As a Man Thinketh James Allen,2023-10-02 As a Man Thinketh by James Allen - is a self-help book by James Allen, published in 1903. It was described by Allen as ... [dealing] with the power of thought, and particularly with the use and application of thought to happy and beautiful issues. I have tried to make the book simple, so that all can easily grasp and follow its teaching, and put into practice the methods which it advises. It shows how, in his own thought-world, each man holds the key to every condition, good or bad, that enters into his life, and that, by working patiently and intelligently upon his thoughts, he may remake his life, and transform his circumstances. The price of the book is only one shilling, and it can be carried in the pocket.[2] It was also described by Allen as A book that will help you to help yourself, A pocket companion for thoughtful people, and A book on the power and right application of thought. Basis of the book: The title is influenced by a verse in the Bible from the Book of Proverbs, chapter 23, verse 7: As a man thinketh in his heart, so is he. The full passage, taken from the King James Version, is as follows: Eat thou not the bread of him that hath an evil eye, neither desire thou his dainty meats: For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee. The morsel which thou hast eaten shalt thou vomit up, and lose thy sweet words. While the passage suggests that one should consider the true motivations of a person who is being uncharacteristically generous before accepting his generosity, the title and content of Allen's work refer to the reader himself.

Michael Craig Campbell,2005-08-01 Great towers have been destroyed! Our nuclear power plants remain vulnerable to

attack. Many questions trouble the population of the world: Did the Bible predict 21st Century terrorism? Did World War III, begin September 11, 2001? Do we live in the chaotic last days described by ancient prophets? Are we sufficiently prepared? Will good prevail over evil? Are the dangers of the last days both physical and spiritual? The Bible contains alarming news. But, all the biblical shock and awe is secondary to learning the purpose of life. Coincidences, between scripture and current events, provide clues to the catastrophic signs that will precede the 1000 year Reign of Christ. God's teachings, Satanic opposition, terrorism, prophecies, both Bush Administrations, nuclear war and fallout, terrible disasters, the Gulf and Iraq Wars, World War III, pornography, the Abu Ghraib prison scandal, are all fitting together to complete and reveal a great puzzle. Eternal consequences are of great importance. The scriptures counsel how to cope with latter day challenges. Commandments can't be ignored without suffering consequences. Procrastination is a thief! Apathy towards Jesus Christ poisons the eternal soul. So study, ponder and pray to unlock the secrets of scripture. Then chart your eternal future!

The Addict Richard Galvan, 2024-10-09 Do you know any drug addicts or alcoholics? As an ex junky I wrote this book to help addicts and their devastated families. Throughout my two decades of sobriety, I've been working with those still in the trenches and the folks caught in their orbit, trying to solve the riddle of an unstoppable addict. Why would a person do something so harmful to themselves and the ones they love? Are they a disaster because they're on drugs, or on drugs because

they were a disaster? The drugs are usually just a symptom of a bigger problem. This problem or malady doesn't just manifest itself as a drug addiction; it can also come in the form of: criminal behaviour, eating disorders, gambling problems, anxiety, depression etc. So what can we do? How do we identify the root causes? The answers to these questions are usually buried deep within- we just have to get our hands dirty and do some digging. This book is your shovel, no sponsors or meetings needed. In this book I'll share my story and walk you through a program with a different approach to life and recovery. Let's get started.

Context Cory Doctorow, 2011-10-01 One of the Web's most celebrated high-tech culture mavens returns with this second collection of essays and polemics. Discussing complex topics in an accessible manner, Cory Doctorow's visions of a future where artists have full freedom of expression is tempered with his understanding that creators need to benefit from their own creations. From extolling the Etsy makerverse to excoriating Apple for dumbing down technology while creating an information monopoly, each unique piece is brief, witty, and at the cutting edge of tech. Now a stay-at-home dad as well as an international activist, Doctorow writes as eloquently about creating real-time Internet theater with his daughter as he does while lambasting the corporations that want to profit from inherent intellectual freedoms.
