

If Women Rose Rooted

Alice Albinia

If Women Rose Rooted Sharon Blackie, 2019 A powerful, resonant rallying-cry for the re-wilding of womanhood by writer, psychologist, and mythologist Dr Sharon Blackie.

If Women Rose Rooted Sharon Blackie, 2017-04-18 'I love this book. Truly, it's mind-blowing in the most profound and exhilarating sense. This is an anthem for all we could be, an essential book for this, the most critical of recent times. I sincerely hope every woman who can read is given one, and has the time and the space to read it.' - Manda Scott, author of *Boudica* and *Into the Fire*. In this extraordinary book of myth, memoir and modern-day mentors (from fashion designers to lawyers), Blackie faces the wasteland of Western culture, the repression of women, and the devastation of our planet.

If Women Rose Rooted Sharon Blackie, 2016 Aged 30 Sharon Blackie found herself weeping in the car park of the multinational corporation where she worked, wondering if this was what a nervous breakdown felt like. With a PhD in Psychology she ought to have known. Somewhere along the line she realised she had lost herself. And so began a long winding journey back to authenticity, rootedness in place, and belonging. In this extraordinary book of myth memoir and modern day mentors Blackie faces the wasteland of Western culture, the repression of women, and the devastation of our planet. She boldly names the challenge to reimagine women's place in the world and to rise up firmly rooted in our own native landscapes and the powerful stories and wisdom which spring from them. *If Women Rose Rooted* offers a haunting heroine's journey for every woman who finds power inspiration and solace in the natural world.

Hagitude Sharon Blackie, 2022-10-11 RADICALLY REIMAGINE THE SECOND HALF OF LIFE "There can be a certain perverse pleasure, as well as a sense of rightness and beauty, in insisting on flowering just when the world expects you to become quiet and diminish." — from the book For any woman over fifty who has ever asked "What now? Who do I want to be?" comes a life-changing book showing how your next phase of life may be your most dynamic yet. As mythologist and psychologist Sharon Blackie describes it, midlife is the threshold to decades of opportunity and profound transformation, a time to learn, flourish, and claim the desires and identities that are often limited during earlier life stages. This is a time for gaining new perspectives, challenging and evolving belief systems, exploring callings, uncovering meaning, and ultimately finding healing for accumulated wounds. Western folklore and mythology are rife with brilliantly creative, fulfilled, feisty, and furious role models for aging women, despite our culture's focus on youthfulness. Blackie explores these archetypes in

Hagitude, presenting them in a way sure to appeal to contemporary women. Drawing inspiration from these examples as well as modern mentors, you can reclaim midlife as a liberating, alchemical moment rich with possibility and your elder years as a path to feminine power.

Mothershift Jessie Harrold, 2024-11-12 Explore this supportive, grounding guide for new mothers navigating the cascade of identity change and transformation that is motherhood. Our modern, Western societal understanding of what happens to a woman when she becomes a mother—beyond emotional rollercoasters and healing her pelvic floor—remains largely uncharted territory. The transition to motherhood actually takes two to three years, not six weeks or three months as we've been led to believe. *Mothershift* offers a supportive, affirming road map to take women through this transformational process. Jessie Harrold introduces her "map for your becoming," a research-based, four-phase model that maps out how the transition to motherhood unfolds and helps women to navigate every step along the way. She has used this model to guide thousands of women through the shift into motherhood. Harrold also includes self-inquiry questions and journal prompts in each chapter to help women identify and thrive amidst the cascade of changes they can expect as they enter motherhood. Topics include: Normalizing the feelings of grief and loss of self you may feel along the way. Navigating the discomfort of not knowing who you are anymore now that you're a mother. Guiding you to cultivate a sense of empowerment and leadership in motherhood, showing you how mothering is a counterculture act. Showing you how to use the "superpowers" that motherhood can offer—self-tending, creativity, embodiment, ritual, community, inner knowing, and earth connection. Gently guiding you to explore who you are becoming.

Nature and Space in Contemporary Scottish Writing and Art Camille Manfredi, 2019-05-29 This book examines how contemporary Scottish writers and artists revisit and reclaim nature in the political and aesthetic context of devolved Scotland. Camille Manfredi investigates the interaction of landscape aesthetics and strategies of spatial representation in Scotland's twenty-first-century literature and arts, focusing on the apparatuses designed by nature writers, poets, performers, walking artists and visual artists to physically and intellectually engage with the land and re-present it to themselves and to the world. Through a comprehensive analysis of a variety of site-specific artistic practices, artworks and

publications, this book investigates the works of Scotland-based artists including Linda Cracknell, Kathleen Jamie, Thomas A. Clark, Gerry Loose, John Burnside, Alec Finlay, Hamish Fulton, Hanna Tuulikki and Roseanne Watt, with a view to exploring the ongoing re-invention of a territory-bound identity that dwells on an inclusive sense of place, as well as on a complex renegotiation with the time and space of Scotland.

Simple Soulful Sacred Megan Dalla-Camina, 2019 A guidebook for the modern woman, who wants to create space in her life for more wellbeing, simplicity and joy. Simple Soulful Sacred is a guidebook for the modern woman who seeks clarity and guidance on how to live the life of her dreams, on her own terms. It's for the women of our time-the mothers, teachers, healers, light workers, dreamers, creators, leaders-who are ready to find their voice, speak their truth and own their power, whilst living life with less hustle and more flow. For modern women wanting more for their lives, it's the now age definition of having it all. Women are rising; ready to step out of the cloak of masculine traits that keep them striving for a version of success that is not their own. Ready to stop hiding their light and playing the comparison game. And ready to fully embody their feminine power. Because whilst the feminine may have been disowned and devalued for centuries, we are so done with that story now. But it's still a paradox. Because within this very rising, women are longing to step out of the noise and chaos, to live more simply. They want time and space for what's most important to them; and the comfort, consciousness and connection that often gets lost in the busyness and distractions of daily life. This book is the bridge women have been seeking. Written with the time-poor reader in mind, this book includes 200 short-form chapters, the perfect length for dipping into while commuting; during a lunch break or at the end of the day. The perfect gift, or self-gift, for women of all ages.

Pagan Portals - Modron Kelle BanDea, 2025-01-28 In the flow of healing waters and the urgent cry of the Earth, we hear the voice of the Celtic mother goddess Modron, also known as Matrona. A goddess of fertility, abundance and healing, but also of grief and loss and ancestral wisdom, she is still present, although hidden, in today's world. We find her myths in the tales of the Mabinogi, the Welsh Triads and modern tales of Avalon, and her image and veneration in the ancient religions of Celtic Gaul, where she first emerged as a river goddess. We can trace echoes of her in ancient Indo-European texts and possibly even further back to the agricultural myths of the Neolithic. She is even present in the stars. Modron - Meeting the Celtic Mother Goddess takes a deep dive into this often overlooked goddess who has inspired our modern myths, combining solid academic research with suggestions for personal practice and ritual, from a modern day dedicant and scholar of Goddess veneration. Modron is emerging from the depths. Will you answer her Call?

This groundbreaking book offers a response to the call of women to listen deeply to the wisdom of their bodies as they go through the change and stages of peri-menopause and menopause. In modern times, even with the increased awareness of recent years, the overriding response is management and relief of symptoms. However, in this book Reva provides a revolutionary approach to menopause, perceiving this transition as a rite of passage and alchemical process. Through her own experience Reva acts as a guide in allowing women to connect with their bodies and awareness through contemplation, as well as suggesting practices to support a deepening of women's exploration of menopause, including yoga, meditation and ritual. Within these pages, Reva will provide women with a sense of trust, and wider perspective as they discover more about their bodies, their perceptions, learning from, rather than fearing this time of change.

STILL HOT! Kaye Adams, Vicky Allan, 2020-10-15 Every menopause has its own story. It's time we told them . . . The menopause. What even is it? One big theme unites Still Hot!'s 42 stories - that, somehow, the world doesn't ready us for this. The menopause - let alone the perimenopause - simply isn't talked about; instead, it's reduced to a comic hot flush. More and more of us are proudly stepping free of the menopausal closet, but the Big M is still a conversation whispered below the radar. No one tells you it will be like this. No one prepares you for it. That silence is lifting, slowly. So let's be bold, let's overshare. Let's find solidarity among Still Hot!'s myriad voices - wise, rebellious, measured, fierce, upfront - telling how the menopause is not just one story, but many. Telling, in fact, that this is not the menopause, it is YOUR menopause. The Britannias: An Archipelago's Tale Alice Albinia, 2024-02-27 Longlisted for the Ondaatje Prize and the Women's Prize for Non-Fiction Shortlisted for the Stanford Travel Writing Award "A dazzlingly brilliant book." —Hannah Dawson, editor of The Penguin Book of Feminist Writing A revelatory portrait of Britain through its islands, The Britannias weaves history, myth, and travelogue to rewrite the story of this "island nation." From Neolithic Orkney, Viking Shetland, and Druidical Anglesey to the joys and strangeness of modern Thanet, The Britannias explores the farthest reaches of Britain's island topography, once known by the collective term "Britanniae" (the Britains). This expansive journey demonstrates how the smaller islands have wielded disproportionate influence on the mainland, becoming the fertile ground of political, cultural, and technological innovations that shaped history throughout the archipelago. In an act of feminist inquiry, personal

adventure, and literary quest, Alice Albinia embarks on a series of journeys that traverse Britain and reach beyond its contemporary borders—from Europe to the Caribbean, Ireland to Scandinavia. She walks the coastlines of Lindisfarne, sails through the Hebrides archipelago, and bikes into Westminster at dawn. As she takes us across extravagantly varied island topographies and surveys centuries of history, Albinia ranges between languages and genres, and through disparate island cultures. She talks to stubbornly independent islanders and searches for archaeological and linguistic traces of island identities, discovering distinct traditions and resistance to mainland control. Trespassing into the past to understand the present, *The Britannias* uncovers an enduring and subversive mythology of islands ruled by women. Albinia finds female independence woven through Roman colonial reports and Welsh medieval poetry, Restoration utopias and island folk songs. These neglected epics offer fierce feminist countercurrents to mainstream narratives of British identity and shed new light on women's status in the body politic today. Vivid, perceptive, and disruptive, *The Britannias* boldly upturns established truths about Britain while revealing its suppressed and forgotten beauty.

Over the course of a year, learn how to: Rewild your perspective and shift your worldview from egocentric to ecocentric. Realign with cyclical rhythms, and flow with the seasons of nature, your body and your life. Reconnect with your roots cultivating kinship with yourself, others, and the more-than-human world. In *The Rewilding Yearbook*, the concept of the “wild self” is fully explored as the reader is guided on a “rewilding journey” offering inspiration and encouragement in exploring their own wildness. The thirteen chapters are structured around the seasons, and the 13 lunar cycles of the year. The Relaxed Woman Nicola Jane Hobbs, 2025-07-01 Have you ever met a relaxed woman? Would you like to become one? Psychologist Nicola Jane Hobbs draws on the latest science and extensive therapeutic experience to dispel the myth that relaxing is lazy and show women how to reclaim rest as a path to healing, freedom, and joy. We have become a society of rushing women, overburdened women, exhausted women. Women whose lives are plagued with stress, guilt, and burnout. We try so hard to do it all—to be the perfect partners, mothers, daughters, colleagues, friends—only to end up feeling not good enough, unappreciated, and lonely. But it doesn't have to be this way. In *The Relaxed Woman*, psychologist Nicola Jane Hobbs explores how stress negatively impacts our minds, bodies and relationships, and illuminates a path towards reclaiming

relaxation as a form of liberation. Weaving together neuroscience and psychology with inspirational stories from women who are discovering the transformational power of rest for themselves, Nicola guides us on a journey to becoming relaxed women: women who have untangled their sense of worth from their productivity, who can rest without guilt and anxiety, who trust their intuitions, honor their needs, and live by their deepest values. Filled with simple rest rituals we can weave into our busy lives, healing practices to help regulate our nervous systems, and practical strategies to support us in navigating the unavoidable stressors of life, *The Relaxed Woman* is an empowering, restful guide for all of us who long to live more joyful, authentic lives. Because we deserve more than being constantly exhausted. We deserve to be relaxed women, women who know our worth and our power—women who, together, can change the world.

Queer Ecopedagogies Joshua Russell, 2021-04-09 This volume builds on the momentum surrounding queer work within environmental education, while also encouraging new connections between environmental education research and the growing bodies of literature dedicated to queer deconstructions of categories such as “nature,” “environment,” and “animal.” The book is composed of submissions that engage with existing literature from queer ecology, queer theory, and various explorations of sexuality and gender within the context of human-animal-nature relationships. The book deepens and diversifies environmental education by providing new theoretical and methodological insights for scholarship and practice across a variety of educational contexts. Queer pedagogies provide important critical points of view for educators who seek broader goals centred around social and ecological justice by encouraging counter-hegemonic views of bodies, nature, and community. The scope of this book is multi- or interdisciplinary in order to cast a wide net around what kinds of spaces, relationships, and practices are considered educational, pedagogical, or curricular. The volume includes chapters that are conceptual, theoretical, and empirical.

The Journey of Soul Initiation Bill Plotkin, 2021-01-12 Soul initiation is an essential spiritual adventure that most of the world has forgotten — or not yet discovered. Here, visionary ecopsychologist Bill Plotkin maps this journey, one that has not been previously illuminated in the contemporary Western world and yet is vital for the future of our species and our planet. Based on the experiences of thousands of people, this book provides phase-by-phase guidance for the descent to soul — the dissolution of current identity; the encounter with the mythopoetic mysteries of soul; and the metamorphosis of the ego into a cocreator of life-enhancing culture. Plotkin illustrates each phase of this riveting and sometimes hazardous odyssey with fascinating stories from many people, including those he has guided. Throughout he weaves an in-depth exploration of Carl Jung’s *Red Book* — and an innovative framework for understanding it.
