When Sorrows Come Seanan McGuire,2021-09-14 Toby's getting married! Now in paperback, the fifteenth novel of the Hugo-nominated, New York Times-bestselling October Daye urban fantasy series. It's hard to be a hero. There's always something needing October Toby Daye's attention, and her own desires tend to fall by the wayside in favor of solving the Kingdom's problems. That includes the desire to marry her long-time suitor and current fiancé, Tybalt, San Francisco's King of Cats. She doesn't mean to keep delaying the wedding, it just sort of...happens. And that's why her closest friends have taken the choice out of her hands, ambushing her with a court wedding at the High Court in Toronto. Once the High King gets involved, there's not much even Toby can do to delay things... ...except for getting involved in stopping a plot to overthrow the High Throne itself, destabilizing the Westlands entirely, and keeping her from getting married through nothing more than the sheer volume of chaos it would cause. Can Toby save the Westlands and make it to her own wedding on time? Or is she going to have to choose one over the other? Includes an all-new bonus novella!

The Case of Lizzie Borden and Other Writings Elizabeth Garver Jordan,2024-06-25 The first and only comprehensive collection of writings by Elizabeth Garver Jordan, the groundbreaking journalist, suffragist, and editor whose fearless reporting on women preceded the #MeToo movement and popularized the true-crime genre A Penguin Classic *The Case of Lizzie Borden and Other Writings* is the first to collect Garver Jordan's fiction and journalism, much of which has been out of print for over a century. Jordan began her career as a reporter, making her name as one of few women journalists to cover the Lizzie Borden murder trial for the New York World in 1893. Jordan's distinctive, narrative-driven coverage of the Borden and other high-profile murder cases brought her national visibility, and she turned increasingly to fiction writing. Drawing on her experiences as a true-crime reporter and newspaper editor, she published detective novels and short story collections such as *Tales of the City Room* that explored the fine line between women's criminality and crimes against women. Employing popular genre conventions as a means of dealing with women's issues, Jordan exposed gendered abuse in the workplace and the prevalence of sexual violence. *The Case of Lizzie Borden and Other Writings* encourages readers to draw a historical trajectory from Jordan's pioneering literary activism to the writings of contemporary journalists and novelists whose work continues to fuel discussions of gender, feminism, and crime, raising questions about who gets to tell women's stories, especially in the wake of the #MeToo movement.
