Project June Bug Jackie Minniti, 2008-02-14 With focus and characters as mainstream as Main Street, this fine novel is far more a great read than message tale. -Tom Corcoran, author of *Air Dance Iguana*, *Jimmy Buffett-The Key West Years*, and *Key West in Black and White* Life is good for Jenna Bianchi. She's just started her second year of teaching English at Morrison High School, a job she loves. She has a pet parrot with attitude. And there's a handsome math teacher who wants to be more than just friends. But everything changes when a defiant, disruptive tenth grader walks into her classroom. With a smart mouth and a swagger to match, Michael Tayler is a problem for Jenna from the very first day. His school record screams troublemaker, and Jenna wonders if the new year is already doomed. But when she reads Michael's first poetry assignment, she recognizes it for what it truly is: a cry for help. Michael's presence sets into motion a chain of events that turns Jenna's perfect life upside-down and threatens to destroy her career. Faced with a challenge unlike anything she's ever known, Jenna commits to doing what no one has done for Michael Tayler before.

Celebration Fern Michaels, 2009-01-01 Fern Michaels, New York Times bestselling author of *Finders Keepers*, dazzles readers once again with the unforgettable story of one woman's life--the betrayal that nearly destroys her, the love that helps her heal, and the struggle to find the truth about herself and the man she thought she knew. . . An only child who lost both parents during her first year at college, wealthy heiress Kristine Kelly had made her husband her whole world. But she didn't see what everyone else did: that handsome, charismatic Logan Kelly was a manipulator and a user. Then one cold December,

Kristine got a chilling wake-up call when Logan vanished, along with the eight-million-dollar trust fund she had naively given him the power to control. Just when Kristine's life was at it's lowest point, banker Aaron Dunwoodie offered her passion, a strong shoulder to lean on, and a relationship to believe in. But a woman once fooled is twice wary, and very vulnerable. There were still too many questions Kristine needed to answer before she could commit her heart again: what really happened to Logan. . .what did she truly want for herself. . .and what would she do if Logan--a dangerous seductive, and yet irresistible man--walked back into her life?

Noble Intentions Andrew Grey,2016-12-12 Robert Morton is in for the surprise of a lifetime. His mother, a bit of a rebel, raised him away from the rest of the family, and it's not until he's contacted by his lawyer about an inheritance that he learns who he truly is: the new Earl of Hantford. His legacy includes ownership of the historic Ashton Park Estate—which needs repairs Robert cannot afford. He'll simply do what the nobility has done for centuries when in need of money. He'll marry it. Tech wizard Daniel Fabian is wealthy and successful. In fact, he has almost everything—except a title to make him worthy in the eyes of the old-money snobs he went to prep school with. His high school reunion is looming, and he's determined to attend it as a member of the aristocracy. That's where Robert comes in. Daniel has the money, Robert has the name, and both of them know they can help each other out. But their marriage of convenience has the potential to become a real love match—unless a threat to Daniel's business ruins everything.

I've Seen the Lightning Flashing Dr. Kim Yancey James,2022-01-24 As a servant leader, you will experience lightning wars because your commitment to follow Christ and love the people comes with a cost and that is, sharing your heart and spending much of your time with persons who do not really know you. Remember, the disciples did not fully understand the identity and mission of Jesus. The Holy Spirit constantly reminds me of this. They witnessed Jesus healing the sick and raising the dead, but they did not know Jesus. We have not healed the sick nor raised the dead. Therefore, we should not be surprised if people that we think would know our heart and spirit, do not.

What Made Maddy Run Kate Fagan,2017-08-01 The heartbreaking story of college athlete Madison Holleran, whose life and death by suicide reveal the struggle of young people suffering from mental illness today in this #1 New York Times Sports and Fitness bestseller. If you scrolled through the Instagram feed of 19-year-old Maddy Holleran, you would see a perfect life: a freshman at an Ivy League school, recruited for the track team, who was also beautiful, popular, and fiercely

intelligent. This was a girl who succeeded at everything she tried, and who was only getting started. But when Maddy began her long-awaited college career, her parents noticed something changed. Previously indefatigable Maddy became withdrawn, and her thoughts centered on how she could change her life. In spite of thousands of hours of practice and study, she contemplated transferring from the school that had once been her dream. When Maddy's dad, Jim, dropped her off for the first day of spring semester, she held him a second longer than usual. That would be the last time Jim would see his daughter. What Made Maddy Run began as a piece that Kate Fagan, a columnist for *espnW*, wrote about Maddy's life. What started as a profile of a successful young athlete whose life ended in suicide became so much larger when Fagan started to hear from other college athletes also struggling with mental illness. This is the story of Maddy Holleran's life, and her struggle with depression, which also reveals the mounting pressures young people -- and college athletes in particular -- face to be perfect, especially in an age of relentless connectivity and social media saturation.

Why Does Love Hurt so Good? Ondray Pearson,2019-10-30 Why Does Love Hurt So Good? It's hard to explain why we stay with someone who isn't treating or loving them the way they should. Staying, some would say is foolish, unhealthy and not normal, and they're right, but for you to understand the why, you must experience loving someone first hand because until you do, you have no idea the power that love has over many of us. Within these stories, you will read and experience what people will do to have someone love them. Sex, lies, deception, betrayal, abuse, and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship. As you read, you will, at some point, have to rethink what you thought you knew about love because, contrary to what many think and believe, not all love is good love that we receive from those we love. Readers are talking: Avis Parter, from Fayetteville, North Carolina, says, "It truly touched my soul, I saw myself in it. I loved it; I cried because it was so my life. I needed this book three years ago." Deborah Antrum, St. Louis, Missouri, says, "I read your book, and I love it! I let my daughter read also. I am looking forward to what you have in the making; you have my FULL support." Pastor Ricardo Manuel, from Savannah, Georgia, says, "The book is a great read. I recommend that you get a copy and read it for yourself!"

Waiting for an Earl Like You, the next lush, sensual Regency romance in the Masters of Seduction series by USA Today bestselling author Alexandra Hawkins. Justin Reeve Netherwood, Earl of Kempthorn—a.k.a. Thorn—has never cared much for his neighbor's daughter. But his twin brother, Gideon, befriended the wild, reckless, and wholly inappropriate Miss Olivia Lydall in youth, and two have been close ever since. So when Olivia finds herself in a state of romantic conflict and seeks out Gideon for advice, he's only too pleased to oblige. Only problem: The man Olivia is speaking to is Thorn. And now it's too late for him to tell Olivia the truth... Thorn always believed that Olivia was too smitten with Gideon for her own good. So what's the harm in steering her away from him? But Thorn's charade turns out to be anything but harmless once he begins to see Olivia for who she really is: A woman full of spirit and passion...and someone he can't live without. But how can Thorn claim Olivia's heart when their deepening connection—and burning desire—is built on lies and deceit?
