David J. Leonard, Carmen R. Lugo-Lugo

Latino History and Culture David J. Leonard, Carmen R. Lugo-Lugo, 2015-03-17 Latinos are the fastest growing population in America today. This two-volume encyclopedia traces the history of Latinos in the United States from colonial times to the present, focusing on their impact on the nation in its historical development and current culture. Latino History and Culture covers the myriad ethnic groups that make up the Latino population. It explores issues such as labor, legal and illegal immigration, traditional and immigrant culture, health, education, political activism, art, literature, and family, as well as historical events and developments. A-Z entries cover eras, individuals, organizations and institutions, critical events in U.S. history and the impact of the Latino population, communities and ethnic groups, and key cities and regions. Each entry includes cross references and bibliographic citations, and a comprehensive index and illustrations augment the text.

Pintura puertorriqueña Instituto de Cultura Puertorriqueña, 2012 This catalogue is a compilation of paintings (particularly from painters José Campeche y Jordán (1751-1809) and Francisco Manuel Oller y Cestero (1833-1917)) part of the vast collection of art that the ICP has treasured for more than a century, since its foundation in 1955. Beginning with the first acquisition through the purchase of a work by José Campeche in February of 1959 and up to the last two works acquired in 1977, the Institute has gathered about twenty-four pieces of unique testimonial value in more than one case. With this number, it surpasses the best-known series until then: the Campeche canvases in the Archbishop's palace in San Juan, of which there are twenty.--P. xiii. Includes several essays by well-known Puerto Rican art historians and curators.
