

Books About Being Single

Amy F Davis Abdallah

The Unexpected Joy of Being Single Catherine Gray, 2018-12-27 'This refreshing, unusual book needs to exist. A culture shift which repositions a single person as someone who is relationship-free, complete, and not lacking is long overdue.' - The i 'Absolutely f*cking brilliant' - Florence Given Having a secret single freak-out? Feeling the red, heart-shaped urgency intensify as the years roll on by? Oh hi! You're in the right place. Over half of Brits aged 25-44 are now single. It's become the norm to remain solo until much later in life, given the average marriage ages of 35 (women) and 38 (men). Many of us are choosing never to marry at all. But society, films, song lyrics and our parents are adamant that a happy ending has to be couple-shaped. That we're incomplete without an 'other half', like a bisected panto pony. Cue: single sorrow. Dating like it's a job. Spending half our lives waiting for somebody-we-fancy to text us back. Feeling haunted by the terms 'spinster' or 'confirmed bachelor.' Catherine Gray took a whole year off dating to find single satisfaction. She lifted the lid on the reasons behind the global single revolution, explored the bizarre ways cultures single-shame, detached from 'all the good ones are gone!' panic and debunked the myth that married people are much happier. Let's start the reverse brainwash, in order to locate - and luxuriate in - single happiness. Are you in? *Spoiler: you're already whole PRAISE FOR CATHERINE GRAY'S WRITING: Fascinating. - Bryony Gordon Not remotely preachy. - The Times Jaunty, shrewd and convincing. - The Telegraph Admirably honest, light, bubbly and remarkably rarely annoying. - The Guardian Truthful, modern and real. - Stylist Brave, witty and brilliantly written. - Marie Claire Haunting, admirable and enlightening. - The Pool

The Art of Being Single Candi Williams, 2019-07-11 Forget everything you've heard about being single Nope, you don't need a better half - you're already whole. And every second waiting for 'the one' is time wasted: time that could be spent living your life your way. Because when you take a moment to stop and look at things differently, you'll soon see that there are so many wonderful reasons to embrace being proudly partner-free. Celebrating the freedom and fun of solo living, this book is brimming with inspiration, ideas and practical advice. From going on me dates and awesome adventures, to staying true to yourself and learning to leave loneliness at the front door, The Art of Being Single is your one-stop guide to living a life you love.

How to Be Single and Happy Jennifer Taitz, 2018-01-16 Single, less stressed, and free If you're tired of swiping through dating apps, ghosting, and hearing well-meaning questions about why you're still single, it's hard not to feel "less-than"

because you haven't found your soul mate. Until now. *How to Be Single and Happy* is an empowering, compassionate guide to stop overanalyzing romantic encounters, get over regrets or guilt about past relationships, and identify what you want and need in a partner. But this isn't just another dating book. Drawing on her extensive expertise as a clinical psychologist, as well as the latest research, hundreds of patient interviews, and key principles in positive psychology, Dr. Jennifer Taitz challenges the most common myths about women and love (like the advice to play hard to get). And while she teaches how to skillfully date, she'll also help you cultivate the mindset, values, and connections that ensure you'll live your best, happiest life, whether single or coupled up.

How to Be Single Liz Tuccillo, 2016-01-26 Fed up with New York City's dating scene and depressed by the marital failures of her friends, thirty-seven-year-old publicist Julie Jenson travels throughout the world to learn how women from other cultures cope with being single.

How to Be Single Discover Press, 2021-05 Discover the Best Way To Take Care Of Yourself and Show Yourself Love and Kindness You Deserve - Learn How To Be Happy and Comfortable Alone! So, you're single. Maybe you always have been; maybe being single is new for you. Either way, the good news is, you're not alone! There are countless people trying to navigate being single and all the feelings and experiences that go along with it. Yet, no matter how many single people there are in the world, society still has this idea that you need someone else in your life to be truly happy. FLASH NEWS, you don't - you can be perfectly happy alone, and this book will show you how! With *How to Be Single: The Art & Science of Being Happy and Comfortable Alone*, you will take the first step on a unique journey that will transform your life and show you how to love yourself and be comfortable in your skin. This book will dive into everything - from weekend plans to tackling the question of why you're single and how to answer it. You will learn easy daily rituals that will help you love yourself more than ever - that's the key to genuine happiness, and now it's within your reach.

Being Single in a Couple's World Xavier Amador, Judith Kiersky, 2016-08-02 You Can Be Single and Happy Whether you are actively looking for a mate or have decided that marriage isn't what you want right now, psychotherapists Xavier Amador and Judith Kiersky can help you deal with the problems that come from being single in a couples' world. Drawing on years of clinical experience and research with both single and married clients, Amador and Kiersky have identified the five common stumbling blocks that can get in the way of enjoying singlehood. Taking a careful look at the obstacles that cause single people the most pain, the authors have developed a four-step plan to help you achieve balance and happiness -- whether or not you stay single. And the first and most challenging step is to stop buying into old-fashioned ideas about singlehood and marriage. Combining clear advice and vivid case examples, *Being Single in a Couples' World* gives all of us the tools we need to find our way to a healthier self and more meaningful relationships.

ThirdWay, 2005-10 Monthly current affairs magazine from a Christian perspective with a focus on politics, society,

economics and culture.

Single, Gay, Christian Gregory Coles, 2017-08-22 In an age where neither society nor the church knows what to do with gay Christians, Greg Coles shares his story—a story about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. This honest, hopeful account shows life through one man's eyes and assures all people: You are not a mistake.

Sex From Scratch Sarah Mirk, 2021-11-09 Modern life calls for modern relationship advice. Sex From Scratch is a love and dating guidebook that gleans real-life knowledge from smart people in a variety of nontraditional relationships. Instead of telling people how to snag a man, seduce a woman, or find true love, the book sums up what dozens of diverse folks have learned the hard way over time. Sarah Mirk offers tips and stories from the steadfastly single to people making open relationships work, from people who've decided they're never going to have kids to parents who are consciously producing the next generation. No matter what type of relationship you're in or what type you want, Mirk's reporterly wisdom and sense of humor provides perspective, humor, and down to earth guidance. This is an essential, fun, insightful resource whose time has come. The 2nd edition contains a ton of new interviews and updates. Featured interviews include Betty Dodson, Michelle Tea, Aya de Leon, Tomas Moniz, Margaret Jacobsen, Ev'Yan Whitney, and more.

How To Be Single And Happy Phoebe Belinda Reynolds, 2021-10-17 A lot of women think their happiness is tied to being in a relationship. I was one of those women and felt like a total failure every time a relationship ended and I was single ... again! Women who are not in a relationship or who do not want to get married are often seen as unhappy and as unsuccessful. These many expectations place a heavy burden on them. Whether you are single or not, this book will help you identify the biggest obstacles that cause singles the most pain, and help you find balance and happiness. A single woman can travel alone, she can go wild and invest in the relationships she has with herself, family, and friends. If you are single and unhappy, then this book is for you. This book will show you that it is fun to be single, and it can lead to more trust and a better understanding of what you want in a relationship. This book also helps you find out what you want and need from a partner. But more importantly, it clearly shows what it takes to build a whole life now, even if you choose not to be in a relationship. Because in the end, you are the only person who can make you happy.

Single at Heart Bella DePaulo, 2024-07-25 A TIMES BEST SELF-HELP BOOK OF 2024 'I nodded along in recognition, grateful to read about other people like me. This is an important book' The Times 'Bella DePaulo isn't just a powerhouse, she's a lighthouse . . . We need more luminaries like her' Catherine Gray, author of The Unexpected Joy of Being Single All too often, society issues dire warnings about the risks of single living. But is finding a romantic partner really a requirement for a full life? World-leading expert on singleness Dr Bella DePaulo argues that a healthy, happy life is possible not in spite of being single - but because of it. DePaulo draws on her research expertise, as well as her own experience as a single woman,

to demonstrate how choosing to be single can provide confidence, strength and deep fulfilment. With advice on topics including solitude, freedom, intimacy, children and societal pressure, *Single at Heart* addresses misconceptions about single life and gives you the tools and self-knowledge to stand up for what is right for you.

Conscious Dating: Finding the Love of Your Life and the Life That You Love David Steele, 2006

Sex and the Single Person Robert G. DeMoss, 1995 As the first book on Single's Sexuality written by a single, *Sex and the Single Person* offers a unique perspective. With humor and biblical insight, Bob DeMoss addresses such important topics as: - The six phases of the singles emotional cycle - Dealing with the problems of divorce and widowhood - Handling sexual desire and temptation - How to prepare for true intimacy in marriage

The Book of Womanhood Amy F Davis Abdallah, 2016-06-30 There are many questions that surround Christian womanhood: What does it mean? When does it happen; at a certain age, status, or maturity? How do we know we're no longer girls? And when we've figured that out, how will others know how to recognise us as a woman rather than a girl? After all, Christian women don't usually get a rite of passage in which they are named a woman. Seeing this need, Amy Davis Abdallah has created such a rite, and this book accompanies it; there is no need to go through her rite of passage, however, to name yourself a woman. *The Book of Womanhood* creates a path through the confusion that surrounds the identity of women by its flexible framework, developing the reader's understanding of a woman's relationship with God, their self, others and creation. Amy writes simply as one perhaps further along in her journey of womanhood than most, and she doesn't write alone; she includes the stories of Biblical women, of friends young and old, and even more. The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys. *The Book of Womanhood* is about recognition, reaching out not only to women, but also to men who seek to understand and empower their wives, daughters, and friends to be the women God has formed them to be. Read for empowerment; read for transformation. Read and become the woman of God you were created to be.

Single Women in Popular Culture A. Taylor, 2011-11-25 *Single Women in Popular Culture* demonstrates how single women continue to be figures of profound cultural anxiety. Examining a wide range of popular media forms, this is a timely, insightful and politically engaged book, exploring the ways in which postfeminism limits the representation of single women in popular culture.

The Challenge of Being Single Marie Edwards, Eleanor Hoover, 1974 When a kindly old woman is richly rewarded for nursing a wounded sparrow back to health, a greedy neighbor attempts to emulate the old woman and brings trouble upon herself and her family.

The Christian Woman's Ultimate Love, Sex and Relationships Manual Lori Michele, 2012-12-26 This is the book dedicated to revealing God's secrets regarding relationships. This is the book that every teenager wishes she read before her first date.

It is the book that every woman wishes she had read before entering college. It is the book that every married woman wishes she had read before tying the knot. This book reveals the following secrets in a very unique way: 1. the secret to becoming a male magnet and getting that marriage proposal 2. the secret to being alone without ever feeling lonely 3. the secret of how God uses our bad experiences for our good and His glory 4. the secret of God's true plan and purpose for sex 5. the secret of enjoying singlehood and dating 6. the secret to picking the right mate for marriage 7. most importantly, the secret of how the bible is the greatest relationship manual ever written. If you are one of those people who always asks Why?, your answer has finally arrived.

So What If I'm Single: 21 Ways to Maximize Being Single Louis The Preachr, 2019-08 If you are single and are reading this book, you are single for a reason. Whether by choice or by force, there is a reason for it. Being single is not a curse upon your life, so don't be so hard on yourself. It is a great blessing. Being single is not just about preparation for your spouse, but preparation for your life. God, life, and the universe want you to take full advantage of your singleness. They want you to experience every great opportunity and blessing this world and life have to offer. You were born for a reason-and a great reason at that. You may have been born to be single at this very moment just to inspire you to live better and conquer more than you would if you were married. However, most individuals forfeit this philosophy because they have been socially scripted and policed to think that a significant other or marriage is the optimal pinnacle in life, only to realize they have missed so many opportunities for success after they entered a relationship. So many people also lay down their dreams, goals, and visions when they say I do. This book illuminates 21 different ways and opportunities presented to you or created by you. You will learn to have a different perspective and shrug with confidence on what it means to be single. So what if I'm single? Congratulations.

Conscious Dating David Steele, 2007-10 We want to be happy in relationships, but don't know how. The old way of dating and mating simply doesn't work anymore. The rules have changed and most of us don't know what the new rules are. In searching for love, most singles are using trial and error, flying by the seat of their pants, or following bad advice. Conscious Dating does not offer manipulative or deceptive practices that compromise who you are, in fact it helps singles celebrate who they are and see being single as an opportunity and not a disease. This is not just another dating book filled with tired ideas about how to get a man or woman. Conscious Dating provides relationship information and strategies proven and tested with thousands of singles worldwide from a pioneering leader in the field of relationships.

The Single's Connection Mary Wan Joo Tay, 2010
