Drinking: A Love Story Caroline Knapp, 1997-05-12 Fifteen million Americans a year are plagued with alcoholism. Five million of them are women. Many of them, like Caroline Knapp, started in their early teens and began to use alcohol as liquid armor, a way to protect themselves against the difficult realities of life. In this extraordinarily candid and revealing memoir, Knapp offers important insights not only about alcoholism, but about life itself and how we learn to cope with it. It was love at first sight. The beads of moisture on a chilled bottle. The way the glasses clinked and the conversation flowed. Then it became obsession. The way she hid her bottles behind her lover's refrigerator. The way she slipped from the dinner table to the bathroom, from work to the bar. And then, like so many love stories, it fell apart. Drinking is Caroline Knapp's harrowing chronicle of her twenty-year love affair with alcohol. Caroline had her first drink at fourteen. She drank through her years at an Ivy League college, and through an award-winning career as an editor and columnist. Publicly she was a dutiful daughter, a sophisticated professional. Privately she was drinking herself into oblivion. This startlingly honest memoir lays bare the secrecy, family myths, and destructive relationships that go hand in hand with drinking. And it is, above all, a love story for our times—full of passion and heartbreak, betrayal and desire—a triumph over the pain and deception that mark an alcoholic life. Praise for *Drinking* “Quietly moving . . . Caroline Knapp dazzles us with her heady description of alcohol's allure and its devastating hold.”—Los Angeles Times Book Review “Filled with hard-won wisdom . . . [a] perceptive and revealing book.”—San Francisco Chronicle “Eloquent . . . a remarkable exercise in self-discovery.”—The New York Times “Drinking not only describes triumph; it is one.”—Newsweek

Last Drink to LA John Sutherland, 2015-01-01 Thirty-one years ago John Sutherland nearly lost everything to drink. It was time to sober up. Or die. Last Drink To LA is part reportage, part confession - not a temperance tale (told to terrify, inform and instruct), not what AA calls a drunkalog, but a moving and thought-provoking meditation - some thinking about drinking.

A Concordance to the Poems of W.B. Yeats Stephen Maxfield Parrish,2019-06-30 Now it is possible for the first time to trace in a systematic way the language patterns of one of the greatest poets who have written in English, W. B. Yeats. Like A Concordance to the Poems of Matthew Arnold, the first of the Cornell Concordances that are under the general editorship of Professor Parrish, this volume was produced on an IBM 704 electronic data-processing machine. Computer technique has so advanced that the Yeats concordance includes punctuation and gives cross references for the second parts of hyphenated words. The frequency of every word in Yeats's poems is given, and an appendix lists all indexed words in order of frequency. The body of this book consists of an index of all significant words in Yeats, each word listed in the line or lines in which it occurs. The concordance is based on the variorum text of Yeats, edited by Alspach and Allt, and includes all variants that occur in printed versions of Yeats's poems.

Freddy: a Love Story Ray P. Oliver,2011-11-15 How does a person born with mental and physical challenges become the most popular person in his community ? Why did the town throw a 50th birthday party for him and name a street in his honor ? Why do valedictorians mention him in their commencement addresses ? Why does a person who can't use a computer get 500 Facebook friends the first week he is on it ? Freddy : A Love Story attempts to answer those questions. It is an often humorous, sometimes poignant look at the town of Clinton, Tennessee and the man who captured the town's heart.

One Woman, One God, and a Horse Named Cj—A Love Story Nancy Rose Blomiley, 2013-06-12 Happy trails to you until we meet again Having lived in the heart of the Kettle Moraine forest most of my adult life I have enjoyed riding my horse on the beautiful trails. I have sought to find answers for the disappointment and heartbreak I experienced through out so many years. If you are reading this book, you are holding in your hands the story of my life. I dont have any worldly accomplishments in front or behind my name but what I do have is the experience of wanting to be a great daughter, wife and mother. Wanting this and having this become a reality was two different things. The years spent both as a young girl and a young woman with many emotions to deal with caused me to have a very low self esteem. It was the brokenness that brought me to my knees on that cold January day.

Illusions of a Love Story Nadia Aidan, 2008-10 SHE FALLS INTO THE DEPTHS OF SILENTNESS She wrote her love story and finally let it go. She set it in the hands of fate; which is something one does not often do. No words need to be followed, for those words will not mean anything in a realm of time that just stands still. Living and learning from the blindness of the unknown, she followed and trusted the spirits to bring the guidance of teachings into her reality. She remembers coming to a place many years ago, finding the strength within after all the pain and suffering that occurred. Letting go of all internally and externally, to do what she came here to do. She listened to and believed in her guidance to have a conversation with one- which changed the person she used to be into the person she needed to be. The words that follow are only the words she feels and knows in her heart. She learned from the one the most powerful lessons in reality: basing happiness on another, attachment, letting go, ego desires, and being in the present moment of now. The love that stood strong for one, showed the love was eternally true INTERTWINING TWO VIEWS OF LOVE TO FIND ONE. It's amazing what your heart tells you when you think you are not listening.

Victoria - A Love Story Knut Hamsun,2024-04-30 *Victoria - A Love Story* stands all by itself in the long series of works by Knut Hamsun. The chief male character, to be sure, bears the stamp of the author's own personality; he, like his predecessors, clashes with society and its unwritten laws, but succeeds in adjusting himself without betraying his innermost being. Only in his love he suffers disaster. In poetic quality *Victoria* vies with *Pan*. We find long passages of lyric prose in both, the beauty of which is hard to surpass, but they have nothing in common with regard to the general atmosphere. *Victoria* is only a simple love story in prose. But what a prose where the author is at his best! Two youthful lovers are separated by the insuperable barriers of social conventions and economic circumstances. The young man, Johannes, is the son of a humble miller, *Victoria* the daughter of the proud master of the neighboring castle Hamsun intentionally leaves his readers somewhat in the dark about the exact social status of this old aristocrat. Johannes and *Victoria* have grown up together, have been playmates, and have come to love each other long before they reached adolescence. To save her lavish father from utter ruin, *Victoria* consents to marry a rich suitor. During the period of her engagement, she confesses to Johannes that she loves him, only to send him away on the next day because the whole thing is impossible, even though Johannes has made a man of himself and has already achieved fame as a poet. But then, at the eleventh hour fate seems to intervene ...

Monsters: A Love Story Liz Kay,2016-06-07 A hilarious debut novel about a perfectly imperfect love story that will delight fans of *Evvie Drake Starts Over*. Even the smartest people can be stupid at love. When Stacey Lane writes a feminist take on *Frankenstein*, she never imagines it will catch the eye of unbelievably sexy Hollywood star Tommy DeMarco. Tommy's passion for her book—and for her, a recently widowed poet, mom, and certified mess—threatens to turn her life upside down, or maybe right-side up. From their first poolside meeting the two are set on a collision course as they go about making the book into a movie, making each other crazy, and making love, if only in secret. Fueled by desire, love, grief, expertly poured cocktails, and crackling dialogue, *Monsters: A Love Story* is a witty portrait of a relationship gone off the rails and two people who are made for each other—even if they're not so sure they see it that way. **A Summer Beach Read Pick for Harper's Bazaar, the Associated Press, Purewow, and Refinery29** "This fast-paced novel will have readers immersed in the heady feeling of an alcohol-fueled affair with one of the sexiest men alive." — "An addictive page-turner, ripe with seduction and charm, that drops insights into this messy, crazy, wonderful thing called love." —Washington Independent Review of Books "Entertainingly dyspeptic." —Vogue "A perfectly imperfect love story."—Bookpage

A Love Story Iris Zenia Solorio, This is a true story of love, hope faith and sacrifice and conflict with family. There are many women who have lost a husband like me in deployment. My husband was injured twice and earned two purple hearts. His third purple heart separated us forever. *A Love Story: and the three purple hearts* is my memoir, about a young woman

who falls in love with a soldier. It's a story about young love and conflict with family, and what happens when you break your parents home rules. Over us all loomed the greater conflict in Iraq—Operation Iraqi Freedom. This I learned the hard way: for freedom, comes sacrifice, but in the end, love is what matters.
