Together with Upwards of a Hundred Original Memoirs of the Most Eminent Living Musicians; and a Summary of the History of Music ,1827

A Dictionary of Musicians from the Earliest Ages to the Present Time ,1824

A General History of Music, from the Earliest Ages to the Present Period Charles Burney,1776

Modern Music and Musicians: Encyclopedia: v. 1. A history of music; special articles; great composers; v. 2. Religious music of the world; vocal music and musicians; the opera; history and guide; v. 3. The theory of music; piano technique; special articles; modern instruments; anecdotes of musicians; dictionary. (musical terms and biography) Louis Charles Elson,1912

A Dictionary of Music and Musicians (A.D. 1450-1880) by Eminent Writers, English and Foreign John Alexander Fuller-Maitland,Adela H. Wodehouse,1889

Jazz and Blues Musicians of South Carolina Benjamin Franklin V,2021-03-09 An oral history of musical genres from the Palmetto State musicians who helped define the sounds From Jabbo Smith, Dizzy Gillespie, and Drink Small to Johnny Helms, Dick Goodwin, and Chris Potter, South Carolina has been home to an impressive number of regionally, nationally, and internationally known jazz and blues musicians. Through richly detailed interviews with nineteen South Carolina musicians, jazz historian and radio host Benjamin Franklin V presents an oral history of the tradition and influence of jazz and the blues in the Palmetto State. Franklin takes as his subjects a range of musicians born between 1905 and 1971, representing every decade in between, to trace the progression of these musical genres from Tommy Benford's and Jabbo Smith's first recording sessions in the summer of 1926 to the present day. Diverse not only in age but also in race, gender, instruments, and style, these musicians exemplify the breadth of South Carolina's jazz and blues performers. In their own colorful words, the musicians recall love affairs with the distinctive sounds of jazz and blues, indoctrinations into the musical world, early gigs, fans, drugs, military service, amateur night at the Apollo Theater, and influential friendships with other well-known musicians. As the story of the South Carolina musical scene is tightly interwoven with that of the nation, these narratives also

include appearances by Tony Bennett, Miles Davis, Count Basie, Helen Merrill, Pharoah Sanders, Sister Rosetta Tharpe, and other significant musicians. These interviews also document the lasting value of music education. In particular they stress the importance of the famed Jenkins Orphanage in Charleston and of South Carolina State University in Orangeburg in nurturing young musicians' talent. Arranged in chronological order by the subjects' birth years, these interviews are augmented by photographs of the musicians, collectively serving as a unique record of representative jazz and blues musicians who have called South Carolina home.

A Dictionary of Music and Musicians (A.D. 1450-1889), 1890

The Oxford Handbook of Faust in Music Lorna Fitzsimmons, Charles McKnight, 2019-07-08 Since its emergence in sixteenth-century Germany, the magician Faust's quest has become one of the most profound themes in Western history. Though variants are found across all media, few adaptations have met with greater acclaim than in music. Bringing together more than two dozen authors in a foundational volume, *The Oxford Handbook of Faust in Music* testifies to the spectacular impact the Faust theme has exerted over the centuries. The Handbook's three-part organization enables readers to follow the evolution of Faust in music across time and stylistic periods. Part I explores symphonic, choral, chamber, and solo Faust works by composers from Beethoven to Schnittke. Part II discusses the range of Faustian operas, and Part III examines Faust's presence in ballet and musical theater. Illustrating the interdisciplinary relationships between music and literature and the fascinating tapestry of intertextual relationships among the works of Faustian music themselves, the volume suggests that rather than merely retelling the story of Faust, these musical compositions contribute significant insights on the tale and its unrivalled cultural impact.
