Empire High Betrayal Ivy Smoak,2021-01-14 Find out what happens with Matt and Brooklyn in the third book of the Empire High Series. Praise for the Empire High Series: My favorite book this year!! Gahh! My heart. I adored this book. IT WAS AMAZING. Oh my, plot twist! I did NOT see that one coming! It's literally IMPOSSIBLE to put down. Buckle in for this emotional roller coaster!

Empire High Untouchables Ivy Smoak,2020-07-09 The Untouchables. That's what everyone calls the Hunter and Caldwell brothers. At least, it's my best friend's nickname for them. And since she's the only one that talks to me at my new school, I'll take her word for it. The nickname probably comes from the fact that they're exorbitantly wealthy. Old wealth. The kind that isn't flaunted around. But you can tell by the way they carry themselves. Or maybe the name just refers to the fact that they're so beautiful it's almost hard to look at them. No matter the reason for their nickname, it's an ironic one. Because I've only been going to this school for a week and I already want to touch.

Empire High Elite Ivy Smoak,2020-10-11 Welcome to the world of the elite. My mom fell in love with a monster. I know he's dangerous. And I know my mom never wanted him in my life. I don't want him in mine either. But I'm being forced to live with him. I'm stuck in his haunting apartment in a world where I don't belong. A world full of beautiful people with ugly souls. A world filled with secrets. And the one person that I thought I could rely on was Matt. But he says my new family is a disease. Does that make me toxic too? Is that why Matt wants to keep me his dirty little secret? I should have known that all the secrets would come crashing down soon. I just never expected more to break than Matthew freaking Caldwell breaking my heart.

Runaway Ivy Smoak,2022-03-10

Empire High Matchmaker Ivy Smoak,2021-05-20 Matthew Caldwell is NYC's most eligible bachelor. Charming. Gorgeous. Wealthy. Great with kids. Broken. Sixteen years ago he lost everything. He made a vow to never love again. But suddenly everyone in his life is acting like a matchmaker. He can't help but wonder if a broken vow is better than a broken heart. There's just one problem. Only one woman in the city has caught his attention. And it's the only woman he can't have.

Homecoming Ivy Smoak,2022-11-10 Brooklyn - I was locked in a cage for 16 years. But I lived in it willingly. And I didn't come back to this city for a boy who forgot about me when I was kidnapped. Matthew Caldwell broke his promises to me. And

I broke every single promise I made him. But it's a lot easier to decide something when you're not staring at your past face to face. Matthew Caldwell helped heal my heart once before. And I think maybe he's the only one that can help me now. Matt - It's easiest to remember Brooklyn in the fall. The autumn leaves remind me of her. The crisp smell of the air. It's all her. I wasted half my life loving someone that's never coming back. And I still want all the things I once did - kids, a wife, a home. But how can I move forward if I still feel her presence at every turn? It's almost like she's still here with me?

Forever Ivy Smoak, 2024-05-23 Brooklyn - I will never take a single day for granted again. Despite everything, I'm still here. I'm still breathing. And I'm not going anywhere. Even though 16 years have passed, my heart still belongs to Matthew Caldwell. And I think it's about time we start our forever. Matt - I waited 16 years for Brooklyn to come back to me. And I won't let anyone or anything get in the way of us being together now. She is my heart. My home. My everything. And no matter what it takes, I will make her my wife.

Exposed Ivy Smoak, 2023-04-13 Brooklyn - Matthew Caldwell never forgot about me. I know that now. And a part of me wants to give us a second chance. When I'm in his arms, I feel 16 again. He takes away my pain. But I'm worried he'll never forgive me... Matt - Brooklyn has always been mine. I loved her when she was a Sanders. I loved her when she was a Pruitt. And even though I'm angry, I know I'll love her now, as a Miller. But it's about time I made her a Caldwell.

Temptation *Ivy Smoak, 2015-04-08* Shy student Penny Taylor always follows the rules. At least, that's how it appears to her classmates. But she has one illicit secret - she's fallen hard for her professor. And she's pretty sure he's fallen for her too. Everyone loves Professor Hunter. He's tall, dark, and handsome. And completely unobtainable. But it's the secrets hiding behind his deep brown eyes that allures Penny. Secrets darker than she could ever imagine. James Hunter gave up his billionaire lifestyle in NYC last year to become a professor. The easiest new rule to follow: don't fraternize with the students. It's easy to follow because he's become quite the recluse in his new town - the only way he knows how to keep his secrets buried. But he never expected to be teaching such a beautiful student. He has to resist her. He needs to walk away. Penny deserves better than a man with his demons. But she's daring him to cross the line. And he's never been one to resist temptation.

Untouchable Ivy Smoak, 2020-07-09 Matthew Caldwell is as gorgeous and charming as he is wealthy. He's untouchable. At least, that's everyone's nickname for him. And it sucks because I really want to touch. Staring at him in the hallways of my new school is the only thing holding me together. Ever since losing my mom, it feels like I'm drowning. But it's a lot easier to breathe when I stare at Matthew's perfect smile. Even if it's never directed at me. I thought he didn't notice me staring. It was just supposed to be my dirty little secret. Something to get me through my heartache. But when he cages me against the wall in a dark auditorium, I realize that I was wrong. He's noticed me. I'm not as invisible as I thought. And I'm about to become his dirty little secret instead.

Eruption Ivy Smoak,2016-04-14 New York was supposed to be our fresh start. Our happily ever after. But James is hiding something from me. Secrets from James' past, his scheming ex, and unsupportive parents make it hard to breathe in this city that barely feels like my home. I thought I wanted to marry him. I thought he was the man of my dreams. I thought we'd be happy as soon as we got away from all the rumors. But now? I don't think I ever really knew Professor Hunter. And I can't walk down the aisle until I know the truth.

Addiction Ivy Smoak,2015-11-09 Temptation has quickly turned into addiction. Penny fell hard for her mysterious professor, but secrets have torn them apart. After all, scandalous affairs are meant to go down in flames. Now that he's not speaking to her, she feels numb. And what hurts the most is that he appears to be completely fine. As she struggles to accept that their relationship is really over, her best friend's crude advice is in the back of her mind- the best way to get over someone is to get under someone else. Will she be able to move on, or is her addiction to her alluring professor only just beginning?

The Truth in My Lies Ivy Smoak,2018-02-12 I'm not supposed to leave the house. But what my husband doesn't know won't kill him. I break his rules every morning on my runs. It's always been best when I have a routine. So every day I wake up, run, clean the house, wish for a better life, repeat. And every day is exactly the same.Except for Thursdays. I live and breathe for Thursdays. It's when he comes. I watch him from a distance. I can't help myself. But I was never supposed to talk to him.I know what you're thinking. But you don't know my story. You don't know the kind of monster my husband is. And trust me, you have no idea who I am.*This is a standalone thriller with an unforgettable twist.*

This Is Love Ivy Smoak,2019-01-29 I fell in love with Penny as soon as she fell into my arms. I wasn't a believer in fate, but she convinced me. And every day she convinced me just how special our relationship was. It was us against the world. And I foolishly thought our love was indestructible. Now I know that love isn't about light and darkness or whirlwinds of color. Love can't be defined in such simple terms. When you lose it, all of that becomes clear. I don't know how much longer I can breathe in a world where I look into my wife's eyes and only see a stranger. I'd do anything to get her back. But this is one thing I don't know how to fix. This is the end to our love story. I just hope to God it's not the end of us.

A Whirlwind of Color Ivy Smoak,2018-11-27 One great love. That's what every heart craves. I was lucky enough to find mine when I was 19. But I wouldn't describe myself as lucky now. My husband looks at me like I'm the light of his life. We live in a penthouse apartment that overlooks Central Park. My closet it filled with designer clothes and more pairs of shoes than I can count. I have everything I could possibly want at my fingertips. And I've accomplished my dream of writing a novel. I wrote my love story. Every kiss, every touch, every memory compiled in a manuscript. The pages make my heart ache, my tears flow freely, and my cheeks hurt from laughter. My whole life is written on these pages. I have the perfect husband. The perfect family. The perfect life. But I don't remember any of it.

Crazy In Love Ivy Smoak,2020-12-06 It's beginning to look a lot like Christmas. Mistletoe and holly and lights all aglow. It's my favorite time of year. Until my husband had to go and ruin it. Christmas is officially canceled at my house now that I've kidnapped my husband and locked him in the basement. And not even Santa can get me out of this mess. I know what you're thinking. That I'm crazy. But I swear I'm not. I'm going to let him free eventually. Or maybe with a little Christmas magic he'll fall in love with me again. *This is a standalone thriller with an unforgettable twist.*

Carved in Ice Ivy Smoak,2018-07-12 When I was little, I dreamed my life would be a fairy tale. But it just so happens that I don't need a knight in shining armor to save me anymore. I'm made of freaking steel.It's time for answers. Time for vengeance. And time to finally unmask the notorious V. There's no going back now.See what happens in the epic conclusion of the Made of Steel series.

Forged in Flames Ivy Smoak,2017-06-13 It's hard to be consumed by revenge when my heart feels like it's breaking in two. A part of me is still in love with Miles. I think I always will be. He embodies everything I thought my life could be. Every hope and dream and wish. But I'm not the girl that he remembers. And I'd be lying if I said I haven't started to fall for the New York City vigilante. He's the only other person that knows what it's like to live behind a mask. There's a darkness in him that mirrors my own. He embraces my broken soul. But I'm tired of all the secrets, masks, and lies. I don't need a man to save me. I'm the superhero of my own story. And all I need to focus on right now is Don Roberts - a monster far worse than I ever imagined - before he unleashes the mafia on this city and ruins any chance I have at a new life.

Sweet Like a Psycho Ivy Smoak,2019-07-02 To most people, suburbia is synonymous with good school districts, manicured lawns, and friendly neighbors. But you can never really tell what's hiding behind those white picket fences and smiling faces.I mean, we all have secrets. The kid down the street steals lawn gnomes. The woman on the corner is having an affair. And me? I'm a murderer. At least?that's what everyone thinks.Because that's the other thing about the suburbs. Rumors spread like wildfire. Handsome detectives start poking around. Houses explode. You know?the usual.Yes, I have secrets. But so does everyone else. Welcome to suburbia. I'm one of the smiling faces waving from my front porch. Don't you trust me?*This is a standalone thriller with an unforgettable twist.*

The Light to My Darkness Ivy Smoak,2017-09-19 I fell in love with the handsome stranger the first time I ever saw him. A chance encounter on a rainy fall day. And I know he felt the same way. Until suddenly...he didn't. In the blink of an eye, I lost everything. He stays out late. Hides phone calls. But what hurts the most? He looks at me differently. Like I'm no longer the most important person in his life. I'm determined to get to the bottom of it. Because it's not just me I have to protect anymore. And it's because of him that we're in danger...

Ivy Smoak Empire High Series Introduction

In today's digital age, the availability of Ivy Smoak Empire High Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ivy Smoak Empire High Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ivy Smoak Empire High Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ivy Smoak Empire High Series versions, you eliminate the need to spend money

on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ivy Smoak Empire High Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes

to accessing Ivy Smoak Empire High Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ivy Smoak Empire High Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ivy Smoak Empire High Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ivy
