**Leadership, Teamwork, and Trust** Watts S. Humphrey, James W. Over, 2010-12-30 Every business is a software business, and every business can profit from improved software processes Leadership, Teamwork, and Trust discusses the critical importance of knowledge work to the success of modern organizations. It explains concrete and necessary steps for reshaping the way in which software development, specifically, is conducted. A sequel to Humphrey's influential *Winning with Software*, this book presents new and copious data to reinforce his widely adopted methods for transforming knowledge work into a significant and sustainable competitive advantage, thereby realizing remarkable returns. Humphrey addresses here the broader business community—executives and senior managers who must recognize that today, every business is a software business.

Diario de sesiones de la Cámara de diputados Argentina. Congreso de la Nación. Cámara de Diputados de la Nación, 1912

Colonel Henry Theodore Titus Antonio Rafael de la Cova, 2016-07-31 The first full-length biography of a saloon-brawling braggart and frontier opportunist turned justice of the peace Henry Theodore Titus (1822-1881) was the quintessential adventurer, soldier of fortune, and small-time entrepreneur, a man for whom any frontier—geographical, cultural, social—was an opportunity for advancement. Although born in Trenton, New Jersey, and raised in New York and Pennsylvania, Titus bore no allegiance to his native soil or the Yankee values of his ancestors. In the 1850s he became a staunch defender of southern slavery, United States expansionism into the Caribbean Basin, and ultimately the Confederacy's war of disunion. In *Colonel Henry Theodore Titus*, the first full-length biography of Titus, Antonio Rafael de la Cova reveals a man whose life and adventures offer glimpses into nineteenth-century America not often examined; these indicate the extent to which personal and collective violence, racial prejudice, and moral ambiguities shaped the country at the time. Belligerent, intemperate, egomaniacal, and of imposing stature, Titus was the *bête noire* of the abolitionist press. Despite his northern roots, he became a caricature of the southern braggart and frontier opportunist. National newspapers followed his reckless

exploits during most of his adult life. Titus fought brawls in the saloons of luxury hotels and narrowly escaped the hangman's noose as a Border Ruffian leader in Bleeding Kansas, a Nicaraguan firing squad as a filibuster, and death in a Comanche ambush in Texas. He nearly prompted an international incident between the United States and Great Britain when he was arrested in Nicaragua for threatening to shoot a British naval officer and disparaging the queen of England. The colonel was jailed in New York City for disorderly conduct and trying to organize the desperate classes for a riot. During his lifetime Titus held more than a dozen occupations, including sawmill owner, postal inspector, soldier of fortune, grocer, planing mill salesman, farmer, slave overseer, turtler, bartender, land speculator, and hotel keeper. He pursued silver mining in the Gadsden Purchase portion of the Arizona Territory where his brother was killed and their hacienda destroyed by Apaches. Despite his violent character and his pro-Confederate values, Titus was politically savvy. He did not take up arms during the Civil War. After a brief stint as assistant quartermaster in the Florida militia, he returned to civilian life and sold foodstuffs and slave labor to the Confederacy. Florida Reconstruction governors later appointed him as notary public and justice of the peace. Rheumatism and gout kept Titus bound to a wheelchair during the last few years of his life when he became an avid civic leader. His greatest legacy was ironically his most benign. Borrowing today's equivalent income value sum of half a million dollars, he established a grocery store and a sawmill in a hardscrabble Florida frontier settlement that became the city of Titusville, the county seat of Brevard County and tourist gateway to Cape Canaveral and the Kennedy Space Center.

**La revolución de las provincias** Terán Fuentes, Mariana, Chust Calero, Manuel, 2024-04-01 El diputado novohispano Miguel Ramos Arizpe fue quien diseñó la propuesta para la creación de las diputaciones provinciales en el marco de la Constitución de 1812. Tema controversial porque podría derivarse, tras su implementación, en estructuras territoriales y administrativas tendientes al federalismo. Ya lo habían advertido algunos representantes peninsulares en la asamblea legislativa. Las Cortes en Cádiz aprobaron su creación ciñéndose al propósito central: el fomento de sus provincias y suprimiendo cualquier atisbo de poder representativo que pudiera implicar una doble soberanía: la provincial y la nacional. Triunfó, frente a las propuestas descentralizadoras de los representantes americanos, la opción centralista de los liberales peninsulares. De esta forma, en el primer periodo de vigencia de la Constitución de 1812 se instalaron las primeras diputaciones provinciales en el mundo hispano. Durante el Trienio Liberal, se multiplicaron y con ello, se propició una revolución al transgredir las atribuciones que la Constitución les permitía. Se volvieron autónomas, soberanas, algunas se reconocieron en estado de naturaleza para definir su forma de gobierno y convertirse en instituciones legislativas. La revolución de las provincias en el mundo hispano es la reunión de distintas aproximaciones realizadas por especialistas de México, España, Centroamérica, Ecuador y Cuba. El marco jurídico gaditano se potenció para una realidad territorial diferenciada, con guerras, con independencias y con el establecimiento de repúblicas. Las diputaciones provinciales tuvieron un papel protagónico en esta revolución que derivó en el desmembramiento de la nación española y en la formación de las nuevas naciones en América. También así mismo, en un diferente caminar dentro del nacimiento de los estados naciones, bien hacia el federalismo, bien hacia el centralismo.

Thank you definitely much for downloading **Carlos Montes De Oca**. Maybe you have knowledge that, people have look numerous times for their favorite books with this Carlos Montes De Oca, but end in the works in harmful downloads.

Rather than enjoying a good book behind a mug of coffee in the afternoon, otherwise they juggled when some harmful virus inside their computer. **Carlos Montes De Oca** is clear in our digital library an online admission to it is set as public for that reason you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency time to download any of our books in imitation of this one. Merely said, the Carlos Montes De Oca is universally compatible when any devices to read.
