The Encyclopedia of Hollywood Film Actors Barry Monush,2003-04-01 For decades, Screen World has been the film professional's, as well as the film buff's, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars - Chaplin, Pickford, Fairbanks - to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions - good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!

Cast Away Charlotte McDonald-Gibson, 2016-09-06 Longlisted for the Andrew Carnegie Medals for Excellence 2017
“Galvanizing and deeply compassionate.” —O Magazine From Time magazine's European Union correspondent, a powerful exploration of the refugee crisis in the Mediterranean, told through the stories of migrants who have made the perilous journey into Europe In 2015, more than one million migrants and refugees, most fleeing war-torn countries in Africa and the Middle East, attempted to make the perilous journey into Europe. Around three thousand lost their lives as they crossed the Mediterranean and Aegean in rickety boats provided by unscrupulous traffickers, including over seven hundred men, women, and children in a single day in April 2015. In one of the first works of narrative nonfiction on the ongoing refugee crisis and the civil war in Syria, *Cast Away* describes the agonizing stories and the impossible decisions that migrants have to make as they head toward what they believe is a better life: a pregnant Eritrean woman, four days overdue, chooses to board an obviously unsafe smuggler's ship to Greece; a father, swimming from a sinking ship, has to decide whether to hold on to one child or let him go to save another. Veteran journalist Charlotte McDonald-Gibson offers a vivid, on-the-ground glimpse of the pressures and hopes that drive individuals to risk their lives. Recalling the work of Katherine Boo and Caroline Moorehead, *Cast Away* brings to life the human consequences of one of the most urgent humanitarian issues of our time.
