

Aparta De Ahi Anormal

Javier Ávalos Santilari

La anormalidad mental Jesús Marín Agramunt,19??

Revista de instrucción pública de Nicaragua ,1908

Nostalgia del más allá Javier Urra,Javier Sierra,2018-12-17 Nostalgia del más allá busca ser una donación de la Psicología a la Sociedad. Un texto inteligente y seductor. En nada efímero. Un escrito fantástico que nos lleva a la reflexión de qué somos y qué buscamos, que invita a la acción. Transmisión de vida que se lee deprisa por lo ameno y se saborea despacio por lo profundo. Escrito —recordando a Cervantes— por una persona que ha leído mucho, que ha andado mucho y que sabe mucho. Un análisis exhaustivo de la naturaleza humana. El estilo, un tsunami de ideas, fresco y original. Una pluma seria y elegante. Avanzando lentamente por decantación, creciendo como las stalactitas y stalagmitas. Así se ha elaborado Nostalgia del más allá.

Enfermería en salud mental Genoveva Granados Gámez,Miguel Sánchez Bujalón,2011-06-18 Este manual expone los fundamentos teóricos dirigidos al análisis de las bases conceptuales de la enfermería de la salud mental, en el ámbito general de las directivas de EEEES. . Se profundiza en las intervenciones de prevención, detección, tratamiento y rehabilitación de los trastornos mentales y en los diferentes niveles asistenciales. Los autores, especialistas en la misma área de conocimiento, provienen de historias formativas diferentes.

El frío de ahí afuera Javier Ávalos Santilari,2010-06-20 Se trata de una novela policiaca con elementos de ciencia ficción.Importan menos el asesino y sus motivos que lo que sucede alrededor del detective Víctor Escart, un hombre en permanente reconstrucción.

La educación Carlos Octavio Bunge,1909

El embrujo de los primogénitos Manuel Morera Montes,2013-01-17 El escritor, aunque no se puede desprender de ser conocido como el autor de Manolín ya es un hombre y otros títulos, como el libro de auto-ayuda Reflexiones sobre una transformación, deja por ahora el costumbrismo y nos sorprende esta vez con una historia de ficción, donde se mezclan escenas de la Edad Media y la actualidad. Un atractivo bombero y una detective especializada en casos paranormales y esotéricos son los protagonistas de tan amena aventura. El relato transcurre en la capital valenciana y sus cercanías. Una combinación extraordinaria de sucesos enigmáticos y acción, que acompañada con mucha información cultural e histórica y su habitual forma de escribir sencilla y natural, la hace primordial en nuestra biblioteca. Perfecta novela para que muchos se acerquen con orgullo a la riqueza histórica valenciana. Ya que algunos no van a la cultura, que sea ésta la que se aproxime a ellos. Hagámosla entretenida, suele decir Manuel Morera.

Revista de filosofía ,1918

Hispano americano ,1984

La historia de las aventuras de Joseph Andrews Henry Fielding,2022-09-15 Alfaguara recupera La historia de las aventuras de Joseph Andrews y de su amigo Mr. Abraham Adams escritas a imitación de la manera de Cervantes, autor de Don Quijote : un gran clásico de la literatura universal. «Fielding retrata la naturaleza humana como nadie». Santiago Posteguillo, La Vanguardia De la fórmula «poema épico-cómico en prosa» que Fielding eligió para encuadrar Joseph Andrews dentro de la tradición clásica, el elemento más significativo es, sin duda, el adjetivo «cómico». Inspirándose en don Quijote el autor crea un personaje, el vicario Adams, que ha conseguido, gracias a las virtudes que lo adornan, ganarse el afecto de los lectores de todos los tiempos pese a sus excentricidades y a su absurdo comportamiento. Aunque La historia de las aventuras de Joseph Andrews es una de las mejores introducciones a la Inglaterra del siglo XVIII, su interés no es exclusivamente histórico, pues con el paso del tiempo sigue demostrando cómo Fielding creó en esta novela, iluminándola con su espíritu, un mundo propio que sigue hoy tan vivo como hace más de dos siglos. Críticas: «Fielding es el primero de los novelistas ingleses. Su nombre es inmortal como pintor costumbrista. [...] El padre de la novela inglesa todavía no ha sido alcanzado por sus discípulos más exitosos. Es, como lo llamó Byron, el Homero prosista de la naturaleza humana». Walter Scott «Henry Fielding destacó fundamentalmente por su legado literario, cuya obra establecería los pilares de la novela inglesa». Eugenia Miras, ABC «En el siglo XVIII, un gran autor inglés, Henry Fielding aplica la lección cervantina a sus historias y establece el punto de partida de la gran tradición de la novela inglesa, que llega hasta nuestros días». José María Guelbenzu, El País «En las grandes novelas cómicas de Fielding, el personaje más interesante es siempre el propio narrador». Patricia Craddock, Chicago Tribune
