> 2 <http://www.thebiblecode.com/> Now if those things are true why quote scripture on scripture on scripture and end up with a book that is not proven mathematically and just end up with a lot of quotes, for some this is enough and certainly the best way to approach God is to ask him However either straight away or later it is nice to have proof. Now God gives proof personally, just ask him and he will prove himself to you. However that is not the subject of this book, but rather, a look at Revelations and prove the scriptures TRUE with simple mathematics of the Solar System. After all God said Genesis 1 V14 KJV And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: And there will be signs in sun and moon and stars, and on the earth distress of nations in perplexity because of the roaring of the sea and the waves. Luke 21 v 25 ESV Now God has made them for signs, in the Sun, Moon and Stars. Now God has made them for signs, what signs, how can we use them? The Solar System has been there since Genesis chapter one. Let's think about that for thousands of years the planets of our Solar System have been going around the Sun and around the Earth (all but three) which are the Sun, Mercury and Venus and are perfectly ordered. Therefore they have to comply with the mathematics that God has used to order their way as it were. He could not have them bumping into earth could you imagine if Jupiter hit earth, bang everyone wiped out. NO God set them in cycles that were mathematically correct! Therefore the mathematics of the Solar System are far better to use for past present and future signs than any man made calendar. Farmers today in 2014 still use the seasons and moons to plant crops, fisherman on fish on certain moons and so on.³ Therefore in this book everything where possible is backed up and proven and future events to come are mathematically analysed. Why Mathematically? Well numbers do not lie. There are a few different calendars that you can go by, but the mathematics of God's Musical Clock our Solar System cannot be altered or changed in any way unless God changes them! 3 http://www.the-gardeners-calendar.co.uk/moon_planting.asp Which he has done twice, once with Joshua⁴ and once with King Hezekiah⁵. AND with Hezekiah the Sun went backwards 10 steps or 10 degrees. God has made a wonderful orchestrated clock for use to use and verify events in the past, present and future. Another reason I like this method so much is said so beautifully by a Scottish Physicist Lord Kelvin back in 1883. ⁶ I often say that when you can measure what you are speaking about, and express it in numbers, you know something about it; but when you cannot express it in numbers, your knowledge is of a meagre and unsatisfactory kind; it may be the beginning of knowledge, but you have scarcely, in your thoughts, advanced to the stage of science, whatever the matter may be. I just love that quote, God has many numbers in his Holy Bible and every Number and Cycle can be found in the Solar System.

Charting the Supernatural Judgements of Planet Earth Jerimiah Asher, 2010-08-10 Chapter 3 The First Judgment: The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago; however, the present commentary will deal only with the last tens of thousands of years of earth's existence. In Genesis 1:2, the verses written by Moses (as author of the Genesis account) portray an earth that was veiled in darkness so that its form could not be discerned. The earth at that time was covered with water (ice) high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water (Table-2). God's spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark, void planet. God did not create a dark and dismal planet at the beginning, because God does not create darkness; in fact, darkness is incompatible with His existence and presence. So what had happened that God viewed (Gen. 1:2) such a decrepit state of the world? Does scripture attempt to explain this phenomenon, or does the inspired word of God remain silent on this issue? It was first proposed as a theory by

the Scotsman Thomas Chalmers in the early 19th century that a “gap” in time existed between Genesis 1:1 and Genesis 1:2. This gap-in-time would encompass a “ruin-reconstruction theme” and the existence of pre-Adamic living beings. Obviously, a huge catastrophic event would have had to occur to produce this decadent state of the world. The “gap concept” was later popularized by mention in the margin notes of the Scofield Reference Bible.

To whom the majesty of kingship has not been conferred Samuel Tuominen,2022-05-31 How did Sir Isaac Newton, the most important figure of the Scientific Revolution, believe in literal fulfillment of the biblical prophecies on the end-times? What did he say about the foretold Antichrist? What Paul really taught in 2 Thessalonians 2:3 on the revelation of the man of lawlessness? Will Rapture precede that or vice versa? How and why did Princess Diana think that her husband Charles, the Prince of Wales, was a murderer? How and why did she think that there was a conspiracy against her and that he would murder also her in a staged car accident? How does this relate to the biblical prophecies on the foretold Antichrist? Why so many students of the Bible prophecy have taught since the early 1980s that Prince Charles could be actually the foretold Antichrist? To many of us he seems superficially the most unlikely candidate for this role. But is he, in fact, the most likely candidate, based on the number of biblical prophecies on that man what Charles can fulfill more literally than any other presumed Antichrist candidate? How there is hardly any biblical prophecy on that man's foretold attributes that Charles cannot already fulfill one way or another? How has he taken lately a more prominent and visible political role? Why Joe Biden and many other world leaders follow the post-pandemic agenda called Build Back Better that Prince Charles launched in January 2020 at Davos together with the founder of World Economic Forum Klaus Schwab? Why does its expert Justin Haskins think it represents the most significant threat to capitalism and individual liberty in more than a half-century. Why Prince Charles has been compared already with such bloodthirsty tyrants as Pol Pot, like Michael Rubin did in his op-ed in the Washington Examiner, an American conservative news website and weekly magazine? How Charles himself likes to compare himself with the cruel tyrants of the past centuries like Henry VIII? How the Book of Daniel foretold the whole world history of the last twenty-five centuries? How it relates to Prince Charles? Did Daniel see the history of the British Empire and its monarchy? Did he see something epoch-making to happen in 2023? What about the mysterious relic of the Middle Ages, called True Cross? And so much more in this book that one reader characterized as revolutionary.

Shrouded in Darkness Phyllis Popovich,2008-08-27 Shrouded in Darkness by Phyllis Popovich is an intriguing read. She writes on the conspiracy theory, which is my passion; and, she writes on the end-time apostasy of the Church, which is the last great sign of Christs coming. Phyllis deals with the end time plight of Israel, which every Christian should know. Our Lord has revealed to her future events that will occur, which I cannot speak to, because I have not experienced visions. John Daniel, author of Scarlet and the Beast. The result of over 40 years research, Shrouded in Darkness reveals a conspiracy, at which most scoff, but which has spanned nearly 6000 years from the time of Lucifers fall until the present day. It exposes the

plot designed by Lucifer (otherwise referred to as Satan) in his attempt to enthrone Antichrist bringing the world under his tyrannical rule. His influence within the political and spiritual arenas, and his agenda intended to deceive and retain the title deed of the world which was lost in Eden, is minutely depicted. Fully persuaded that God has had foreknowledge of every diabolical device of Satan and his minions, and in Gods wisdom, He is allowing them to reach the end of their own resources, Shrouded in Darkness, is one individuals attempt to reveal the enemys underhanded tactics in an effort to point men and women back to Jesus Christ and the truth of the Gospel.

The Great Judgment Day Lonnie Martin, 2010-12-23 The Great Judgment Day deals with all of the Bible prophecy of that year, not directly associated with the Feast and Festival days (there is a difference). During the year of the Great Judgment, all of humanity who have died up until that point will be judged, Don't be amazed at this, because the time is coming when everyone in their graves will hear His voice 29 and come out, those who have done good things to the Resurrection of Life, and those who have committed evil to the Resurrection of Condemnation. (John 5:28-29). But for the living, the survivors of the Great Tribulation, it will be the Jubilee year, when all 12 tribes of Israel (not just Jews) will return to the ancient land of Israel in a Second Exodus! The rest of the world will be on a fast learning curve when they notice that all of their armies have been destroyed! This year is none other than the Day of Yehovah (the Lord): Because Yehovah has a Day of Vengeance, a year of compensation settling the dispute over Zion. (Isaiah 34:8). GB

The Day of the LORD Is at Hand Benjamin Baruch, 2005-04 This volume covers the great deception many Christians fall under concerning the false rapture theology. Benjamin Baruch expounds on the prophecies of Daniel, Jeremiah, Isaiah and John's Revelation as well as other prophetic warnings in the Scriptures. Researched thoroughly, this work insightfully ties Biblical prophesy with world events, expounding on truth often overlooked or avoided by modern day Biblical scholars. The Day of the LORD is at Hand navigates the reader through end time warnings to help the sincere Christian prepare for the coming of the Lord.

Religion, Globalization, and Culture Peter Beyer, Lori G. Beaman, 2007-10-30 This volume brings together over 25 articles by many of the most important authors who have worked on issues directly related to the theme of religion and globalization. An additional emphasis on culture flags the inclusion of the relation of religion to its wider social context and

also permits questioning the boundaries of religion so as to avoid a strong bias in favour of the analysis of institutionalized religion. The key emphasis of the book, however, is the focus specifically on religion, a topic that is still largely ignored in the burgeoning literature on globalization. The articles are divided into five subthemes: theoretical issues; historical approaches to religion and globalization; forms and boundaries of religion; key issues (such as ecology and gender); and regional perspectives. Contributors: Afe Adogame, Elisabeth Arweck, Lori Beaman, Peter Beyer, John Boli, Gary Bouma, Dave Brewington, George Van Campbell, José Casanova, Paul Freston, Nobutaka Inoue, Laurel Kearns, Otto Maduro, Vasilios Makrides, Meredith McGuire, Vincenzo Pace, Rubina Ramji, James T. Richardson, Ole Riis, Roland Robertson, Marie-Andrée Roy, Shandip Saha, John H. Simpson, James V. Spickard, William Stahl, George Thomas, Bryan Turner, Margit Warburg, and Michael Wilkinson.
