

Whatever You Think You Become

Allen T. Brown

What you think, you become... Genalin Jimenez, What you think, you become encapsulates the profound concept that our thoughts have a significant impact on shaping our lives, behaviors, and experiences. This phrase highlights the power of our mindset and the importance of cultivating positive, empowering thoughts. It suggests that our beliefs, attitudes, and perceptions influence not only how we perceive ourselves but also how we interact with the world around us. At its core, What you think, you become emphasizes the idea that our internal dialogue, self-talk, and cognitive patterns shape our reality. Positive thinking can lead to increased confidence, resilience, and optimism, while negative thinking can breed self-doubt, fear, and limitation. By embracing a mindset of positivity, gratitude, and self-belief, individuals can unlock their full potential, overcome obstacles, and create a life filled with joy, fulfillment, and success. Moreover, What you think, you become underscores the importance of mindfulness and self-awareness in monitoring and managing our thoughts. By cultivating awareness of our thought patterns and actively choosing to focus on positive, empowering thoughts, we can reshape our mindset and transform our lives. This concept serves as a reminder that we have the power to shape our own destiny through the power of our thoughts and beliefs. In essence, "What you think, you become invites us to harness the transformative power of our thoughts and cultivate a mindset that aligns with our highest aspirations and goals. It encourages us to be mindful of the quality of our thoughts and intentional in shaping our internal dialogue to create a life filled with abundance, happiness, and fulfillment.

Unbeweaveable Katrina Spencer, 2010-07-06 Mariah Stevens doesn't take no for an answer. Her take-charge, tough-as-

nails exterior has helped her become Book Review Editor at Spirit Magazine - no small feat considering she's only 29. She lives in a stunning apartment in Manhattan, her clothes are ripped straight from the runways, and her manicured nails are never chipped. Life is good. Her secret weapon? Her long, glorious weave, which she's been wearing since she was 16. It's her power, her strength, and she's completely addicted to it. She can't even remember what her real hair looks like. In a sudden move, Spirit Magazine folds, and for the first time in her life Mariah is left asking, What's next? With her savings dwindling, she's forced to remove her weave and make the call that she hasn't made in years - the call home. Now Mariah is back home in Houston, living with her bi-racial sister and light-skinned mother, both of whom are blessed with hair long enough to sleep in. Mariah has always stuck out like a sore thumb, and is constantly reminded of such with her dark skin and short, kinky hair. Living in Houston has Mariah facing her old demons, and without the support of her weave she's losing her most important asset: her self-confidence. When she discovers a family secret, it opens doors to her past and threatens to break her already fragile world apart. With her sister by her side, Mariah is determined to learn the truth. Unbeweaveable is about Mariah's quest to confront questions of love, loyalty, and family to find her way back home.

A View From the Pew Steven Johnson, 2017-07-17 *A View from the Pew* is a compilation of Bible mysteries that the author was compelled to research and interpret himself, with the aid of the Holy Spirit, due to his mistrust in individual church doctrines, personalities, and their misguided Bible interpretations. The reader will discover everything the Bible really says about the tribulation, what truly was the thorn that tormented Paul, the true name of God, the exact location of the kingdom of God, and many other topics not normally discussed in church. *A View from the Pew* comprises over forty individual Bible topic studies written by a Spirit-filled recovered alcoholic and drug addict with thirty-two years of sobriety. After reading *A View from the Pew* and applying the principles held within, it is the sincere hope of the author that you find the power within yourself that he found, which allowed him to walk away from cigarettes, drugs, and alcohol. The author was forced into early retirement and was told he had three to five years to live in 2003. Thirteen years later after two strokes, two heart attacks, and then being diagnosed with diabetes, Steven has found a useable power that heals, guides, and protects his life to this very day. *A View from the Pew* is written from the skeptical viewpoint of a member of the congregation and not a seminary student or doctor of theology. To the author, it is not true unless you can show him Bible and verse. Your burning questions about prophecy (does God test man, and is America found in the Bible?) will be shown to you in *A View from a Pew*.

I Don't Give a F***! Prem Dayal, 2015-11-02 I DON'T GIVE A F***! American Mantras to Free the Spirit (A Roadmap to Enlightenment for Godless Mystics). Good old Socrates said: all I know is that I know nothing. If Socrates didn't know it, imagine what it is that I don't know! But there are a hell of a lot of people who say they know a lot, and are therefore much smarter than I and even smarter than Socrates, who certainly would not be someone to be ashamed of as a classmate. There are those who speak with angels, who speak with the dead, with forest creatures, extraterrestrials, goblins and animals... and the luckiest of all speak long distance with God. Sadly, it often happens that these same people, found talking candidly with ghosts, plants, UFOs, sheep, cows and all types of beasts, have serious difficulty communicating with their own children, their partners or with the valet parking dude.
