Ramblin' Jack Elliott Hank Reineke,2009-12-30 The American singer and guitarist Ramblin' Jack Elliott (1931-) is a seminal figure in the folk music revivals of the United States and Great Britain. Declared an American treasure by former President Bill Clinton, Elliott has traveled and performed for more than 50 years, and his life and career neatly parallel the ascension of folk music's renaissance from the 1940s through the present day. *Ramblin' Jack Elliott: The Never-Ending Highway* is the first complete biography of this important figure in the history of folk music. Elliott's music and Beat-era sensibility influenced countless artists in the fields of folk, rock, and country and western music, and Hank Reineke provides the full story of Elliott's relationships and influences. Most notably, his associations with Woody Guthrie and Bob Dylan are well-documented: Elliott is considered Guthrie's most famous protégé and Elliott mentored Dylan in his early career. Reineke also recounts how Elliott's life intersected with Derroll Adams, Jack Kerouac and the Beats, Princess Margaret, James Dean, and scores of others. The book examines the full breadth of Elliott's career, discussing how the rough-edged cowboy singer survived in the music industry and eventually won a Grammy Award for Best Traditional Folk Recording and the prestigious National Medal of the Arts. In addition to the biography, Reineke has amassed the first exhaustive and comprehensive discography of albums from the singer's notable back-catalog (1955-2009), including nearly 60 LP and CD issues, many rare and sought-after 78rpm discs, EPs, and 45rpm recordings, as well as a number of contributions to compilations, soundtracks, festival recordings, and guest appearances. This impressive volume is rounded out with a bibliography, an index, and more than 30 photographs, making this a must-have for scholars and fans of American folk music.

Our Town Steve Reeder,2025-08-04 Penned by a historian who lived most of his life in and around the town he loves, Our Town is a thorough [page number]-page historical record of Monrovia, Indiana. Following the first History of Monrovia, penned by Lena Henley in 1934 for the town's centennial, and local historian Virginia Jett's Monrovia Sesquicentennial History Book, compiled in 1984, historian Steve Reeder's Our Town is Monrovia's bicentennial record. Compiled by Reeder through research and the Local History Project he organized beginning in 2015 to bolster the community and to preserve and recognize its history, this book is largely a record for the community by the community. From the earliest documentation of its settlers in 1608 to its founding in 1834 and transformation in the two hundred years since, this record breaks down the community as a whole, the service of hundreds of veterans, biographical accounts of local legends like Branch McCracken, and much more. For ease of navigation, readers may refer to the nine appendices of compiled data, the thorough index, and over 600 footnote citations, making this book a proven resource for community members, historians, and genealogists alike. The only constant theme in history is change. In this book, walk through the town of Monrovia and see how it changed and grew during more than 200 years of community, service, and achievement, proving this little town has had a big impact on

history.
