CAPTIVE PRINCE A. C. Fox, 2016-11-20 Save the land, or follow his heart? Time has run out for Lord Domlen. The

Fortress of Rain has been cursed by the enemy Boa Visk, his people trapped as phantoms within its walls, and the rain ever falling across his lands. If he does not break the curse soon, the trapped spirits will become revenir, ghosts that feed upon the life force of the living. He needs a miracle. And he gets one. He learns of a ritual that can break the curse and free his people. But nothing comes without a price, and the price is one Lord Domlen cannot bring himself to pay: the ritual demands blood-royal blood. Desperate, he abducts Prince Falken of Teirlan to be his blood sacrifice on the night of the red moon and forces all gentle emotion far, far away. He must save his people, even at the cost of an innocent life. But as the time of the ritual draws near, how will he find the strength to kill an innocent man? Especially one who reignites all the emotions he believed he'd buried so deeply away? Prince Falken, sorcerer from Teirlan, needs his magic to escape the Fortress of Rain, but the shackles on his wrists have cut him off from his power. When he discovers the servants around him are actually spirits, he understands the stronghold is bound by dark forces—a curse that somehow revolves around his grim, noble captor. There is dark magic here, but how can he help the strong, enigmatic Domlen while he's trapped, his powers bound? There is greater magic than that of the curse, and Falken has resources beyond Domlen's ken. But when the ritual goes horribly wrong, how will Falken make his enemy trust him? And how will he save the man he's coming to love?

The Captive Prince Scott Chantler, 2012-09-01 Book three of the acclaimed *Three Thieves* graphic novel series begins with Dessa, Topper and Fisk, still on the run from the Queen's Dragons, stopping to make camp for the night. While collecting firewood, Dessa happens upon a kidnapping and manages to boldly rescue the captive boy and bring him to safety. Once out of harm's way, the boy reveals that he is Paladin, the crown prince of Medoria! Upon Paladin's safe return to his

kingdom, his father, King Victor the Fourth, decrees three days of celebration in tribute to the three heroes who have saved his precious only son. Dessa, Topper and Fisk know they are taking a risk by remaining in the castle for all that time, but how can they refuse the king? And to make things trickier still, is the charming prince falling for Dessa? The cinematic artwork in this series offers a fully visual experience for young readers looking for an exciting tale of adventure, told in episodes. Dessa's derring-do is on display once again as she's seen swinging into action to save the prince's life (twice!), among other exploits. The fast pace alone is enough to keep young readers turning the pages. Creator Scott Chantler has also crafted a tremendously intriguing fantasy world in these books, fleshing out the intricacies a bit more with every installment. The layers and connections between characters promote critical thinking, while the masterful storytelling provides terrific opportunities for studying story components and literature.

New Frontiers in Popular Romance Susan Fanetti,2022-06-27 In the twenty-first century, the romance genre has gained a growing academic response, including the creation of the International Association for the Study of Popular Romance. Popular romance has long been so ignored and maligned that seemingly every scholarly work on it opens with a lengthy defense of the genre and its value for academic study. Even the early scholarly works on the genre approach it in ways that, while primarily respectful, make sweeping generalizations about popular romance, its texts, and its readers. This essay collection examines the position of the romance genre in the twenty-first century, and the ways in which romance responds to and influences the culture and community in which it exists. Essays are divided into six sections, which cover the genre's relationship with masculinity, the importance of consent, historical romance, representation, social status and web-based romance fiction.
