**Already Toast** Kate Washington, 2021-03-16 The story of one woman's struggle to care for her seriously ill husband—and a revealing look at the role unpaid family caregivers play in a society that fails to provide them with structural support. *Already Toast* shows how all-consuming caregiving can be, how difficult it is to find support, and how the social and literary narratives that have long locked women into providing emotional labor also keep them in unpaid caregiving roles. When Kate Washington and her husband, Brad, learned that he had cancer, they were a young couple: professionals with ascending careers, parents to two small children. Brad's diagnosis stripped those identities away: he became a patient and she his caregiver. Brad's cancer quickly turned aggressive, necessitating a stem-cell transplant that triggered a massive infection, robbing him of his eyesight and nearly of his life. Kate acted as his full-time aide to keep him alive, coordinating his

treatments, making doctors' appointments, calling insurance companies, filling dozens of prescriptions, cleaning commodes, administering IV drugs. She became so burned out that, when she took an online quiz on caregiver self-care, her result cheerily declared: "You're already toast!" Through it all, she felt profoundly alone, but, as she later learned, she was in fact one of millions: an invisible army of family caregivers working every day in America, their unpaid labor keeping our troubled healthcare system afloat. Because our culture both romanticizes and erases the realities of care work, few caregivers have shared their stories publicly. As the baby-boom generation ages, the number of family caregivers will continue to grow. Readable, relatable, timely, and often raw, *Already Toast*—with its clear call for paying and supporting family caregivers—is a crucial intervention in that conversation, bringing together personal experience with deep research to give voice to those tasked with the overlooked, vital work of caring for the seriously ill.

**I Have Some Questions for You** Rebecca Makkai, 2024-02-20 A NEW YORK TIMES BESTSELLER Named a Best Book of 2023 by The Washington Post, People, USA Today, NPR, Esquire, Good Housekeeping, Real Simple, The Boston Globe, CrimeReads and more "A twisty, immersive whodunit perfect for fans of Donna Tartt's *The Secret History*." —People Spellbinding. —The New York Times Book Review [An] irresistible literary page-turner. —The Boston Globe The riveting new novel — part true-crime page-turner, part campus coming-of-age (San Francisco Chronicle) — from the author of the Pulitzer Prize and National Book Award finalist *The Great Believers* A successful film professor and podcaster, Bodie Kane is content to forget her past—the family tragedy that marred her adolescence, her four largely miserable years at a New Hampshire boarding school, and the murder of her former roommate, Thalia Keith, in the spring of their senior year. Though the circumstances surrounding Thalia's death and the conviction of the school's athletic trainer, Omar Evans, are hotly debated online, Bodie prefers—needs—to let sleeping dogs lie. But when the Granby School invites her back to teach a course, Bodie is inexorably drawn to the case and its increasingly apparent flaws. In their rush to convict Omar, did the school and the police overlook other suspects? Is the real killer still out there? As she falls down the very rabbit hole she was so determined to avoid, Bodie begins to wonder if she wasn't as much of an outsider at Granby as she'd thought—if, perhaps, back in 1995, she knew something that might have held the key to solving the case. In *I Have Some Questions for You*, award-winning author Rebecca Makkai has crafted her most irresistible novel yet: a stirring investigation into collective memory and a deeply felt examination of one woman's reckoning with her past, with a transfixing mystery at its heart. Timely, hypnotic, and populated with a cast of unforgettable characters, *I Have Some Questions for You* is at once a compulsive page-turner and a literary triumph.

**Dutch Review of Church History, Volume 85: The Formation of Clerical and Confessional Identities in Early Modern Europe** Wim Janse, Barbara Pitkin, 2006-01-01 The 24 essays in this volume explore the formation of clerical and confessional identities in early modern Europe from three angles. The first part of the book focuses on education and theological training, the second on the interpretation of Scripture and preaching, and the third on the construction of clerical and communal expectations and self understandings. The interdisciplinary discussion intersects with the confessionalization debate and proceeds from comparative perspectives, confessionally, geographically, and dimensionally, local and (inter)national. What is especially innovative is the rich portrait of the complexities of identities and the sources used to determine them. An extensive introduction offers a detailed, systematic overview and lays the foundation for discussions of the volume's refreshing findings. A book review section is annexed. Contributors include: Raymond A. Blacketer, Wietse de Boer, F.G.M. Broeyer, Robert J. Christman, Kathleen M. Comerford, Stefan Ehrenpreis, Riemer A. Faber, David Fors Freeman, Leendert F.
