The Book of SHE Sara Avant Stover, 2015-09-15 Women face many challenging transitions on the pilgrimage from girlhood through womanhood: menses, love and heartbreak, motherhood, menopause. Devoid of a central narrative, these rites of passage too often happen in shame and secrecy, leaving women doubting their personal power and self-worth. Bestselling author and founder of The Way of the Happy Woman®, Sara Avant Stover saw how women erroneously viewed these initiations as “curses” and sought to present a new model that reflected the power and wisdom unique to the feminine path. The Book of SHE celebrates all that it means to be a woman, from mythological underpinnings to the cycles of our day-to-day lives. Drawing on archetypes including Mary Magdalene, the Dark Goddess, and Green Tara, Stover will guide you on a journey home to psychological wholeness, personal empowerment, and, ultimately, full feminine spiritual Awakening. Brimming with mystery and magic, this provocative book makes ancient wisdom and healing practices accessible to every woman who is ready to revel in her full femininity — the dark and the light — through joyfully becoming the heroine of her own life.
