

Blood Countess By Lana Popovic

Lana Harper

Blood Countess Lana Popovic, 2020-01-28 “A lush and bloody historical thriller” based on the infamous real-life inspiration for Countess Dracula, a Hungarian noblewoman turned serial killer. (Kirkus Reviews) In sixteenth-century Hungary, Anna Darvulia has just begun working as a scullery maid for the young and glamorous Countess Elizabeth Báthory. When Elizabeth takes a liking to Anna, she’s vaulted to the dream role of chambermaid, a far cry from the filthy servants’ quarters below. She receives wages generous enough to provide for her family, and the Countess begins to groom Anna as her friend, confidant and lover. It’s not long before Anna falls completely under the Countess’s spell—and the Countess takes full advantage. Isolated from her former friends, family, and fiancé, Anna realizes she’s not a friend but a prisoner of the increasingly cruel Elizabeth. Then come the murders, and Anna knows it’s only a matter of time before the Blood Countess turns on her, too. “Popovic balances lush, romantic language with gruesome imagery in this tale of innocence lost. Readers will likely be inspired to do actual research into Lady Bathory’s murderous misdeeds.” —Booklist “Popovic also touches on how a patriarchal society can drive women to extremes without letting the truly terrifying Bathory, or Anna, off the hook for their own actions.” —Kirkus Reviews “Hand to fans of dark historical fiction and powerful female characters.” —School Library Journal

Beyond the Headlines Jeff Ignatowski, 2024-07-02 Ever wonder about the truth behind the sensationalized headlines when it comes to history's most infamous killers? So did author Jeff Ignatowski, a nationally known speaker on the psychology of serial killers, who turned that curiosity into his meticulously researched collection BEYOND THE HEADLINES: True Crime's Myths and Legends. Includes a Foreword by E.J. Hammon More than a collection of dramatically told true crime stories, Ignatowski's anthology challenges and explores the integrity of widespread myths surrounding infamous personalities such as Jack The Ripper, Dennis Rader, Elizabeth Bathory, Ed Gein, and Ted Bundy. It provides a deeper understanding of their stories through historical insight, criminological analysis, and a careful separation of fact from fiction. Having spent years counseling incarcerated youth offenders and studying serial killer psychology through his collaboration with other true crime and forensic psychiatry experts, he examines in BEYOND THE HEADLINES how these narratives have been molded by and, in turn, shaped public beliefs and media representations. BEYOND THE HEADLINES invites readers to reconsider what they think they know about these monsters and their crimes. By challenging conventional narratives,

readers will come away with a deeper understanding.

Rise and Divine Lana Harper, 2024-08-20 To save both her town and the woman who loves her against all odds, a witch haunted by loss must reckon with her turbulent past, in the next magical romance in the Witches of Thistle Grove series by New York Times bestselling author Lana Harper. Even in a family of chaotic necromancers, Daria “Dasha” Avramov has always been an outlier. An event planner at the Arcane Emporium occult megastore, Dasha is also a devil eater: a rare necromantic witch with an affinity for banishing demons and traversing the veil, the boundary between this realm and the next. Still grieving the loss of both beloved parents years ago, and plagued by a dangerous obsession with the world beyond the veil, Dasha is fiery yet guarded, an expert at dodging commitment. Her worst regret is a devastating breakup with the wise, empathetic, and sensual Ivy Thorn, her event-planning counterpart at Honeycake Orchards, and probably the love of Dasha’s life. Dasha has managed to break Ivy’s heart not once, but twice, so things are more than a little tense between them. When they’re thrown together to plan the Cavalcade—a month-long festival celebrating Thistle Grove’s ceremonial founding with dazzling spectacles held by the town’s witch families—Dasha hopes that the third time might be the charm, while Ivy refuses to let herself be hurt again. As they confront the pain and passion lingering between them, Dasha and Ivy must also stand against an otherworldly threat unlike anything Thistle Grove has faced before.

I Am My Beloveds Jonathan Papernick, 2022-03-02 Ben Seidel wasn't sure how serious they were when he and his wife Shira discussed having an open marriage. But when Shira announces that she is going on a date with Liz, any ambiguity evaporates. Suddenly, every day is new terrain for Ben, navigating between keeping things together with Shira and exploring new partners. And when one of those new partners begins to matter to him more than he ever anticipated, he discovers that the complexities of this new life are only just beginning. Bracingly honest, refreshingly sexy, and deeply empathetic, I AM MY BELOVEDS is the work of a superior storyteller, making real a lifestyle that might be as close as your own bedroom door.

Poison Priestess (Lady Slayers) Lana Popovic, 2021-04-06 Book 2 in the Lady Slayers series, about French murderess and fortune teller Catherine Monvoisin In 17th-century Paris, 19-year-old Catherine Monvoisin is a well-heeled jeweler’s wife with a peculiar taste for the arcane. She lives a comfortable life, far removed from a childhood of abject destitution—until her kind spendthrift of a husband lands them both in debt. Hell-bent on avoiding a return to poverty, Catherine must rely on her prophetic visions and the grimoire gifted to her by a talented diviner to reinvent herself as a sorceress. With the help of the grifter Marie Bosse, Catherine divines fortunes in the Ile de la Citee—home to sorcerers and scoundrels. There she encounters the Marquise de Montespan, a stunning noblewoman. When the Marquise becomes Louis XIV’s royal mistress with Catherine’s help, her ascension catapults Catherine to notoriety. Catherine takes easily to her glittering new life as the Sorceress La Voisin, pitting the depraved noblesse against one other to her advantage. The stakes soar ever higher when her path crosses with that of a young magician. A charged rivalry between sorceress and magician leads to Black Masses,

tangled deceptions, and grisly murder—and sets Catherine on a collision course that threatens her own life.

Payback's a Witch Lana Harper, 2021-10-05

Back In A Spell Lana Harper, 2023-01-03 'The book I've been waiting for all my life' Emily Henry, author of *Beach Read* 'Like if Casey McQuiston wrote paranormal' Goodreads An awkward first date leads to a sparkling romance between one of the most powerful witches in town and a magical newbie in this rom-com by Lana Harper, New York Times bestselling author of *Payback's a Witch*. Even though she won't deny her love for pretty (and pricey) things, Nineve Blackmoore is almost painfully down-to-earth and sensible by Blackmoore standards. But after a year of nursing a broken heart inflicted by the fiancée who all but ditched her at the altar, the powerful witch is sick of feeling down and ready to try something drastically different: a dating app. At her best friend Jessa's urging, she goes on a date with Morty Gutierrez, the nonbinary, offbeat soul of spontaneity and owner of the Shamrock Cauldron. Their date goes about as well as can be expected: awkward and terrible. To make matters worse, once Morty discovers Nina's last name, he's far from a fan; it turns out that the Blackmoores have been bullishly trying to buy the Shamrock out from under Morty and his family. But when Morty begins developing magical powers—something that usually only happens to committed romantic partners once they officially join a founding family—at the same time as Nina's own magic surges beyond her control, Nina must manage Morty's rude awakening to the hidden magical world, uncover its cause, and face the intensity of their own burgeoning connection. Praise for Lana Harper 'A queer rom com that bewitches from the very first page' Publishers Weekly 'John Tucker Must Die but with queer witches' Goodreads 'Compulsively fun' Jacqueline Carey, New York Times bestselling author 'Sexy, charming and completely magical!' Kerry Winfrey 'The perfect autumnal witchy romance!' Goodreads 'Hilariously funny and glue-you-to-the-page engrossing' Bookpage 'I want to go to Thistle Grove' Seanan McGuire, New York Times bestselling author 'It's basically John Tucker Must Die meets *The Craft*, with an extra serving of queer relationships' The Lesbrary 'Charming, sweet, and magical, the perfect book to enjoy on a cosy autumn night' The Nerd Daily 'The kind of book that you just sort of ache to step inside . . . a perfect fall read' Goodreads 'The witchy, sapphic, revenge romcom I've been dreaming of' Goodreads

From Bad to Cursed Lana Harper, 2022-05-17 Wild child Isidora Avramov is a thrill chaser, adept demon summoner, and—despite the whole sexy-evil-sorceress vibe, also a cuddly animal lover. When she's not designing costumes and new storylines for the Arcane Emporium's haunted house, Issa's nursing a secret, conflicted dream of ditching her family's witchy business to become an indie fashion designer in her own right. But when someone starts sabotaging the celebrations leading up to this year's Beltane festival with dark, dangerous magic, a member of the rival Thorn family gets badly hurt—throwing immediate suspicion on the Avramovs. To clear the Avramov name and step up for her family when they need her the most, Issa agrees to serve as a co-investigator, helping none other than Rowan Thorn get to the bottom of things. Rowan is the very definition of lawful good, so tragically noble and by-the-book he makes Issa's teeth hurt. In accordance with their families' complicated

history, he and Issa have been archenemies for years and have grown to heartily loathe each other. But as the unlikely duo follow a perplexing trail of clues to a stunning conclusion, Issa and Rowan discover how little they really know each other and stumble upon a maddening attraction that becomes harder to ignore by the day.
