

Books For Christians To Read

William CARPENTER (Editor of the “Political Letter.”.)

25 Books Every Christian Should Read Renovare,2011-09-13 For more than twenty years RenovarÉ has pioneered the use of spiritual classics for deepening our lives of discipleship. Their highly praised compendiums Devotional Classics and Spiritual Classics have sold 500,000 copies. Now they have put together a prestigious editorial board and polled respected Christian leaders and thinkers from a variety of Christian traditions, including Catholic, Orthodox, and Protestant, to present the twenty-five most spiritually influential and important books for Christians to read. There are books that should be shaping the church, our faith, and our engagement in the world. From timeless classics like The Imitation of Christ to unexpected selections like Fyodor Dostoevsky’s The Brothers Karamazov and the poetry of Gerard Manley Hopkins, 25 Books Every Christian Should Read provides historical background for each work and explains its importance for modern Christians, while including selected readings from every book to get you started. In addition, each chapter ends with discussion questions to the work for use in small groups or for personal reflection. 25 Books Every Christian Should Read is a pivotal resource for the future of Christianity, an invitation into the fullness and richness of the Christian tradition.

Take and Read Eugene H. Peterson,1995-12-14 Spiritual reading has fallen on bad times. Today, reading is largely a consumer activity, done for information that may fuel ambitions or careers -- and the faster the better. Take and Read represents Eugene H. Peterson's attempt to rekindle the activity of spiritual reading, reading that considers any book that comes to hand in a spiritual way, tuned to the Spirit, alert to intimations of God. Take and Read provides an annotated list of the books that have stood the test of time and that, for Peterson, are spiritually formative in the Christian life. The books on this list range from standard spiritual classics to novels, poems, and mysteries, and include an equally broad spectrum of authors -- from Augustine and C. S. Lewis to William Faulkner and Fyodor Dostoyevsky. Annotations following each entry offer Peterson's own significant insights into the power of each work.

Reading Light William H Cooper Jr,2018-05-23 What are Christians filling their minds with in order to stand strong in this present age of postmodernism and total moral relevance? This is a question that springs to mind when one scans the shelves of the local Christian bookstore. With that in mind, Reading Light presents guidance for Christian readers, featuring recommendations for Christian books that were both educational and enjoyable. It serves not as a scholar offering a lecture but as a friend sharing a good read with others and describing what benefits they can gain from each book. Author William

H. Cooper Jr. stresses the need for Christians to read books with spiritual substance. He focuses on ten authors and their most prominent works, exploring their lives and considering the reasons each book might be beneficial. Intended for individuals, Sunday school groups, or book clubs, this guide provides Christians with essential recommendations for readable books with the promise of great reward.

Jesus Wants to Save Christians Rob Bell, Don Golden, 2012-07-24 The New York Times—bestselling author of *Love Wins* reveals how justice is the key to biblical teaching—and to the answers we seek in our faith today. The New York Times has called Rob Bell “one of the country’s most influential evangelical pastors.” In *Jesus Wants to Save Christians*, he teams up with Dan Golden, Christian activist and vice president of World Relief, to offer a refreshingly simple yet provocative new perspective on the Bible. By following the common thread of justice woven through the fabric of biblical history, the whole Bible becomes much clearer. Justice is the issue when God redeems Israel from Pharaoh. Justice is at the heart of the Sinai law and justice is what Israel must show the world as a kingdom of priests. Justice is the measure the Jews failed to meet in their days of power and empire in Jerusalem. It was justice the prophets proclaimed as the way of return during the exile of the Jews in Babylon and it was justice that Jesus incarnated.

Books and Reading Noah Porter, 1871

Amusements for Christians John R Rice, 2000-08

Reading the Bible Again For the First Time Marcus J. Borg, 2009-10-13 One of the vital challenges facing thoughtful people today is how to read the Bible faithfully without abandoning our sense of truth and history. *Reading the Bible Again for the First Time* provides a much-needed solution to the problem of how to have a fully authentic yet contemporary understanding of the scriptures. Many mistakenly believe there are no choices other than fundamentalism or simply rejecting the Bible as something that can bring meaning to our lives. Answering this modern dilemma, acclaimed author Marcus Borg reveals how it is possible to reconcile the Bible with both a scientific and critical way of thinking and our deepest spiritual needs, leading to a contemporary yet grounded experience of the sacred texts. This seminal book shows you how to read the Bible as it should be examined—in an approach the author calls historical-metaphorical. Borg explores what the Scriptures meant to the ancient communities that produced and lived by them. He then helps us to discover the meaning of these stories, providing the knowledge and perspective to make the wisdom of the Bible an essential part of our modern lives. The author argues that the conventional way of seeing the Bible's origin, authority, and interpretation has become unpersuasive to millions of people in our time, and that we need a fresh way of encountering the Bible that takes the texts seriously but not literally, even as it takes seriously who we have become. Borg traces his personal spiritual journey, describing for readers how he moved from an unquestioning childhood belief in the biblical stories to a more powerful and dynamic relationship with the Bible as a sacred text brimming with meaning and guidance. Using his own experience as an example, he reveals

how the modern crisis of faith is itself rooted in the misinterpretation of sacred texts as historical record and divine dictation, and opens readers to a truer, more abundant perspective. This unique book invites everyone—whatever one's religious background—to engage the Bible, wrestle with its meaning, explore its mysteries, and understand its relevance. Borg shows us how to encounter the Bible in a fresh way that rejects the limits of simple literalism and opens up rich possibilities for our lives.

Reading the Prophets as Christian Scripture (Reading Christian Scripture) Eric J. Tully, 2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture. Although it covers critical issues such as authorship, background, and history, its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon. Particular attention is given to literary issues, such as the structure of each prophetic book. Full-color illustrations, diagrams, and artwork bring the text to life. Additional resources for instructors and students are available through Textbook eSources.

The Christian Advocate, 1912

The Biblical Companion: Or, an Introduction to the Reading and Study of the Holy Scriptures ... Compiled from the Best Authors ... and Adapted for Popular Use. [With a Map.] William CARPENTER (Editor of the "Political Letter.".), 1836

Christian Literature and Review of the Churches, 1894

Reading and Writing in the Time of Jesus Allan Millard, 2005-04-01 Jesus never wrote a book. Most scholars assume that information about Jesus was preserved only orally up until the writing of the Gospels, allowing ample time for the stories of Jesus to grow and diversify. Alan Millard here argues that written reports about Jesus could have been made during his lifetime and that some among his audiences and followers may very well have kept notes, first-hand documents that the Evangelists could weave into their narratives.

Scribes and Scripture John D. Meade, Peter J. Gurry, 2022-09-16 Answers to Common Questions about the Writing, Copying, Canonizing, and Translating of the Bible There are many common questions and misconceptions surrounding the formation and history of the Bible: Why is the Bible composed of the current 66 books instead of others? Why are there so many translations? How are we to understand both the human and divine elements of the Bible? In *Scribes and Scripture*, scholars John D. Meade and Peter J. Gurry answer these questions and give readers tools to interpret the evidence about God's word. Beginning with the history of the Bible—from the invention of the alphabet to the most recent English translations—the book focuses on three main areas: the writing and copying of the Bible, the canonization of the Bible, and

the translation of the Bible. Using Old and New Testament scholarship, Meade and Gurry help God's people better appreciate the story of the Bible as a way to better appreciate the stories in the Bible. Engaging Visual Content: Contains maps, charts, sidebars, and pictures Collaboration of Old Testament and New Testament Scholarship: Written by experts in both Old Testament (Meade) and New Testament (Gurry) textual scholarship Answers Common Questions: Specifically regarding textual criticism, the canon, and Bible translations

The Biblical Companion: Or, An Introduction to the Reading and Study of the Holy Scriptures. Comprising a Comprehensive Digest of the Principles and Details of Biblical Criticism, Interpretation, Theology, History, Natural Science, Etc William Carpenter (Editor of the Political Letter.),1836

Reading the Old Testament with the Ancient Church (Evangelical Ressourcement) Ronald E. Heine,2007-09-01 The contemporary church dismisses Christianity's foundational Scriptures at its own peril. However, the teachings of the Old Testament are less and less at the center of congregational preaching and conversation. The early church fathers--visionaries such as Augustine, Origen, and Tertullian--embraced the Hebrew Scriptures, allowing the Old Testament to play a central role in the formation of their beliefs. As today's Christians struggle to relate to concepts such as the Jewish law and the prophets, pastors and laypersons benefit from looking through the lenses of these thoughtful pioneers. This latest volume in the Evangelical Ressourcement series helps the Old Covenant to come alive.

The Enduring Authority of the Christian Scriptures D. A. Carson,2016-02-29 Valuable insights into key disputed topics from a veritable who's who of evangelical scholars In this volume thirty-seven first-rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it. Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor, editor D. A. Carson assigned the topics that these select scholars address in the book. After an introduction by Carson to the many facets of the current discussion, the contributors present robust essays on relevant historical, biblical, theological, philosophical, epistemological, and comparative-religions topics. To conclude, Carson answers a number of frequently asked questions about the nature of Scripture, cross-referencing these FAQs to the preceding chapters. This comprehensive volume by a team of recognized experts will be the go-to reference on the nature and authority of the Bible for years to come. CONTRIBUTORS James Beilby Kirsten Birkett Henri A. Blocher Craig L. Blomberg D. A. Carson Graham A. Cole Stephen G. Dempster Daniel M. Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E. Hill Peter F. Jensen Robert Kolb Anthony N. New Life in Christ Silvanus Oluoch,2010-06-07 Whenever a person comes to a new place or position, they always require

guidance and directions to help them function or move correctly. This is absolutely true in the case where one becomes a Christian; they need guidance on their newfound faith, and this is the purpose of this book *New Life in Christ*. It clearly addresses the many intricacies and the basics of growing up in the Lord, through topics like the following: | What happens when one becomes a Christian? | Practicing the New life | The company you keep | Church Involvement | What is holiness? | Reading the Bible and other Christian literatures | Is Salvation sinless perfection? | Staying right with God | Learning to take responsibility and so forth As individuals are naturally born into the human family once, there remains a demanding need for them to be born again into Gods family. Thereafter, they have to undergo a meticulous spiritual growth, and *New Life in Christ* spells it all out, encouraging them to order their lives by the principles and the obligations of Gods word.

Religious Reading Paul J. Griffiths, 1999 In examining and analyzing these practices, Griffiths develops a picture of the intellectual and moral commitments involved in being a religious person. Griffiths favorably contrasts the practices and pedagogies of traditional religious cultures with those of our own fragmented and secularized culture and insists that religious reading should be preserved. He concludes with the controversial proposal that the modern university should make room for traditional scholastics.--BOOK JACKET.

Decoding **Books For Christians To Read**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Books For Christians To Read**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
